## *President's Report*

I wish to thank all members and everyone who helped in making the Charity Rodeo in Toowoomba a financial success. Being a joint effort between the NRA and the APRA which was the first I believe and hopefully not the last. The profit was presented to the relief fund being approximately six and a half thousand dollars. To all concerned a job well done!

You will note in this newsletter there has been a change of address for central entries. Please ensure that you make your envelope out in the illustrated manner. Failure to do so could mean disappointment or a fine or both. Nomination forms are available at Rodeos. Please use these in the correct manner and don't put your entries on the back of cheques, money orders etc. Should you continue to do this your entries will be returned on the day of the rodeo. You have all been given more than enough warnings on late entries and incorrect placing of entries. It is now time to get it right.

Rodeos in May have all been a huge success and I wish to express my personal thanks to committees which affiliated and made it one of our best months yet. Special thanks to Joe Mooney of Gympie in his assistance over their rodeo weekend.

Bill Urquhart, President  
National Rodeo Association

## **RODEO COMMENT**

My Name is Ted Hilton,

I would like to say thank you to Bill Urquhart for asking if I would write a bit on the Rodeos. It is a great privilege and I am honoured.

Dayboro was a well presented rodeo at its best with great bucking horses of Kerry Hall and rank bulls of Johnson Brothers. There are a lot of good cowboys who really try their stock.

I think it is a great thing for every cowboy and cowgirl to be able to ride wherever they choose with any association. This should have been years ago.

The things I think make a good rodeo like Dayboro is the nice weather, the pleasant gate men, down to the nice ladies in the food stalls. In other words, a good committee makes a happy rodeo and a big appreciative crowd.

Competitors should forget their differences and rodeo hard. Any complaints should be dealt with by that director in an appropriate way. Pull together and we will go ahead.

Dayboro Committee should be very happy with the National Rodeo Association as it was very professionally run.

The next day was Widgee Rodeo and it was another great rodeo. I was glad to see an old timer such as Ron Bligh who was a good bronc rider, and also Reg Fox a good supporter of rodeo. Reg couldn't get to Dayboro because of work commitments.

Until next time — A Good Rodeo is a Fast One!

Yours in Rodeo,  
Ted Hilton

# News from the West

## W.C.R.C. COMMITTEE

Front L-R: Terry Davies, Skip Gorman, Jenny Treloar, Brett Edwards, Debbie Edwards, Dianne Lambert.

Back Row L-R: Mint Crothers, Hans Oorschot, N.R.A. President Bill Urquhart, Brian Hamlin, Don Rodgers, Grant Edwards. Not pictured Ian Robertson.

**TERRY DAVIES:** Terry grew up on a cattle station in the North West and has always enjoyed horse related sports. The first rodeo he ran was Busselton Festival Rodeo in 1969. Terry founded W.A. Rodeo Promotions now known as West Coast Rodeo Circuit and is just serving his first year on the committee under the name of W.C.R.C.

**SKIP GORMAN:** Skip is currently overseas so I have been asking his friends for details about him so let's hope we are accurate. Skip is about 46 years old, contests calf roping, team roping and has been involved as near as we can recollect for about 18 years, but it could have been longer. Skip has served on the committee for 4 years. In contrast to his rodeo Skip's day job is as a social worker with the mentally handicapped.

**JENNY TRELOAR:** Originally from New Zealand. Jenny has rodeoed for nine years. Currently holds the titles of All Round Cowgirl, Steer Undecorating and Breakaway Roping. She has served on the committee for 3 years and is a very strong contestant in the girls events and mixed team roping.

**DEBBIE EDWARDS:** Debbie is the daughter of Terry Davies, hence the start of her interest in rodeo. She spent two years as secretary of W.A. Rodeo Promotions before she married husband Grant 15 years ago. Debbie did compete in barrel racing for a few years. This is Debbie's first official year on the committee and she has been the travelling rodeo secretary for the past 2 years. She is also holding down the job of treasurer, which often sees her burning the midnight oil after the rodeo while everyone is enjoying the party.

**BRETT EDWARDS:** President of the W.C.R.C. Brett is one of the most successful contestants ever. He was 1983 Bareback National Champion. He went to the N.F.R. in 1988 and won the average. Brett spent several years competing successfully in Canada and the U.S.A.

