Presidents Report

With the end of year in sight, its time to talk Finals. At this stage the Executive Board has allocated three rounds of Finals with a fourth being negotiated. The venues at which finals will be held are; Gympie, Toowoomba and Caboolture, with Caboolture also featuring a Junior Rodeo daytime and the Senior Finals in the evening.

We have a number of Board positions available. I therefore trust the Assn, will receive a number of members nominating for these vacancies. The Special General Meeting conducted at Caboolture on August 25th was programmed to enable us to implement any change to rules etc, by the commencement of our 1997 season. In past years we have had rule changes at our December A.G.M., that could not be put in

Office Report

Well the year is closing in and points are WITING UP along with the weather!! Although with the amount of people crawling around sick it is hard to believe... The finals are set and the word is all go!!! Which is unfortunately not the same for the members.

There will be four rounds of the Finals being held and I am glad to say one will be held at Caboolture Showgrounds.

Please read the newsletter rules and guidelines as one day you may find that it will effect you, especially as some neglect to show at meetings to actually have some say in what's decided...

The deadline on the newsletter is going to be the 10th and will not be held for any reason, so please make sure all ads, reports etc are in by this date. Along with the payment, NO accounts will be sent, if no payment accompanies advert, no advert will appear regardless of being schools etc. It is your responsibility to have your advert and payment in...

Central Entries Report

This is my first report as Mrs Jones and my first report for a long time but as usual I have allot to say with my new but old position as Central Entries for the National Rodeo Association I will say not always good news either

Firstly to nominate for Rodeos please state 1. Name of Rodeo 2. Your Name 3. Your Membership Number 4. The events you compete in 5. Open or Novice.

If you cannot nominate yourself for a Rodeo and have asked someone to nominate for you please make sure they have your membership number as we will not be excepting any nominations without membership numbers excluding Day Members. Along with Any cancellations Without Membership Numbers and Reference Numbers will also not be excepted.

Any Unnotified Cancellations or Scratchings to the Central Entries Office will incur a Full Entry fee along with a Turn Out Fine \$25.00 Regardless if the message was passed to a Cowboy/girl which never was received by the office prior to the Draws. This is up to the individual to make sure the office has received their cancellations Before the draws as it is not

place until February, our new system ensures changes of any type will be in place by the start of a new season.

This year we have seen a few personnel change with our office and Central Entries. Firstly I must welcome Patty Kelly, Jocelyn Frahm, Norma, Jo Taplin and Linda Norton to our Central entries team. We believe that having numbers should make this operation run smoothly and be of great advantage long term. I would like to thank Cathy Wood for her contribution, Cathy displayed a very professional approach and one which is hard to replace. Cathy to you and your family I wish you a happy and successful retirement from the NRA central entries.

We have a system in place which enables all Directors to report in our newsletter. This

POINTS; You should check your points regularly and keep tabs on them, there will be a folder at (hopefully) each Rodeo stating the results of Rodeos and the amount of points ask the Central Entries officer, when she is not busy!!!

T.V. The Dayboro Rodeo was on Bris 31 "Greg Grants Country" on Saturday night about 7pm, a couple of weeks back with a tape from our own Jim Stewart! I saw alot of up and coming stars and you all looked great for the camera!! It was really great watching a Rodeo on television.

JIM BEAM; is heating up with all contenders sparing to the final round, which I might add will now be held at Boonah Rodeo on the 12th October, along with the presentation. And unfortunately due to circumstances Grafton will not be able to hold the Jim Beam Series inconjunction with their Rodeo.

CENTRAL ENTRIES; Members please note

the responsibility of the N.R.A. that no one has passed the message on.

Any Medical outs or Scratchings will incur a committee Levy along with a \$5.00 administration Fee per rodeo. Late Entries will be excepted up until 12 noon Monday preceding the Rodeo, all late entries are automatically accompanied with a \$20 late fine for seniors and \$5 late fine for Juniors, If you object to the late fine, you do not have to enter. To submit a late entry ring the Office during Office hours on Friday and Monday till 12 to put your late entry in and receive you Reference Number as no late entries will not be excepted if left on the answering machine with no reference number.

Please keep your reference number on hand as if your entries are not in on the day and you have no reference number this will not be look into any further, as without a reference number no further investigation will take place.

All entries must be paid up before the second half of the Rodeo as no Entries will be taken on the start of the second half and any unpaid entries will receive a \$25.00 non payment Fine as the second half the office is non stop with payout breakdowns, Accounting

gives each Director approximately one yearly report, however, if an item of importance makes an appearance a Director would be given space in our newsletter. This system I believe gives members a much better insight and invoice in our day to day running.

