Jason Mendez from Mt Isa now living at Murgon and is currently sitting in second position for the Saddle Ride Title. This photo was taken by Jane Barnett, is a great shot and was taken at Gunalda Rodeo held early in September. The bronc is Cold Tar one of the Rupert Hatherell top bucking string.

Hi! Well what beautiful weather we are having and the rodeos are running very well. The second half of the year is going much smoother than the first half with all the rain that caused so many rodeos to be put off. We are not the only sport to suffer, I have been talking to other sporting bodies and they had the same problems because of the rain.

The finals are starting to take shape with a lot more work to go but we are making progress. As the finals draw nearer we will need support from the members to go to shopping centres etc. for promotion of the finals. These things are time consuming but necessary to ensure Pine Lodge will be filled with spectators come the 17th & 18th November, 1989. So please lend your support when asked.

Thank you to everyone who has offered help as things get very busy prior to the finals. It is very much appreciated, and I will take you up on it if things get out of hand.

Looking forward to some good rodeos over the next month or two. Everyone take care when travelling. All the best.