**DIANNE LAMBERT:** Dianne is serving her first year on the W.C.R.C. committee. She became involved in rodeo when she first met husband Cody 13 years ago. Dianne competes on her mare Rumble Gold in Barrel Racing and Steer Undecorating.

**MINT CROTHERS:** Mint is serving his fifth year on the committee. Mint owns a string of bucking broncs and competes in Saddle Bronc, Calf Roping and Team Roping.

**HANS OORSCHOT** Hans is a relative newcomer to rodeo. He became involved two years ago when he took his horse Whitey to Cody Lambert for help. Since then Hans has thrown himself into the sport. He replaced another committee member midway through 1989 and was voted back in this year. Hans is the oldest contestant in the Steer Wrestling and the only grandfather to contest this event. Hans also Calf Ropes and Team Ropes.

**DON RODGERS:** Don and family moved west from Victoria about 6 years ago. Don has rodeoed for 20 years and has been on the W.C.R.C. committee for about 3 years. He is a strong contestant in Calf Roping, Steer Wrestling and Team Roping. Don puts in hours of practice at his Lower Chittering property where he is fortunate enough to have his own arena.

**BRIAN HAMLIN:** Brian originally hails from England and has been involved in rodeo for 3 years. He Team Ropes on his buckskin quarter horse Rumble Fonda. Brian has served on the committee since he first became involved.

**GRANT EDWARDS:** Rumour has it "It's illegal to run a rodeo in the west without Grant". He has been involved for 20 years, served on the committee for 13 years. Former rough stock rider Grant now sticks to the three time events. Grant and partners are heavily involved in rodeo production, running Stampede Arena and Brigadoon Bull Riding Spectaculars, stock contracting, time event, stock and broncs.

**IAN ROBERTSON:** Not pictured. Ian is a former W.C.R.C. president now serving as vice president, he did try retiring from the committee but we wouldn't have it. Having rodeoed for 12 years Ian is from Queensland where he was a member of the N.R.A. previously. Competes in Calf Roping and Team Roping.

## W.A. JUNIOR RODEO

22nd April, 1990

W.A.'s first junior rodeo was indeed a great success with a total of 119 competitors. Enthusiasm was not dampened at all despite the rain and gusty conditions. There were 19 entrants in the 12 years and under poddy ride but there were no times, somebody should have had a video camera. Stampede Arena was very muddy and we could have taken 1st prize in Graham Kennedy's home video show.

12 years and under bending race had 18 entrants, the final run off being between Danielle Mateljan and Cindy Parks with Danielle the victor for a purse of \$12. Danielle also had the big barrel racers looking worried when she took out the 12 years and under barrel race. She's a tough little rider and will be one of our top girls in the near future. Second to Danielle was younger brother, Dale, on his pony he broke himself. With third and fourth going to brothers Michael and Nathan Taylor.

Moving into 16 years and under we see some girls who are already seasoned veterans on the rodeo circuit. As was the case in breakaway roping. There were 6 entrants, 1st going to Megan Foley, 2nd Jessica Withnell and 3rd Raylene Wright. None of these three are strangers to the arena. In the bending race 1st was Joanne Sharpe and 2nd was Lynette Sanders, two new faces while two old hands took out 3rd and 4th, Sylvia Taylor and Megan Foley. The junior steer ride had 4 entrants with Jamie Reynolds being the time to take the total purse of \$30. Meanwhile there were 14 entrants in the 16 and under barrel race. 1st Peta Markham with 17.19, 2nd Pippit Withnell with 17.43, 3rd Jodie Gallagher with 18.25 and 4th Sandra Pollitt with 18.27. I guess if you are under 16 you are under 18 too and most of the girls entered both sections of barrel racing and improved their times dramatically into the bargain. 1st again was Peta Markham with 16.95, 2nd Sandra Pollitt with 17.25, 3rd Lisa Smith with 17.86 and 4th Jodie Gallagher with 18.04. Chute dogging for 18 years and under was another event where we really needed a video camera. It was a case of another one bites the mud. The Reynolds brothers took nearly all the money home 1st Jamie in 1.36, 2nd Brett in 2.29, 3rd Kevin Jnr. in 2.66, with Steve Chasty getting 4th in 3.65. I hear Val Reynolds (their mum) had a busy wash day the next day. Bareback had 4 entrants, Steve Chasty was 1st with 53 points and Brett Reynolds was 2nd with 46 points. Likewise Saddlebronc had 4 entrants. Jason Atkinson being the only one to qualify with 50 points. There was also 4 entrants in the calf roping but no times.

