Secretary's Report

Things are starting to move along a little more smoothly with memberships finally starting to slow down. There has been a few processing hic-cups that have slowed a few down more than others. If yours was one of them I would like to take this opportunity to apologize for any inconvenience. Members if your Membership is arriving now please note your Membership cannot be processed unless we also receive your \$10 (Senior) or \$5 (Junior) Late Fees thus slowing down your processing. If you do notice you have not yet received your Membership card or you know someone is not receiving their Newsletter please ring the office and let me know, if I am not told I do not know.

If you wish to run an advertisement in the Sports News please take into consideration the preparation of the Sports News and put your Advertisement with your payment in early. The deadline for all advertisements is the 10th of every month. To be sure of getting your advertisement in, you must have it to Head Office by the 10th or otherwise it will result in not getting your advertisement in the next Sports News and will be processed (unless specified not to) in the following Sports News. There will be no advertisements accepted after the 10th.

Last month's Sports News had a few errors, we would like to apologize as we were rushing

and adding late advertisements and for this reason we are making a deadline regardless to make circulation easier and to organize the Sports News the once. And thus getting it mailed in time for everyone. Thank you!

This year as you all may know by now, there has been a face structure with the board of the National Rodeo Association. I would like to welcome our new Board Members and Deputies and wish the best to those who have left.

Charity Queen Report

Well Hi there to everyone, it's been a while since my last report and many rodeos have gone by the wayside.

Congratulations to all that competed at the finals, I hope that everyone enjoyed them as much as I did. I must give a hearty thank you to Darren Milburn for the use of his very well behaved little grey horse, and for the great help in strapping so that I wasn't running late for the grand entries.

It won't be long until my, over extended, year as Charity Queen will be over and lest I forget, would like to thank many people for their support and help. To begin, I would like to thank Pattie for all her support throughout the year, I have enjoyed the promotions that we have been able to do together, and I hope to see you take out the Rookie Breakaway this year!! I do not think that I could ever find enough thank yous for Kris and Stewart Grayson, Cathy and

Kerry Hall, Doc Cavanaugh and Family for their generosity and support this year. They, above all, have been there with their horses and their help without ever asking for anything in return. Thank you all!!

I would also like to thank my sponsors for the last year, especially the Sharland Family, they have become very good friends over the past two years and I thank them for all that they have done. Congratulations to Brett and Jenny for the Birth of their baby girl Rikki. Another Breakaway Roper!!

To the general supporters I also owe a thank you, it is all of you that help us to raise money for buckles etc. and promote our sport, without you our sport would die, so, thank you for attending all fund raisers and rodeos. Much of the public consists of family members and friends and it is to you that I say thank you also.

Of more recent times I wish to thank Nikki and Campbell, Patti, Sam Peters, Brett, Andrew and Dennis and all of the others who were there to help Jason and Myself at Chinchilla.

Should there be any one that I have missed then for that I am truly sorry.

To be a winner is not to win, but to compete to the best of your ability,

To be a loser is not to come in second, but to think you are better than everyone else.

Yvette Akins....Charity Queen

P.S. I'm sure we're all sad to see Whitney retire this last year. Best wishes to Deb & Whitey with the Quarter Horses from Jason & Myself.

Exec Director Livestock Management Report

I would like to start this report by paying tribute to Bill Urquhart for his contribution to this Association over many years. As you are aware now, Bill has resigned from the position as President and I thank both Bill and Dulcie for their help and support over the years. They have taken this Association from a fledgling group of competitors to a major Rodeo Association and dedicated 25 years of their life in doing so.

The knowledge gained during those years is invaluable and I hope Bill can be convinced to remain as one of our Representatives on the National Rodeo Council of Australia Board. I do not believe anybody in this country has a better knowledge or understanding of the sport of Rodeo than Bill, and I believe his knowledge and continued support for the National Rodeo Association, on the Board would be an integral part of the N.R.A.'s future.

With regard to the N.R.A.'s future, I can assure all members, committees and supporters

that the future of this Association is very bright. We have established a very strong financial base from which to work. We have a strong membership base and a number of new committees. The new season is starting to get into full swing with Rodeos every weekend and we look set for a boom year.

I recently attended meetings with Contractors & Directors at Chinchilla and Beenleigh and a number of topics were discussed. I believe that as a result of these meetings, the issues that have caused problems in the recent past have been resolved. The reaction of the people at these meeting has been both positive and enthusiastic and I am sure the enthusiasm will continue.

The final draft of the new Rule Book was discussed at the Beenleigh meeting and this will now go to print and be available very soon.

I appeal to anyone for assistance at the

forthcoming Rosewood Rodeo. There will be a lot of work to do and any help whatsoever will be very much appreciated. There will be lots to do leading up to, and also on the day of the Rodeo, so anybody who would like to offer help can contact me at home 074 644 290.

We plan to make this year's Rodeo bigger and better than ever. We have plans for another Rodeo at Rosewood later in the year, so I would really like to get as many people as possible involved (even a small amount of help would be appreciated).

In conclusion I wish everybody the best of luck in their endeavours throughout this 1995 rodeo season.

Remember 'it's your Sport - Enjoy it'

Sincerely....Terry McHugh
