Secretary's Report

Not long to go to the Finals at Pine Lodge and we are all busy, as it always is at this time of year. Promotions are a big part of running successful finals and we will need help, so if anyone can come along to shopping centres etc and help with promotions it would be appreciated.

If you have any ideas to promote the finals please give me a ring, also I think it would be a great idea to take some of our competitors to the Childrens Hospital in Brisbane, so if anyone would like to help organise that please come forward. We took junior members to the Ipswich Hospital prior to Ipswich Rodeo and the children were pleased to see the cowboys and cowgirls. We took along a drawing book which was drawn up by Kash Thomson to give the children as well as balloons and colour pencils.

The drawing book was all on rodeo and was a great idea of Kash's. Kash by the way is our Poddy Ride Champion (Rhett Thomson) big brother. A special thank you to everyone who came along to the Hospital or helped in anyway.

I would like to wish all the competitors going for a title all the best going into the finals. Its a pity we can't all win but at the end there is always a winner and someone who comes in second, thats the way sport is. So the very best to each and all.

Because of the amount of news in the Sports News the last few months we can't put in many photos. I know everyone loves the photos and I will get more early in 1991 when the results all are not so big.

Ladies we would like to have more entrants in the Rodeo and Charity Queen Contest. If you are interested please come forward to talk to Wendy or myself. We will be only too happy to discuss the quest with you. Until next month take care.

President's Report :

I read with interest in the editorial in September APRA newsletter, stating their ultimate aim is to have one organised body for rodeo. I feel I should comment, without trying to cause friction, it was mooted by the N.R.A. that all rodeo associations form a council of rodeo to govern the sport in this country.

The A.B.C.R.A. and the N.R.A. being in favour were told by the writer of the A.P.R.A. editorial that the A.P.R.A. do not want to be involved in this joint venture suggesting that they wish to empire build in their own right thereby forming a monopoly.

I have found with experience that monopoly in any form are of no service to any community. However competition between associations forces positive thinking people to be competitive and not adopt dictatorial policies.

In conclusion the N.R.A. door is still and has always been open for further discussion and submissions regarding the council of rodeo.

N.R.A. members that qualify for the finals ensure you enter early and vote for the judge of your choice.

Buckles for the aggregate at the finals have been purchased and will be presented at the conclusion of each event.

We are looking forward to the arrival of our West Coast Circuit members for the 1990 finals and trust they will sample some real Qld. hospitality.

Congratulations to all that took part in the City of Ipswich rodeo procession. It was a pleasant sight to see so many participate, which was much appreciated by the organising committee.

A renewed policing of dress standard will apply from now. To avoid getting caught, at all times when in the arena, behind the chutes, or in the view of the public when assisting, please ensure you are dressed in complete western wear.

We ask all members to support Caboolture Apex Rodeo, this being the first time they have affiliated with the N.R.A. and I wish them every success.

Rodeo Queen Report

Hello friends in rodeo,

What a busy month it has been. We headed for Rockhampton, a week early, for promotions. I had an interview with the "Morning Bulletin" in which they took photographs. I also had a radio and television interview, on the Thursday night. Cathy Laurence, Louise Kimber and I went to the "Shopping Fair" and the "K-Mart Plaza" and handed out pamphlets and newsletters. On the Friday morning, we had breakfast in the Mall, downtown, where Cathy and I also judged the "Best Dressed Shop Window" Congratulations!! to Vicki and the staff of Vic Jensions, in the Shopping Fair, for being the winners. Their display was excellent. Saturday saw the start of the rodeo, with the Street Parade. I would like to thank everyone who went in it. I organised the Grand Entries, both days and would like to thank everyone who went in them. I would also like to thank the Committee for looking after us so well.

The following week, it was back to Imbil Rodeo. It was a great crowd! They also run their Annual Show with the rodeo. We had a Rodeo Queen Quest, which was won by Robyn Donahue. Congratulations Robyn!

Laidley was the following week. The Rodeo Queen was won by Kay Prefette of Laidley. The Rodeo Princess was won by Donna Butterfield and the Tiny Tot Princes was a tie between Jaye O'Keefe and Laurene Watterson. Congratulations girls!! I would also like to thank major sponsor of that rodeo, Faye Naylor, for lending her time to judge that event. Thanks Faye.

We also had a great Grand Entry, with Dyna Rae Hutchinson singing the National Anthem and the Laidley Rodeo Song, which Faye wrote. It was great! Thanks Faye and Dyna.

The next day was Gualda Rodeo. It was another rodeo with a great crowd and beautiful day, which the spectators enjoyed. It was good to see so many girls in the Rodeo Queen Quest. The winner was Robyn Donahue from Banora Point, N.S.W. I would like to thank everyone who went in the Grand Entry. I would also like to thank Margie Benadick, for organising the Rodeo Queen Quest.

Kenilworth was the next week. They also had plenty of action, with the Show, Campdraft and Rodeo. On all at once, it was a good day.

The next day saw our Rodeo at Kilcoy. With beautiful weather, everyone who was there, enjoyed themselves. I would like to thank everyone who competed in the Grand Entry.