Junior rodeo is definitely needed in the west where we have so much enthusiastic young talent with nowhere to go. Lucille Adkins used to run Little Britches Rodeo several years ago which folded when Lucille returned to the U.S.A. So let's work at keeping this one going. These kids are rodeos future.

**Extract of Minutes of  
West Coast Rodeo  
Circuit Meeting 7/5/1990**

1 The following is to be put on the agenda for the AGM. "The request for novice trophies or buckles to be presented to female winners at the presentation night.

This has come about due to the introduction of the novice system in WA. Jenny Treloar informed the committee that she would be sponsoring the All Round Novice Cowgirl Buckle for this rodeo year. Thanks Jenny!

2 A meeting of the current NRA judges is to be held on the 18th May 1990 to set up a judges panel in WA and organize a judges seminar and rodeo school.

3 The following is a NRA report prepared by Brian Hamlin in regard to the transportation of WA members to the NRA Finals.

**BUS CHARTER** — 46 seater would cost \$14,400 to hire which works out at \$313 per head. Travelling time would take 4 days, 3 nights, 1 way.

**AIR FARE** — Group Booking 15 people in a group booking get 15% off which works out to \$1,010 per head.

**ADVANCED AIR FARE** — Seats must be booked 30 days in advance, penalties for cancellations. Payment of \$772 must be paid 14 days before departure. You must stay for one week.

**CHILD'S AIR FARE** — \$594, if 10 children's air fares booked, 1 adult fare is reduced from \$772 to \$594. The WCRC Committee is requesting feedback from its members in regard to the above.

4 A motion was put forward by Grant Edwards, seconded by Brian Hamlin that the circuit lend the remaining money outstanding to the female members of the circuit to obtain their electronic timer. All in favour.

**GALLANT  
SPECK**

*Right: One-year-old Astin Cannard tunes up Warty for Uncle Mint*

Gallant Speck is a pure bred quarter horse gelding, better known by the most ungallant name of Warty. A name which stuck due to the warts that once covered his nose. Warty is currently the title holder for hi-point calf roping horse and hi-point heeling horse for which he sports a brand new breast plate and bridle. Bob Newman of Dakota Stud bred Warty from his extra Cowy Stud, Speck Deck Leo. Steve Felton bought Warty from Bob as a green colt, then proceeded to put a couple of years training in on him to make him the performance horse he is today. Steve's wife, Julie also put a lot of hours in on Warty, training him for a barrel racing horse. For the last four years, Warty has belonged to horse and saddle bronc rider extraordinaire, Mint Crothers. Mint who is twenty-six years old has rodeoed for thirteen years. Six years ago, he started to buy a few bucking horses to practice on and now owns a herd of twenty-three. He's been professionally contracting for three years. Although each and every one of those bucking broncs is very dear to Mint's heart his number one caballo will always be Warty. At eight years of age, Warty is just reaching his peak. He has a lot of calves to rope and barrels to chase before he's through. There is the off chance that Mint may throw a flank on him one day, but one thing's for sure Warty will never be for sale.

**BRIGADOON  
BULLRIDING  
SPECTACULAR**

21st April 1990

In the first round of bull riding Glen Chasty made a 74 point ride on Paleface for 1st place and \$159.36. Terry Johnson split 2nd and 3rd with Greg Horsham with 69 points each and Steve Chasty was right behind them on Wannabill with 68 points. Steve Chasty scored a 75 points on Cold Shot to take out the final and a total purse of \$265.60. Saddle Bronc was split between Norm Pascoe and Richard Climas with Wayne Cannard 3rd and Mint Crothers 4th.

Grant Edwards won the Steer Wrestling in 4.94 with Stan Baker 2nd and Steer Wrestling grandfather Hans Oorshot 3rd.

In the Barrel Race two regulars were 1st and 2nd in the form of Crystal Pascoe with 14.70 and Jenny Treloar with 14.72. Breathing right down their necks for 3rd place was Jeannine Heague with 14.88. Jeannie has been having a bad run with her mare so it's good to see she's broke that hex. Lisa Smith was 4th, her first trip to the pay window in Barrel Racing. Well done Lisa! I'm sure you'll make it many more times.

