## Director's Report

1994 has passed us by very quickly with our Finals and Christmas is just only a matter of weeks away.

Rodeos throughout Australia have done remarkably well in '94 considering the crippling drought conditions we are all experiencing. This has put a tremendous amount of pressure on both Committee and Stock Contractors alike but in a true grit nature of our sport, most have survived and done reasonably well. As we progress towards the future we all have

to take note on how fast the world is changing. We as Competitors, Directors and Rodeo Committee members have all to accept this change and go with it as a team.

Basically if we break team into four letters it spells out a very important message in the future of our personal and Rodeo Life.

Food for thought. Next time you want to cuss out a Board Member or Committee man just think about Tomorrow not just Today.

## Rodeo Queen Report

This year has been a very successful one for rodeos and we hope to receive the same support from all of our members for 1995 Rodeo Season.

As you are all aware there are some titles that are already won before entering into the finals but there are certainly a few that are not won until the last round making the finals interesting, to watch who can handle pressure or not. Good Luck to those chasing a title and congratulations to the ones who have won.

I would like to ask any lady who is interested in being a part of the Grand Entry time at the Finals to let me know. I am wanting to organise something different and interesting, after all it is our finals and we want them to be something we will never forget.

Each Grand Entry will have half of the competitors competing at the finals including rough stock cowboys with their chaps on, standing in the middle of the Arena. If you know of a Grand Entry format or have an idea, call me on (074) 95 8668 or see me at the next Rodeo and I will be more than happy to discuss it.

Normally my reign of Rodeo Queen would finish at the finals but, lucky for me, I will be Queen until April 1995 when the Judging will be in conjunction with the N.R.C.A. At present I have three potential N.R.A. Queen Entrants and hope to receive more as, after all, this is the way you can do something for your Association. During my reign I have enjoyed working with competitors in Grand Entries and would sincerely like to thank those who have repeatedly competed in the Grand Entry every weekend. Mostly to Kerry Donald who has supported the Grand Entry from the very first maximum point Rodeo for 1994 and every single maximum point rodeo thereafter.

I would like to congratulate Joanne Billenburg and Mick Johnson on their engagement and believe when I heard the news I nearly had a heart ache as I never thought Mick would settle down this soon. As we all know, the credit goes to Joanne for putting up with.....!

Also, Congratulations to Paul Range for winning a Silver Medal in the Netball Team at the World Masters Games. What Paul didn't realize is that he has now shown his age, and when the gray hairs stand out it means Paul's retirement is just around the corner, then maybe we will have your screens fitted.

My last Contratulations go to Yvette and Jason ATKINS on their wedding on 22nd October, 1994, same day as Jimboomba Rodeo. The last I heard, Jason had gone on a honeymoon while Yvette was back at work the next working day. Best of luck in the future together.

As you all know, after the A.G.M. I will no longer be N.R.A. Secretary. Now there is one thing I want to make perfectly clear to everyone asking questions, I am not leaving on a bad note or that I don't enjoy the job, it is simply because we have our own business which is booming and instead of putting on more workers, I wanted to get more involved with the business personally. So if you are after quotes on Security, Screens or Blinds, we can do a cowboy special for you. Just phone us on (07) 8831333. (Good Sales Pitch!!!). Anyway anyone looking at the position, I would like to inform you that my time being Secretary has been very enjoyable and if I had any trouble the Executive Directors, especially Bob and Bill, supported me 110%. They would always state if I had a query or problem don't handle it myself, pass it on to them

and they will fix it for me. If I did not have our own business I would certainly not give you the opportunity to fill this position as this has been the most enjoyable work as I love animals and would show to my best ability that Rodeos are the number one Sport. Hopefully I have answered all your questions in this regard.

Next year I will be concentrating on competing in the Breakaway Roping and maybe in the future I will compete again for N.R.A. Rodeo Queen, as I have found being a part of Rodeos is so enjoyable and important for Rodeos than just being a competitor, and by then I hope to have won a Title.