Until next month,
Yours in Rodeo,
WENDY EISENTRAGER,
NRA Rodeo Queen

Profile

Steve Chaisty

I talked with bullriding sensation Steve Chaisty right after he completed his 79 point ride on Yeeda. It was impossible not to pick up some of his natural high. Steve said he couldn't decide which was the biggest thrill of his life, riding "Freckles Brown" the previous month or the ride he had just made on Yeeda.

One thing is for certain this boy of nineteen is going to chalk up many more such thrills in his bull riding career. Just at the start of it all right now, bull riding is what Steve does best and he intends to go East and have a go on the pro circuit, hoping eventually to make it to the United States.

I asked Steve how he started in Rodeo. Hailing from the suburb of Wanneroo where he met Shad Adkins. Shad introduced Steve to cowboy maker George Baker and it all went from there. "For three years George put me on steers and young bulls every weekend". "I owe it all to George, no one else would put the time in on the young blokes that George would".

Well Steve we all have faith that you'll go a long way with your bull riding career. Good luck down the road.

APRA EDITORIAL

The Northam and Perth rodeos in West Australia to be held in September and October have, despite adverse conditions over there, affiliated with the A.P.R.A. and would appreciate the support of the Victoria and South Australian cowboys and girls particularly as it appears the West Coast Circuit have gone out of their way to make things difficult for them I know its a long way to go but anything our members can do to assist in making these rodeos a success would be greatly appreciated.

Dear A.P.R.A. Committee,

It is with regret that the W.C.R.C. finds it necessary to write to you regarding your recent editorial in the A.P.R.A. August newsheet.

We would like it known that our committee has done nothing whatsoever to make things difficult for Northam Rodeo Committee other than offer them our assistance, which they have had in previous years, in running their 1990 rodeo.

However for reasons known only to themselves they have rejected all offers of help from our committee. Please realise that in printing articles such as yours, this only makes our members in W.A. realise that the A.P.R.A. is indeed out of touch with rodeos here in the west and the only result gained from your editorial is that the door has been slammed on any further negotiations.

We trust you will print this as we feel your previous editorial should not go unanswered as it is extremely far from the truth.

Junior Rodeo 12 August 1990

W.A.'s second junior rodeo was held once again at Stampede Arena, Bullsbrook on the 12 August 1990. There was a total of 101 entries which certainly shows that the junior rodeos will be playing a big part in the rodeo world in W.A.

Dale Matjelan was the cowboy of the day, he won the barrel race in the 12 year and under section, also he won the bending race in this section and then competed in the big time placing second in the 16 years and under barrel race. Dale received a lovely trophy for winning the barrel race which was kindly donated by the Porter Family. Also for taking out the high point rider in the 12 years and under section Dale won a bridle hand made by Mr John McVee.

The other star in the 12 year and under age group was little Matt Pascoe who with a 58 point score took out the poddy ride. There were 17 competitors in the poddy ride, but Matt was the only competitor to make the 6 seconds. Quite an effort from such a little fellow of 6 years old.

In the 16 years and under section Peta Markham continued on her winning way taking out the barrel race and placing second in the bending race. Pippit Withnell was another champ winning the keyhole race and the breakaway roping. Watching these young competitors compete you realise what a great start they are getting in the rodeo world by competing at these junior rodeos.

Newcomer Joanne Sharpe showed that she will be a competitor not to overlook in the future. Joanne placed third in the barrel race and won the bending race.

In the 18 years and under section Steve Chaisty took out the bull ride with a score of 67 points. Steve is currently leading the Brigadoon bull riding standings also the West Coast Circuit National bull ride standings. What a great effort from such a young competitor.

Many thanks once again must go to Grant Edwards of Stampede Arena who donated the Arena and all stock for our junior rodeo, it is greatly appreciated.

Norm Bushell also needs thanking for turning the Arena out in such good order due to the large amount of rain we have had of late. Details will follow shortly on our next junior rodeo.

BRIGADOON BULL RIDE FINALS

The Brigadoon Bull Riding series was held this year over a period of six months commencing in March and the finals being held in August, and what a finals it was! with two go-rounds being held in the bull ride and the barrel race.

Each of the five events which include not only the bull ride and barrel race, but also the saddle bronc, bareback and steer wrestling, all titles up for grabs.

The bareback saw a hotly contested finals between Brett Edwards and Shad Adkins. Shad drew one of the star broncs in "Boomer" and what a ride he produced. Shad scored 69 points from a ride that many a spectator will remember. With Brett coming in third with 61 points after spurring "Joker" to the whistle.

The bareback title in the end was won both by Shad and Brett, which rather ironically happened last year when Brett tied with Clint Smith.

The saddle bronc ride saw last years champ, Norm Pascoe take out the title again this year by doing it the hard way. Norm's first horse didn't even want to leave the chutes, Norm put up quite a ride on his second mount "Miss Many Peakes" to take out first place on the night as well as over the series. "Miss Many Peakes" also placed Richard Climas second on the night to prove what a great buckler she is.

