Director's Report

With the 1994 season concluded it's time to congratulate all champions, novice winners and everyone that competed this season. The years finals format drew a fair amount of criticism from sections of our membership. This I believe was not warranted, and I find most people find it easier to criticise than get behind hard decisions. If more people were prepared to support the dedicated few that hold the future of the National Rodeo Association then maybe radical changes would not have to occur.

I am disappointed that more members have not stood for directors positions. We have a number of holes on the board and if not filled, it will be the first time in 20 years that the National Rodeo Association will have to use directors from other events to fill in. This is not a recipe for success.

We are about to or have lost some top supporters of the National Rodeo Association;

1. Patty Kelly - Secretary. Our secretary has moved into the family business - their gain is our loss. Patty, we will all miss your pleasant smile and happy voice. I wish you all the best for your future and thank you for a job well done.

2. Brad Ison - Marketing Executive. Brad has resigned and will leave a deep void in this position. Few people know how dedicated Brad is to the sport of rodeo and to marketing the National Rodeo Association.

This position on the Board is most important and it takes a special person to perform this task. Brad, I wish you well and thank you for all your assistance.

3. Dene Barram - Bareback Director. Dene has spent 5 years plus on the Board

in his position. At all times he has been a dedicated and tireless worker. He will not only be missed by his event cowboys but by myself and other directors. His boots will be hard to fill.

4. Bub Kennedy - Girls Director. Bub is about to finish his second term as Girls Director. Sandwiched between was a stint as Steer Wrestling Director. His devotion to the sport is illustrated by the miles he has travelled and his willing work as a director.

I would like to take this opportunity to wish all members and friends a merry Christmas and a Happy New Year.

President Bill Urquhart

Secretary's Report

Firstly I would like to thank the Board of Directors for having confidence in my work to the point of employing me as the National Rodeo Association Secretary. I am proud to take the position, and as Secretary I will give the office, the committees and the members my 100% performance. Due to my past experience of working in the office beside Patty, you will be pleased to know I know my way pretty well around the office, although I still need some time with settling in. I would like to say goodbye and good luck to my sister "Patty", from the position of Secretary to her new position. She left some pretty big shoes to fill, and I am sure I won't be able to fill them...but I'm going to try and make some shoes of my own!

I have probably dealt with over 50% of our members and I have to say I have not had any problems with anyone running out of patience and understanding and thank you all for that. Please don't hesitate to ring with any inquiries.

I'd like to welcome the committee of Fig Tree Pocket, who are running on

the 17th December, 1994. I hope the rodeo went well and we hope to see the committee for future rodeos.

Kingaroy wrote a letter of thanks to the National Rodeo Association, and are in the process of planning a future day/night rodeo for 1995. The only bad comment regarding our recent Kingaroy rodeo has come from the South Burnett Show Society and was regarding some people that camped at the show grounds after the rodeo. It would seem that some of these people created a disturbance of some sort. To avoid this sort of action in the future, members are asked to seek permission from the Kingaroy Show Society before camping in the show grounds.

Memberships are due from the 1st to 30th of January, 1995. After this date please note there will be a late fine of \$10.00. Memberships can be sent to National Rodeo Association, Head Office, P.O. Box 1477, Caboolture 4510. Cheques made payable to N.R.A. Or you are welcome to pay in person at the office. Please also remember your Central Entries Bond should also be kept up to date at all times. If mailing Central Entries Bond, please mail it to

Central Entries Office and cheques made payable to N.R.A. Central Entries. This organization will help us all.

I would like to congratulate all the champions from the finals, and all competitors who made the top numbers of the finals. You all made the finals worth while watching, I have heard nothing but good. You and the association do yourselves proud. To all members who didn't qualify for the finals thank you for making it all possible, and let's see you there next year!

On a personal front I would like to congratulate my brother-in-law, Dale Jones for winning the champion bull rider. On behalf of my family and his, well done Dale. We all knew you could do it!!

We are all proud of you.

