Secretary's Report

As most Members are now aware Central Entries will be in NRA Head office, times and dates of entering have not changed, only the phone number and address. (074) 991700 and P.O. BOX 1477, CABOOLTURE 4510) if you have any inquiries you can follow the same procedures and leave messages at the above number. The answering machine will be checked regularly, and we may answer the phone once you have spoken on the machine if we are able... But please remember that this is the line for Central entries. Patricia Kelly, Jocelyn Frahm and myself will be taking care of you through out the central entries procedures. However on the day of the Rodeo Central entries will be rostered to individuals, as some of you will have already noticed. Please remember the Ladies on the day are only there for the day and will have enough on their plate then to remember your messages. If you have any go through the applicable channels as the Lady taking central entries at the Rodeo will not be held responsible... Central entries is a demanding job for any person/s to handle as there are rules to be followed, and it is up to whomever is taking/doing central entries to apply these rules. They are not pleasant but we do not make the rules and they are there for obvious reasons and although there are genuine excuses there

are also not so genuine excuses and because they can not be distinguished between, everyone will just have to follow the rules applied. If there are any problems, just write a letter or contact your applicable Director any voicing on matters will be listened to! We hope we can make your entries enjoyable for all concerned... While we're on the subject of enjoyable "We would like to Thank Cathy, for the great job she has done, I am sure everyone would like to agree. It has been a pleasure working with you. Cathy has stated that numerous people have told her "what a wonderful job she had done." We will promise to try and do as well as you Cathy, and to keep smiling... Please note the changes to fees to central entries on the Central entries information page...

Memberships are updated daily and sometimes to quickly filed, if you haven't received your card it will be on record but unfortunately filed, so a friendly reminder to me at Head office would not go astray...

Congratulations to Vicki Rearden for taking out the NRA 1996 Rodeo Queen, I am sure you, as all the girls do, worked hard to receive the position. You will have a big job filling the shoes of our past Rodeo Queens. I am sure they are willing to support you in any way, as would be all our

members!!!

Thank you must go to our 1995 Rodeo Queen Joanne Johnson for the excellent support to the NRA. You were fun to work with!!! We would like to wish you the best of luck in competing this year and finally being able to sit down and relax at a Rodeo.

WIDGEE AND BEAUDESERT AND DAYBORO RODEO'S entries have been reopened and everyone will have to ring and renominate on the tated times, do not presume that we have carried entries over... I will catch everyone at Caboolture Rodeo!!! Come and say hello, any problems you may wish to speak to me about is fine, just make sure I have a pen and paper handy or else I'll forget by the time I'm in the office Tuesday... Otherwise if you have any written information to hand to me, that would be fine, please remember that the office number is not for central entries...

PLEASE NOTE CENTRAL ENTRY INFORMATION PAGE CHANGES... NEW DATES TO RE-ENTER FOR DAYBORO, WIDGEE, BEAUDESERT ENTRIES WILL NOT BE CARRIED OVER!!!

SECRETARY

NORMA WOLFENDEN

Director of Events Report

One off the main changes this month will be the moving of central entries back to the NRA Head office where three girls, Norma, Patty and Jocelyn Frahm will be taking over Central entries. I still find it hard to believe that some members still haven't paid up there memberships and even worse are trying to get entries in by bluffing.

The computer in the Head office has all up to date memberships, and the girls will be referencing this whilst taking entries, so

unless your membership is received after entries, by Monday 12pm, your entry for that Rodeo will be scratched. No allowances!! I would like to Thank Cathy Wood for the job she did while doing Central Entries a few of our members certainly do not make the job any easier. Remember all information on the central entries shall be on the page provided in the Newsletter. There have been some changes noted on the page and it would be in your best interest to update yourself!!!

As the National Rodeo Association will not be held responsible for competitors not reading the Newsletter supplied. Congratulations must go to our New 1996 NRA Rodeo Queen Vicki Rearden, and members please support Vicki throughout her reining year. And thanks must go to Joanne Johnson Rodeo Queen for representing the NRA throughout 1995.

Smith Brothers Sponsor an Aussie Cowboy

Thanks to Mavericks Western Wear Mark Knox has received sponsorship from Smith Brothers Co. Denton Texas. To our knowledge this is the first time an Australian Cowboy (still competing in Australia) has received sponsorship from an American

Company. Mark was the NRA All Round Cowboy, Rope & Tie and Heading Champion in 1995. Mark is the youngest Cowboy ever to win the All Round Title. It is terrific to hear that an American Company is interested to support our industry down

under..Mark will be holding some roping schools through 1996, the first will be on 29th and 30th of June, Enquiries and bookings ring Mark on 076 686160 after 8pm. CONGRATULATIONS MARK!!!

TO N.R.A.

March 16th, 96 -Alexandra Louisiana, at a Professional Bullriding event. I, Brad Scott was critically injured after being thrown and stepped on by a bull. I spent five days on life support, my recovery, believing it due to my fitness and good health. I believe its important that Bullriders realise and adopt a professional approach to Bullriding, especially fitness and protection. All professional bullriders in the U.S. are wearing some type of vest. They will openly speak of the risk they face each time they get on and that they can't afford to be out injured when there is so much prizemoney involved.

Bull Armour has moved into another line of protection, designing a vest suitable for Bronc and Bareback riding, as most of the top contestants overseas are wearing protection in these events.

These vest were trialled and endorsed by:

Glen Morgan: 7 x ABCRA Bronc Riding Champion
6 x ABCRA Bareback Riding Champion

Also endorsed by Kevin Cooper;
1991 APRA Bronc Riding Champion
6 ABCRA Bronc Riding Champion

I would also like to take this opportunity to THANK everyone for the phone calls, letters and cards following my accident.

Brad Scott
Bull Armour

Paramedic Letter;

"On March 16th 1996, during Bull bash 1996. Mr Bradley Scott was severely injured when he was thrown from a bull and sustained severe chest trauma. I was called upon to care for Mr Scott who was wearing a protective vest, Upon removing the vest, I observed that Mr Scott had sustained a flaided chest on his right side. QUOTE; In my opinion that the vest he was wearing contributed to his survival. Even though Mr Scott's vest was dented and he was critically injured, had he not been wearing the vest I believe his injuries would not only have been life threatening but fatal...
