# Executive Director of Livestock Management Report

As we are now approaching the busiest time of our Rodeo season, (with September, October and November completely booked for Rodeos). It is pleasing to see increased numbers of competitors in all events and new applications for inclusion as Stock Contractors being received regularly. This increased interest by people in the industry means we, at the management level of this association must be doing something right.

The attitude of the members regarding the treatment of all Rodeo animals has been very gratifying this year and has caused me little concern, making my job in this area very easy. This has enabled me

to concentrate my efforts on other areas. It shows that decisions about rule changes made by us, with the support of the members at the A.G.M. proved to be the right ones.

On a different subject, some members will be concerned that the changes at the finals from a 3 day/3 round to a 1 day/2 round format might be a backward step, but I can assure them the decision to change was not made in haste. We believe that in view of the monetary losses incurred at previous finals, some type of change had to be made.

After lengthy discussions, the concept of a 1 day/2 round finals proved to be the most logical one. This will not detract from the spectacle of the finals, as it will be a very full day and night of rodeo and entertainment.

I look forward to your continued support and input, remember, it is your Association.

Sincerely,  
**TERRY McHUGH**

## Secretary's Report

This year is certainly going by with only two quiet months being July & August with September, October and November making up for it.

Unfortunately this month Laidley Rodeo on the 6th August has been cancelled due to drought etc. Bundaberg Rodeo on 20th August has been postponed, we do not have a further date yet. Making our only rodeo in August St Vincents in Toowoomba, a Bull and Bronc Spectacular.

If you have any gossip etc to publish in the Newsletter, please forward on as it is hard to improve our Newsletter when I don't have any extra to publish. Along with any photos forward them to Head Office. Once they are published, you will then receive your photos back.

Reminder for competitors under 18 years of age. As of the 10th September, 1994, being Currumbin Rodeo, you must wear a skull cap when you are competing in the arena. The Cap has to be checked by the Directors to make sure it has the right protection. This check only has to be done the once, not each time you compete in the arena.

This year we have an average of sixty rodeos run with the N.R.A. This does not include Western Australia Rodeos. It is good to see the sport of Rodeo growing more and more each year, with the number of Rodeos and competitors along with the support from contractors. If we all keep up the good work, we certainly will not be going backwards.

Ladies wishing to compete in the Grafton Rodeo. We have a fantastic prize of 2 nights accommodation for 2 at the Ocean Blue Resort in Surfers Paradise plus \$100 spending money and a sash. I will require at least eight girls and you cannot nominate on the night as there will be promotions up to the rodeo and the Grafton Rodeo Committee, will require your photo by the 22nd August, 1994. Please do not hesitate to give me a call between 9am-3pm Monday-Friday on (074) 958 668 and I will be happy to help. On behalf of the N.R.A. Board of Directors, I would like to thank Archie McPherson for organising this fantastic prize for the entrants.

Safe Travelling Yours in Rodeo!!