Merry Christmas to everyone, have a great time, and let's Rodeo into a successful new year !!!

Rodeo Princess's Report

Hi Everyone! Well as you know the 1994 Rodeo Season is just about over and my reign as Princess has come to an end. The competition this year was not held at the finals, but a week later at the Junior Finals.

Being the 1994 Rodeo Princess has been a big experience and a great honour. As well as this I have learnt a lot.

I would like to say good luck to all entrants for the 1995 Rodeo Princess Competition and hope they have as much fun as I did.

I have to say a few thankyou's. To my grandparents for taking "On Show" to the Rodeos, Rebekka for being my strapper and manager, my mother for helping me, to Robert and Nicki and Auntie Bet and Uncle Rupert thanks heaps.

Last of all, I would like to say a big thankyou to the people who offered their mobile phones or help in any way or inquired about me after the spill I took at Nambour. Thanks to Patty for the opportunity to ride in the Grand Entries throughout the year.

Bye for now, See you in 1995
Yvonne Beezley
1994 NRA Rodeo Princess

Publicity Officers Report

The Junior Finals Rodeo held at Caboolture last month was a tremendous success thanks to Doc Cavanagh and family, Darren Milburn, the Caboolture Show Society, and the many other helpers on the day. The stock contractors, Doc, Kerry and Lee once again provided all competitors a chance to give it their best shot.

Congratulations to all riders, both winners and those not so lucky on the day's performance, for such an entertaining and enjoyable rodeo. The quality of professionalism that was displayed on the

day along with a near record amount of nominations in all events certainly shows that the spirit of rodeo is alive in Australia even at Junior level.

There was a raffle of a Pig in a Wheelbarrow being run to raise funds for the kids and it was won by Steve Sutherland, thanks to all those who not only bought tickets but especially to all those who helped sell the tickets.

The Committee would like to wish all Junior members the best of luck for the 1995 season and remember if you have

any complaints, queries etc, don't hesitate to contact your Junior Director who would be only too willing to assist.

Ken Pennell
Publicity Officer Junior Committee

Central Entries Report

The past year doing Central Entries has given me much pleasure. It has been a joy working with Patty in the office. Thank you Patty for all the help you gave me. I am sorry to see you go, but at the same time, I am looking forward to working with Norma. Congratulations Norma, I wish you all the best in your new position.

In the position of Central Entries I have had the pleasure of working with a whole host of people who have made my job an exciting and pleasurable task. To the committees that I work alongside of - thank you. I recognise all the planning and organisation that goes into making your Rodeo a success and look forward to seeing you again in 1995.

My aim in Central Entries is to be fair to everyone. In order for me to achieve this the same rules need to be applied to everyone. Having one rule for one, and one rule for another does not appeal to my sense of fairmindedness. Every decision

made is governed by the rules and guidelines by which I am bound to work. If for some reason a request is denied you can be sure it is also denied to everyone else as per what the rule/policy dictates.

By now, almost everyone would have come to realise the answering machine plays an important part in this job. It is on at all times for your convenience, except when I'm taking entries, to leave cancellations on, or any other questions or messages. Please remember to leave your name and phone number so that I can phone you back if the message is unclear or to answer your questions. By using the answering machine in this way it leaves entry times for entries only, instead of other requests.

Remember it could be you trying to get an entry through next time. If for some reason the answering machine is out of order please keep trying as it is probably only because the tape is full and needs turning over. Queries pertaining to Central

Entries must be made through Central Entries only - not through Head Office. Please help Norma out by remembering this. Courtesy and good manners are things that create lingering impressions. We are all trying to sell our sport and if these two basics are applied it makes the job so much easier. To all those competitors who already display these good qualities it makes serving you all a pleasure. To the boys from Nudgee, your behavior is a credit to your College.

I would not be able to do the job I do without the support of the directors who have offered their assistance and support.

In closing I would like to wish everyone a happy and successful new year and look forward to seeing you all down the road.

