TOM COOPER appears to be so pleased with his ride on 'Master Plaster' that he's doing hand stands in the arena (or is that just how this great action shot of Geoff Frame's seems?)

PRESIDENT'S REPORT—

TO ALL MEMBERS - Last month we ran Murgon Rodeo, which was a success due to the hard work put in by a lot of people, but I have to say that the arena and complete setup was a credit to Rupert Hatherell and his Family, I don't think many people would know how much work goes into one of these rodeos until such time as you go to run one. I'd like to thank Rupert, Betty and their Daughter Lynn for the amount of work they did to produce a top

class rodeo. Thanks also to the Kennedy and Beezley family's for all the time and hard work they spent working on the arena yards, and many other items that are needed to run a rodeo. Thanks to all the workers who helped on the day, and any others who helped in anyway.

The Grand Entry at the R.N.A. was in August, and went off very well, we donated a \$1,000.00 to the Cancer Fund of Australia. They in turn have sent us a letter of thanks. I'd like to thank everyone who helped prepare for that night and all who rode in the Grand Entry. Thank you very much.

We have our Finals coming up on the 9th of November at the Samford Valley Country Club, remember all competitors in the top (15) are in the finals until such time as they notify our Secretary that they will not be competing, if they do not comply with this rule, then they will be fined the same amount as the finals entry fee.

Of late we have had some more trouble with members misconduct and they have been fined for it. We will not tolerate bad behaviour from anyone, so if you step out of line you will get what you deserve.

September we have a big month ahead, with plenty of rodeos, best of luck to all, as we go into the last run of the year. Thats all for this month, see you at the next rodeo.

SECRETARY'S REPORT—

The time is coming closer for the ballot papers to be sent out, and I would like you all to think about what you are voting for before the time is here.

Think before you cast your vote, will this person be the right one to represent the members and put the Association first, there is more than one side to rodeo and the people running this Association must remember that, not only do you have your competitors to take care of, but also the committees and stock contractors and many others all of which rodeo would not continue without. Vote for the person that is best for the Association not just a couple of people, that way you make sure you will always have an Association to run rodeo's. Put the wrong people in and you could end up losing rodeo's, committee's and members. THINK before you act.

Presentation night will be the 15th November 1986, at Toowoomba Newtown Rugby Centre, Doors open at 7.p.m. Meal starts at 7.30.p.m. \$15 per head, \$7.50 Child. Get your tickets early.

Everyone take care, see you down the road.

CIRCUIT NEWS . . .

The month of August is always a quiet one with not many rodeos and this year was no exception with Murgon being the only rodeo held (Brymaroo comes up on 31st, but we'll consider that as September for this year.

The Hatherell family did an excellent job with the staging of the Murgon Rodeo and they along with all their helpers are to be congratulated on a great day's rodeoing.

I would like to mention in this column the girls who came to the fore in helping in the Bar - thanks girls it was greatly appreciated. Also a special thank-you to Jenny Tickle, who spent the whole day working in the Bar and, it is thanks to people like her that the SEQRRA is able to continue because without voluntary help no organisation can be viable.

" ONE IN A MILLION "

There's a certain person we all know. Who loves the sport of Rodeo. When Murgon said, "Let's have our own". She worked her fingers to the bone. To get the Rodeo off the ground. And to make the day one renowned.

She'd paint and toil and never whine. About the chores that they'd find. For her to do all day long. She'd always smile and get along. With all the others helping there.

The many work days that they'd share..

The Rodeo was a great success. The thanks go out to all who helped.

But let us take off our hats.

And let us put all the pats. On the back of this mighty friend. Who was still working till the end.

A shining example to us all, fun, witty and smart.

Definitely one in a million, she must have a golden heart.

I suppose by now you're wondering, about whom you have read. Her name is Roxanne Beezley.

But her friends just call her FRED.

FROM THE PAST:

Unfortunately, at this point I am unable to continue on from last month's initial column on the beginnings of the SEQRRA. Jim Greenaway is currently trying to arrange an informal get-together with early members who formed the Association in the hope that we can get the facts straight.

I believe that the gathering of correct information on those early years is important to try and retain the heritage of the Association which has been patiently built up by a lot of hard working people.

Anyone who can provide facts about the Association's formation or early photos etc. is urged to contact me either by mail or phone as this information, like the whole of the Association can only be preserved by joint effort.

Contact me on Phone (075) 673 125 at night or write c/o the Association's address. *Bethy Gall*

S.E.Q.R.R.A. RODEO NEWS

RULE - Left handed ropers may pre-tie their head of stock with the permission of the Committee and Stock Contractor, and under the supervision of the Director, on contract stock before the rodeo commences.

DRESS AT RODEOS - We are getting back into the same old ways, and not wearing the correct Western Attire in the arena, the Directors have all been told to fine members that are breaking this rule, so for your own benefit wear western shirts with the sleeves rolled down, and western boots, (NOT SNEEKERS) You have been warned, so if you get fined all I can say is SERVES YOU RIGHT.

NOMINATIONS FOR DIRECTORS AND OFFICIALS - These will close on the 10th of September 1986. I WILL NOT TAKE LATE ENTRIES. So get them in if you are interested.

BEREAVEMENT - It is with sadness we must inform our members that in August, Basil Morley, passed away. Our thoughts and prayers go to Basils Family and Friends.

RODEO QUEEN - To be a Entrant in the 1986 S.E.Q.R.R.A. Rodeo Queen Competition at the Finals at Samford, you need only enter ONE Rodeo Queen competition through the year, this is a very worth while competition for the girls, and is a big job for the winner, we have been proud of our first two Rodeo Queens and I'm sure whoever wins 1986, we will be just as proud of.

CONGRATULATIONS - To Dean Gilchrist who won the Steer Wrestling at Mt Isa Rodeo, and Mick Duffy who won the Calf Roping, we are very proud of you both. Mt Isa has prize money to the tune of Eighty Thousand Dollars and these boys walked away with their fair share. Mick has just gone full Professional and is doing outstanding our Best Wishes go to Mick and may he have a super year. Dean competes in a couple of events and looks like Steer Wrestling is going to be his Number One, all the very Best Dean, That's one hell of a good looking Buckle you have there - wear it with great pride.

PINE LODGE - The Rodeo at Pine Lodge will be run with the proceeds going to the "Riding Disabled Association" R.D.A. McIntyre Centre, Moggill.

This is for a very good cause, we would like to see as many as possible get behind it and give it a good start, this Rodeo may only be the first of a series of Rodeos to come.

THANK YOU TO JOHN MASON AND HIS HOUSE OF TROPHIES - John kindly donated three beautiful Trophies for the Murgon rodeo, we greatly appreciate your support, Thank you. From the S.E.Q.R.R.A. Board and Members.

THANK YOU TO MR McBREEN - Who has kindly donated a Perpetual Trophy for the end of year, it is Magnificent, wait until everyone gets to see it, you will be just as pleased as I was. It is with deep appreciation we thank you.