If you are interested in competing for the N.R.A. Rodeo Queen or would like to talk about how to go about it, do not hesitate to talk to me, as you are not saying yes! you are only enquiring.

I shall finish my report with a note for you all.

**FACT:** When a goose gets sick or wounded, two geese drop out of formation and follow him/her down to help and protect. They stay until the goose either is able to fly again or dies. Then they launch out and join another formation or catch up with their flock.

**LESSON:** If we have as much sense as the geese, we'll stand by each other like that.

Best of luck to all

## Rodeo honours to Rosewood

16 — Moreton Shire News, September, 1994

ROSEWOOD area contestants took out honours early in September at the National Rodeo Association's Mary Valley Show event.

More than 220 entrants competed from all over Australia.

Local first placegetters were Chris Meyer in the saddle ride, Kevin Kasper in the steer wrestling, Michael and Wayne McPhee in the team roping, and Luke Gall in the junior breakaway roping.

Dene Barram, current team roping champion, took out third place in the bareback ride, as did Kevin Kasper in the rope and tie. Joanne Bate was placed third in the breakaway roping and barrel race.

Other results were: Bill Chapman, 4th in the junior steer ride and junior breakaway roping, and 3rd in the junior bull ride; Luke Gall, 2nd, and Tamara Jakimowicz, 3rd, in the junior barrel race.

- First placegetter Michael McPhee, of Tallegalla ... teaming up with Wayne to win.

- Carving a niche ... Coominya steer roper Murray Whitwell — the inaugural Malaysian Rodeo grand champion.

## Roper wraps up Asian title

COOMINYA steer roper Murray Whitwell has carved himself a place in Malaysian history by being crowned the inaugural Malaysian Rodeo grand champion.

Eastern state cowboy Whitwell and 30 West Australian cowboys were last month invited to compete at Malaysia's inaugural rodeo at Kuala Lumpur.

The Jeebropilly coal miner won the team roping with partner Don Johnson and claimed top-honours in the rope and tie.

"It was a terrific experience," Whitwell said.

"We had a diplomatic lunch with the Prime Minister and a

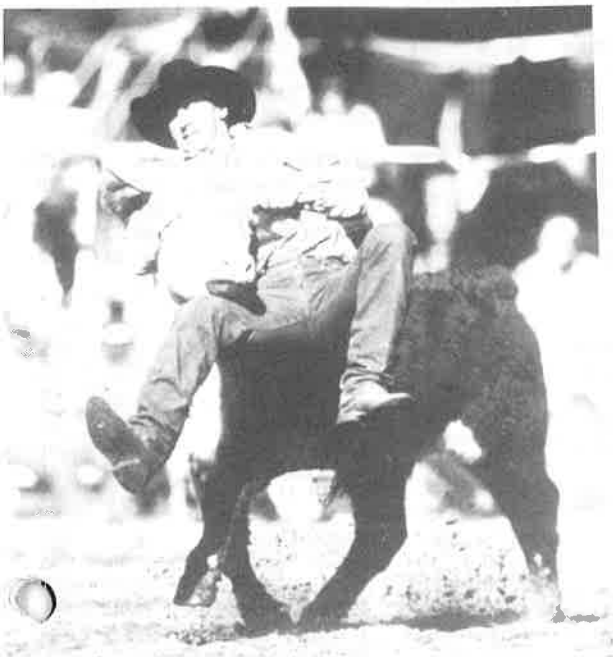

young Malaysian fellow is going to come over here so I can teach him to rope and tie.

"He wants to become the country's first rodeo champion. Rodeoing is a great sport and I really enjoy teaching young people."

Malaysian Prime Minister Mohamad Mahathir presented Whitwell with sashes and a "kris" — a royal platinum knife — after the rodeo.

Whitwell, the 1993 National Rodeo Association (NRA) team roping champion, became involved with rodeos 22 years ago while growing up in New Zealand. He moved to Australia in 1986.