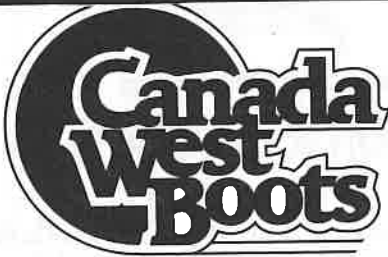

Cathy Wood

A Special Thank You Message

Hi.....I would like to put forward a special thank you to everyone who had something to do with the 1995 Rodeo Princess Comp. Even though I didn't win I would like to say thank you for the trophy I won for the "Miss Personality". I enjoyed myself as I always do in Rodeo Comps and I look forward to competing in more Princesses. Once again thanks for the trophy. Congratulations to Tamara for winning and Christine for runner-up.

Thanking YouCandice Piggott

• PUBLIC LIABILITY COVERAGE •

When organising a public event like a Rodeo, the responsibility which the organising committee owes all spectators is a duty of care to ensure that the spectators do not injure themselves in any way whilst attending the event.

The duty of care extends to potential injury which a spectator sustains through own actions. These actions could appear, to the average person, to be reckless or without due caution for their own safety, however, the organising committee can still be held liable. It is the committee's responsibility to ensure they have adequate coverage. Don't believe it won't happen to you! There are many disturbing cases about those who do!

The other important issue is the paperwork required to ensure the event is covered to the satisfaction of the Insuring Company. Do not assume that your Rodeo is covered by the Public Liability Coverage of the "Show Society" or "Owner" of the property you are using. In most case you are not covered.

1st Malaysian Rodeo 1994

The Rodeo Championships were held in Kuala Lumpur on the 27th and 28th August and the 1st Sept. 1994. The Promoters were a Malaysian Group, "Kiara Promotions", in conjunction with the Perth based Stampede Arena Pty. Ltd. A group of 36 people travelled across from Perth and one from Queensland, all headed by Mr Grant Edwards from Stampede Arena P/L., Mr. Ian Robertson also from Stampede and Mr. Wayne Kiely from "Combined Horse Transport" also of Perth. These three men, with a great deal of organisation, made the 1st Malaysian Rodeo a reality and not just a dream.

The stock also from Perth and owned by Mr. Grant Edwards were transported on a stock flight organised by Mr. Wayne Kiely from Combined Horse Transport. The stock taken across were riding Horses, Bucking Horses, Steers, Calves plus Bulls which included the Highly acclaimed Bucking Bull from Western Australia "FRECKLES BROWN". To the credit of Mr. Edwards and some hard working Stockmen, the stock loaded at Perth International Airport without any problems and were quickly on their way to Malaysia to await the arrival of the group of Cowgirls and Cowboys who would be putting them through their paces at the Rodeo. Arriving one week prior to the Rodeo gave them time to acclimatise and with the assistance of the eight Personnel who travelled with the Stock they were able to get used to the Arena Surface etc.

The Rodeo was held over three nights, with our first night bringing together an audience of people with no prior knowledge of the sport of Rodeo plus an unofficial visit by the Malaysian Prime Minister. Both the Competitors and the stock excelled and the first night was a complete success.

The second night saw many of the spectators from the previous performance returning to see more Thrills and Spills and this time understanding the Events more clearly. The crowd grew with each performance and by the Final Show on the 1st of September the spectators waited with great anticipation for what would be our last show in the magnificent venue of the BUKIT KIARA EQUESTRIAN CENTRE.

The final show was as exciting for the Competitors as it was the Spectators for this was to be the Official visit of the Prime Minister.

Dr. Mahathir was to make the presentations to the series winners of the Rodeo. The 1st of Sept, being the first Day of Spring saw something in the air as we had two couples become engaged on that day. The final night was definitely the hottest of our stay over there and we were all beginning to show signs of tiredness. To the credit of all concerned it was a spectacular show

and come the end of the evening after everyone had been introduced to the Prime Minister and all Presentations made it was with great pride that the final lap of honour was made around the arena to the applause of a very appreciative crowd.