As usual everybody danced the night away except the rodeo producers who had the tedious task of pulling down the arena etc. Never mind, a good night was enjoyed by all.

# MINGELA RODEO

The first weekend in May is always the Mingela Rodeo and the crowd in that area gathers with their tents and campers to settle in for the weekend. The grounds turn into a small town for three days and nobody gets much sleep, but everybody has a hell of a time and most come back again next year.

The rodeo itself was supplied with some top bucking stock and spectators would have been given their moneys worth of thrills and spills. "Perfume" the feature bull was again unriden. The prize money on Perfume in 1990 was \$2,500, a nice tidy sum for the cowboy who can cover the eight seconds on top of that big mean piece of bull.

The Steer Wrestling steers were for no one who was weak of heart. The boys still got out and did some pretty good times, and some of those good old boys were just pushed right across the arena.

Victor Vickers won the Rope & Tie with a slick time of 9.65 with

Mick Duffy hot on his heels with a 10.2 second run. Mick had a good weekend and came home with around seventeen hundred.

Troy Dunn was another cowboy to gather a good total prize money. Troy walked away with approximately three thousand. He took out the Bull Ride, second in the Bareback and second in the Steer Wrestling.

Rick Seeds, currently leading the All Round standings, picked up two thousand dollars in his three places. A win in the saddle ride, fourth in the bulls and fourth in the Bareback.

I'm sure the rodeo was successful for the committee and I wish them all the luck for the future. I would like to thank all the people who helped in the running of the rodeo. I appreciated their effort.

Thank you to Graham and Elaine Smith, Dawn Ramsay and everyone else who looked after me when I was up there.

Cathy Laurence

## CONGRATULATIONS

## WIDGEE RODEO

After a great day at Dayboro Rodeo, most of our members travelled to Widgee, for an equally magnificent day. Overall Widgee was a smooth running Rodeo which, as usual, we all enjoyed.

One of the highlights of the day was Jason Mendez's ride on "Honky Tonk" in the second round of the Broncs. Both Jason and Honky put on their best performances. Unfortunately for Jason, Honky won the battle. It was the most exciting 7.5 seconds of bronc riding we've seen for a while. The Bronc Ride was won by Ronald Beezley.

In the girls events, Jo Bate ended up in first place for the Barrel Race. Good to see Jo and Lisa Jeffries back to the N.R.A. circuit after their successful run down south with the W.P.R.A.

Laurie Howard's bulls put on a great performance. Kevin Kasper put up a terrific ride to take home the money. Maurice Morton also pleased the crowd during the bull ride with a new set of jokes. I believe Laurie and Nancy Howard had given him a helping hand. Paul Barron found himself as the punch line for most of these jokes. Mort seems to like living dangerously.

The Bareback was won by Dean Barron and John Ariens won the Roping. Don Butterfield added to his allround points by winning the Steer Wrestling and Rob Kennedy won the Bullock Ride. In the Team Roping, John Brokenbrough and Pat O'Halloran put on a fast run to win.

Dean Black and Rhet Thomson split first place in the Poddy Ride. In the Steer Undecorating and Breakaway Roping the money was won by Roxanne Beezley & Debbie Armitage respectively.

Special thanks must go to the Widgee Rodeo Committee for a great day. The N.R.A. is sure you'll be happy with the crowd, and the crowd was happy with the Rodeo. We all look forward to travelling to Widgee next year.

## Rodeo Queen Report

### HELLO FRIENDS IN RODEO,

Here we are again dressed in gum boots and dry as a bone. I'd like to offer a warm welcome to our Western Australian Members. I recently spoke to the Western Australia Rodeo Queen, Crystal Pascoe and we discussed the Queen Quest in W.A. and we hope to promote that a lot more in the twelve months ahead.