My final report for 1996 is this one, therefore I must express my thanks for support given thus far. To the Board your thanks for acting in a professional manner and to those that leave year end all the best, to our office staff for being courteous and extremely helpful. To all our affiliated committees for showing strong support and conducting top performances. And last but not least our members thank you for in most cases being loyal and strong advocates of the NRA and the sport in general.
BILL URQUHART

you must have your membership number on entry, even if you have someone else entering you on your behalf they must have your membership number or your entries will not be accepted and no responsibility will be taken by N.R.A. The same goes for cancellations, everyone is given a reference number on entry and this number must be used in cases of cancellations or inquiries and for any reason on the day... If you are cancelling and your number is not stated your cancellations will not be accepted and again no responsibility will be accepted by N.R.A for any fines that would incur. REMEMBER you are responsible for your number, always make sure you receive it...

NOTE; Please read the Central entries report the changes effect you!!!

OFFICE ADMIN. Norma Wolfenden

and balancing from that day, as we have only one lady to do all the work for the day.

As of the 1st September all entries will increase by \$0.50 due to the Insurance Increase please note this increase the Calendar has not yet been changed.

Invoices have been sent to those who have outstanding dues and if those competitors that have not yet paid will not be able to compete until their finances are back up to date, This invoice states that the account must be paid before you next compete or within seven days, please abide by our rules as they are not their to ignore.

DO NOT READ THIS!! !! Catch your eye, it normally does. For this reason that I have said this is because it is very important to read the Central Entries procedure as you may get caught one day upsetting the Central Entries officer than finding out that you have not updated yourself with the Central Entries Rules and regulations and feeling this big (*) for a misunderstanding.

This will be all for my report!!

Safe Travelling.

“TRIBUTE TO DOC & BOB”.

There is a saying, "Lightning never strikes twice in the same place". One would have to doubt this theory if you were to know the Gall family of Peak Crossing.