The Steerwrestling saw the pressure placed on three competitors in Grant Edwards, and brothers Harry and Lindsay George who all went into the finals with enough points to take out the title.

Cody Lambert upset the night by taking first place on the night, with Harry taking second position followed by Grant and Lindsay.

When the final points were tallied, Grant won the title from Harry with Lindsay coming

in third. Congratulations to Grant who has been one of the most successful and consistent riders in W.A. rodeo over the past twenty years.

In the barrel racing event hats must be raised to each and every finalist for getting herself to the finals as the competition this year was of exceptional high standards with up to 30 barrel racers competing at any one bull ride.

One of the finalists was young Peta Markham, who at 14 years of age did a tremendous job of taking out second in the average.

Jenny Treloar showed us all what a truly great competitor she is after knocking a drum and not placing in the first go-round to come out and win the second go-round and taking out the barrel racing title.

The electronic timer which was recently purchased from Qld was used for the first time at the finals and certainly impressed all concerned.

The Bull Riding event was marred by the injuries sustained by Gary Bishop, who was the second bull rider out on the night. Because of the extent of his injuries, Gary had to have a kidney removed and on behalf of the rodeo world we all wish him a speedy recovery.

The committee of the West Coast Circuit has decided that the 6th October rodeo will be run to benefit Gary.

Steven Chasty was the star of the night taking out the bull riding series, ending the night with a great ride on "Yeeda" the man eater, scoring 79 points, the highest score of the night.

Terry Johnson also covered "Yeeda" in the first go-round to score 75 points. George Baker everyone's friend put up a hell of a ride on the old fellow "Casper".

Congratulations Steven, on a great series, and I know a lot more success lies down the road.

-----------------	-----

Norm Pascoe has accepted a position on the W.C.C. Committee. The meeting nights have been changed to the first Thursday of the month at the same venue.

Dianne Lambert reported to the committee on the letter she has written to the N.R.A. in Qld regarding our submission for the introduction of male hazers to be tabled at the A.G.M. of the N.R.A.

In regard to the National Finals in Qld it was decided that because competitors would be arriving and departing in Qld at different times it would be best if they make their own travel arrangements. The money allocated to them from the W.C.C. would be divided equally between these competitors.

The cut off date for the 1990 W.C.C. National Standings will be the 7th October, 1990.

A letter was received from the E.F.A. regarding a Country & Western night at Brigadoon on the 13th October. A mechanical bucking bull competition is to be held and our riders are asked to compete. Debbie Edwards is to inform rough stock riders when they nominate for the 6th October Rodeo.

Dianne Lambert is to look into the cost of a Tiara for our Rodeo Queen.

A judges seminar and discussion night is to be held at Stampede Arena on the 14th September, commencing at 7.30pm.

The West Coast Rodeo Circuit would like to thank the following sponsors for our trophy presentation and awards night to be held in January 1991.

JOHN McVEE : A trophy halter for the Hi Point Saddle Bronc Rider for the 1990 season.

GRANT EDWARDS : Male Novice of the year.

JENNY TRELOAR : Female Novice of year.

HANS & SYLVIE OORSCHOT : Open Steer Wrestling Title

K.D.'s SADDLERY PINJARRA : 16 years and under Barrel Racing champion.

Any member who can obtain a trophy sponsor please contact a W.C.C. Committee member.

INSURANCE

The N.R.A. has Public Liability and Voluntary Workers Insurance available for Committees. Any kind of Insurance can be arranged for One Day or Twelve Months.

There is also Insurance available for the Competitors or Any Person wishing to insure themselves. This insurance will cover Rodeo Riders Competing, Practising and Travelling.

Extract of West Coast Circuit Meeting 6th August 1990

Grant Edwards is to approach Trevor Martin in regard to replacing Terry Davies on the committee.

Moved by Debbie Edwards and seconded by Brien Hamlin that the West Coast Circuit call for tenders for the making of an "All Round Trophy Saddle" for the male competitors for the year ending the 1991 season. This has come about due to our association with the N.R.A. placing the W.C.C. and its members in a favourable financial position. All in favour.

The following saddle makers from W.A. will be approached: Len Pollian, Harold Pitchers, John McVee and Frank Oorschot. An advertisement will also be placed in the N.R.A. News Sheet calling for tenders.

The committee was advised by Don Rodgers that a friend of his is willing to take pictures at our rodeos for the news sheet. The editorial officer is to be advised to seek out his photos when she needs them. These photos will also be for sale. Members please remember to give Marianne Cannard any interesting news for our news sheet.

Dianne Lambert advised the circuit of the outcome of the girls meeting held after the Steer Undecorating School. A submission from the W.C.C. to the N.R.A. in Qld is to be sent to be placed on the agenda of the A.G.M. in regard to the introduction of male hazers in the steer undecorating. Debbie Edwards is to contact Bill Urquhart if it is at all possible that male hazers can be introduced as a temporary measure until the A.G.M.

TENDER

The West Coast Rodeo Circuit is calling for TENDERS for the MAKING of an "ALL ROUND TROPHY SADDLE" for the 1991 Rodeo Season.