We have formed a Rodeo Queen Committee which consist of myself, Gail Bernardin, Ruth Berg, Vicki Gough, Ty Grainger, Mrs Butterfield, Margie Benedict and a little help and guidance from Cathy Laurence. Our goal is to raise money for the Queensland Cancer Fund through jackpots and other fund raising activities. Our committee meets once a month at the Exchange Hotel, Laidley. Proprietor of the Hotel, Faye Nayler is right behind us in her support of the Queen Quest. At the last meeting a new set of rules were drawn up for the Queen Contest. These rules will be posted at the secretary's office at every rodeo with a Rodeo Queen Quest, as well as in this news sheet, all contestants in the Rodeo Queen Quest, please be aware that it is your responsibility to know these rules.

It was good to see a good turn out at Dayboro Rodeo for it's first run with the N.R.A., the entries were very high and the performance outstanding. I carried the Australian flag in the Grand Entry with Gail Bernard the Queensland flag who is this year's runner up N.R.A. Rodeo Queen and is also the Charity Queen this year. I would like to thank everyone who competed in the Grand Entry. The next day we arrived at Widgee Rodeo, I would like to commend the committee on the hard work they put in to maintain the excellent arena conditions. We had another good Grand Entry which was well received by the spectators. The entries were very good this year with the stock in good condition. Unfortunately there was only one extrant in the Rodeo Queen Quest which was my sister Shellie Eisentrager who did a fantastic job selling tickets for the Widgee Rodeo Committee on the day. Congratulations Shellie! It would be nice to see a few more girls compete in the Rodeo Queen Contest as the committees put a lot of effort and support behind the Quest.

### Rules for the Rodeo and Charity Queen Quest

- 1 Competitors aged 17 years and over.
- 2 A one horse, one rider event with three judges, judging dress, personality, grooming and horsemanship.
- 3 DRESS: Gloves riding only; Hat western felt or straw good quality; Belt western with buckle stamped, carved or buck stitch; Suit yoke western jacket or vest. Slacks must have belt loops and may have design on back and legs. Jacket may be yoked back or back and front and must be long sleeved with a blouse under.
- 4 BOOTS: Western top boots; Neck Tie and spurs optional.
- 5 The only time the dress rule may be lapsed is in the event of someone competing for the first time or a local competitor.

TOTAL OF 10 POINTS FOR:

**GROOMING** Presentation of horse, western saddlery may be carved or plain; western saddle blanket; western breast plate; western bridle and bit tie-downs may be used but do not obtain additional points.

#### HORSEWOMANSHIP: TOTAL OF 10 POINTS

The judge may choose his own pattern and then judge by the following method.

An experienced horseperson should be picked to judge this section and it must be remembered that it is actually the rider and not the horse to be judged. If the rider cannot put the horse through the required paces, then points are lost. All changes should be flying and done smoothly.

Horse should be worked on a light rein. Halts are not to be sliding as in a reining event, but smooth, and the horse should not break into a trot. Seat and hands of rider are very important. The position of the riders hands should not change on the reins during the entire workout. Reins should be held while the other hand holds the loose part of the reins.

JUDGES are requested to judge by subtracting points for faults, commencing with thirty 30 points.

TOTAL 30 POINTS

TOTAL JUDGING POINTS 50

Competitors don't need to be a member of the Association to compete in a single competition, but must be a member of the National Rodeo Association to compete in the end of the year competition.

We made the long drive to Mundubbera Rodeo on Saturday morning 12th May which was a minimum point rodeo, the entries were down due to a clash with Ipswich Rodeo which was on Saturday night. We made the trip with plenty of time to spare as the Barrel Race wasn't on until 10 o'clock that night. Being a show rodeo there were many enthusiastic spectators who were kept entertained with some top rides.

We left a week early for Gympie to compete in the show which was followed by the rodeo. I would like to thank Margie Benedict and Mrs Bishop for judging the Rodeo Queen Quest. The two girls who participated in the Queen Quest were turned our immaculate and did a very good job. The eventual winner was Robyn Donohue from Cudgen N.S.W., with Gail Bernardin as runner-up. Congratulations girls! Thank you to the Rodeo Committee for their support in the Quest. The entries were unbelievable high with approximately forty bullriders and thirty barrel racers. We all send our best wished for a speedy recovery to Carole Brown who had a fall in the steer undecorating.

By the way there was a very interesting article in the April Issue of G.H. Magazine on 'Women in Rodeo', featuring Vicky and Tanya Schiller called "Stand by Your Horse". It's worth a read!

Yours in Rodeo  
Till next Month