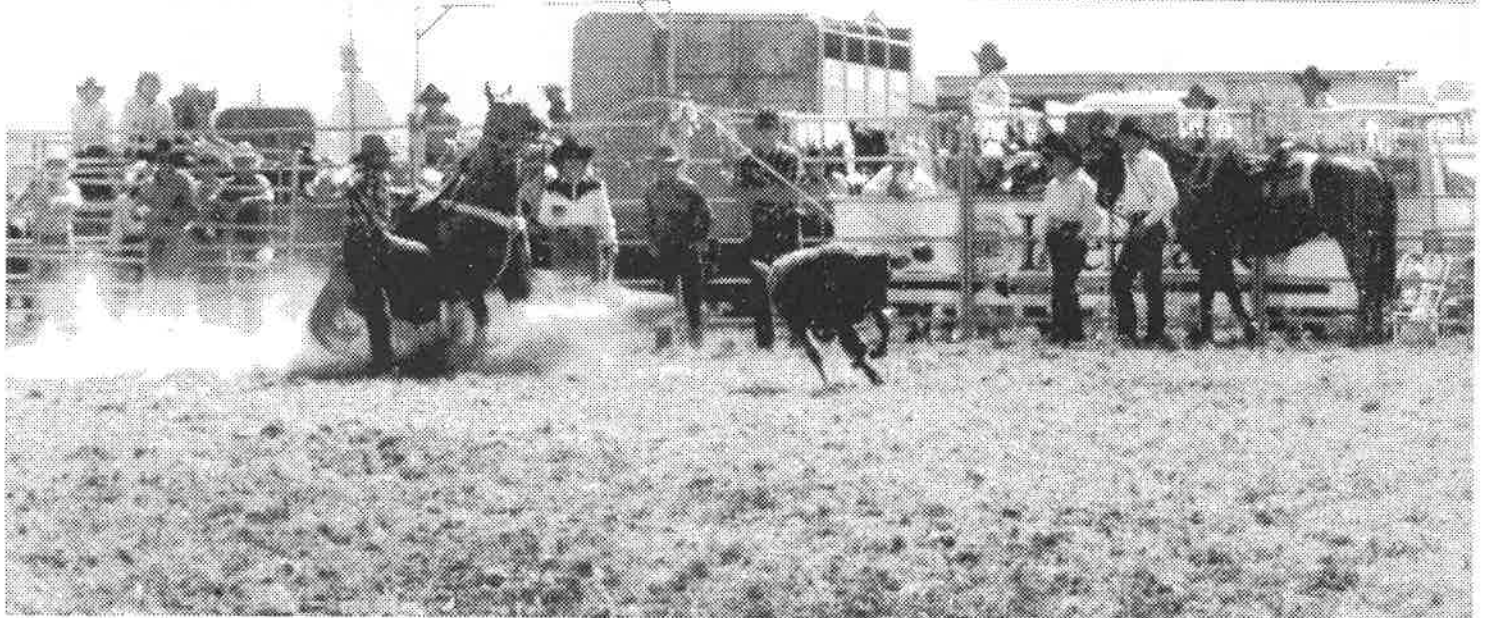

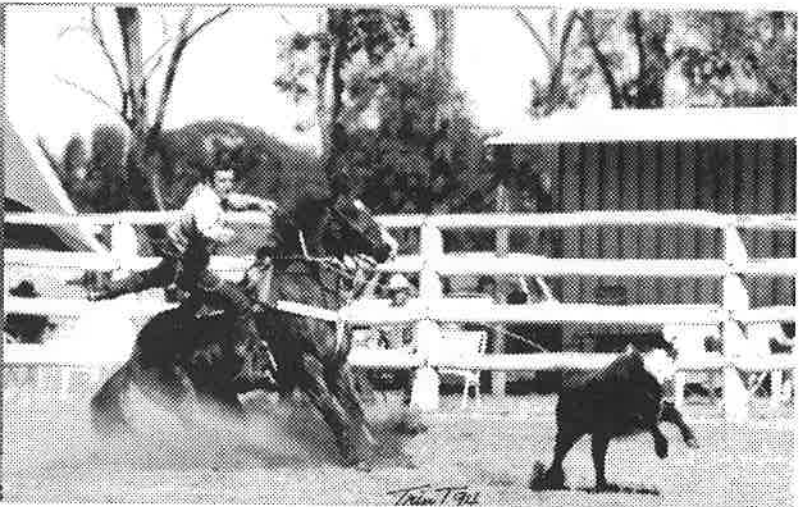

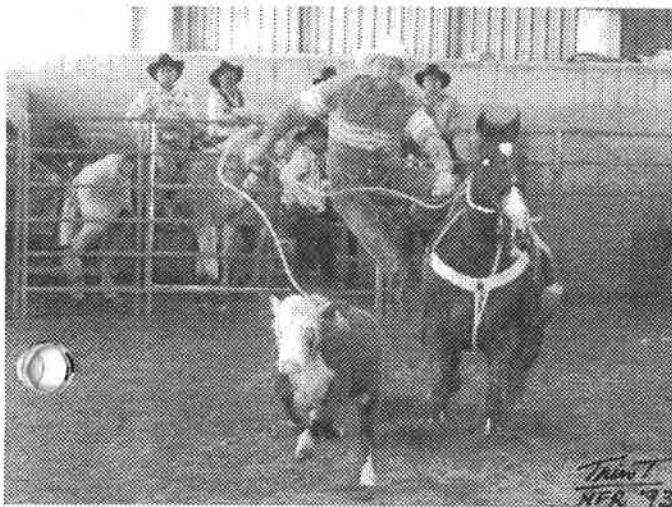

Luke Gall's world of Rodeo fell apart when he lost his horse, "Doc", on the 21st January 96. Then on July 18th 1996, Greg's horse "Bob" fell victim to a similar acute illness that Doc had suffered. Despite frantic efforts by vets, and the dedication and care given by the Galls - both had to be put down.

Doc, a flashy chestnut gelding by DOC'S T Bar, joined the Gall family five years ago. Luke and Doc became a tough twosome in the arena, competing in Junior Barrel races, Breakaway roping and in more recent times, open Rope & tie, where they won the novice title for the 95 season. Hervey Bay in January was one of Doc's last appearances where Allan Flood won the Rope & tie on him in 10.25sec. Not only did Luke lose a top contest mount, but also his partner and friend.

In 1984, Greg purchased "Bob" and schooled the chestnut/taffy gelding to be a calf roping horse. Bob became a trusty dependable mount and would have to be rated amongst the best in the country. During a ten year span from the mid 80's to the mid 90's, the stout gelding, by Go Far Bar Bob, carried many ropers to the pay window. In earlier days to name a few; Tom Tamini, Jeff Keppel, Brian Elliott and Adam Purse.

Into the 90's and Bob was the back-bone to Champion Calf Ropers, Mick Duffy, Tony McIntyre and Allan Flood. The absence of Doc and Bob has been greatly felt by all who gather at the "timed event" end of the arena. To Greg, Jan and Luke - Our heart felt thoughts are with you on the parting of two loved family members.

Kym Clarke - On behalf of all time event competitors
