Director's Report

Giddy! Fellow Cowboys and Cowgirls,

Welcome to the year 2000 and what a year it has been so far. Since this has been my first year on the Board it has been pretty hectic.

Everything seems to be going along quite well. There have been some problems with bulls weights and horns at some rodeos, but the contractors have been pretty good adhering to these regulations. I cannot emphasize enough the implications of someone getting injured by being hooked or stood on due to negligence by these rules not being adhered to. So contractors, please be aware of these rules.

This year some of the stock just haven't been up to scratch, and I get a bit of backlash about it. It's not that easy getting a pen of bucking stock together. It is a long process. But a lot of the stock need a bit more work at home as well, so they don't slow the rodeo down. The spectators pay to see a good and professional rodeo so that's what we want to give them.

Well the "End of Year Finals" this year should be great having five (5) rounds this year. A fair few titles could be won at the Finals – it should be very exciting. It would be good to see a few contractors there so it does not come down to a drawing game where it should be a riding one.

By the time this newsletter hits the press – Rosewood will be over. It is our own Rodeo and I have had quite a bit of input this year. It's good to see a fair few people help out when it is needed.

With the Juniors I can't say enough about the Sponsors and advertising Debbie Armitage has done. She has put a lot a lot of work and effort in – well done Deb! I'd better not forget my old mate, Snow. He turns up each and every weekend, supporting us and especially the Juniors – Good on ya, Snow! To Ken Pennell, Digger, Browney, Maryanne and Joc – Thanks.

Yours in Rodeo

Andrew White

Rosewood Rodeo

Rosewood Junior and Open Rodeos were very successful.

Thanks go to those who put in many long hours of tireless work to make these days so successful. Special thanks must go to Andrew White, the Armitage, Powell, Pennell, and Range families and to all those too numerous to mention our special thanks.

Speaking of Rosewood we would like to congratulate the **Rosewood Primary School** which will be celebrating their **125th Anniversary on October 21st**.

With many of our competitors coming from the Rosewood area I sure there are quite a few who started their schooling at the Rosewood Primary School.

Team Roping

I must say Team Roping has been the event which is the worry of my life!!

But wow!! Was there some "Hot" Team Roping at the Widgee Rodeo. I believe this is an N.R.A. record. Congratulations to Mark Knob and Steve Sutherland who recorded a - wait for it - 5.78.

All Bull Riders: (Junior, Novice and Open) A Reminder ...

From 1st April, 1999, it is mandatory that ALL competitors in a Bull Ride Event wear a **PROTECTIVE VEST**.

Poddy Riders Please Note ...

The animal welfare code does not permit the handling of stock in the arena in a Poddy Ride. Contestants may be aided in the chutes. In the arena the competitor may be aided by the animal must not be handled. No scores will be awarded to aided competitors.

Men's open upgrade of membership is membership upgrade of \$55.00 (from \$40.00 to \$95.00) plus upgrade of bond of \$35.00 (from \$15.00 to \$50.00). Girls open upgrade of membership is membership upgrade of \$50.00 (from \$40.00 to \$90.00) plus upgrade of bond of \$35.00 (from \$15.00 to \$50.00). The only exception to this is where there is not a junior event (the same as the event in which you wish to compete) on the day. In this case you may compete in this open event by paying open day membership. With this option, for any placings in this event on the day, prize money is paid to you but no points are awarded to you for this event.

Rosewood Juniors in Rodeo

Rosewood

A very successful Junior Rodeo was held on Saturday 9th September at the Rosewood Rodeo. It was great to see so many Juniors competing and having a great time.

Many hours of hard work was put in by so many people too numerous to mention, but a big pat on the back to all of you.

It was an especially encouraging sign to see so many senior competitors there to help the Juniors – a real credit to you all.

From the Office I would like to say thank you to Maree Mapp and Kathy Birch for taking care of the Office duties on the day.

Congratulations!

Rules for Computer Draws

COMPUTER DRAWS

Computer draws will be conducted at the NRA office for maximum point and full point rodeos only. Stock draws will be done for all open rough stock events and position draws will be done for all other events. Stock draws for relevant time events will be conducted on the day of the rodeo.

STOCK NUMBERS

Stock contractors will be contacted by the NRA office on the Tuesday morning before the rodeo and will be advised of the numbers in each event. The stock contractor must then contact the NRA office before noon on that day with the relevant stock numbers for each event. All stock must be registered with the NRA office before they can be included in the draw. All stock must be clearly numbered when they arrive at the rodeo.

RERIDE NUMBERS

It is the responsibility of the chute boss to obtain the reride numbers from the stock contractor on the day of the rodeo, before the commencement of the event.

CALL BACK

Call back will be available during normal Central Entry hours.

SUBSTITUTE STOCK

If a head of stock is withdrawn from an event, after the draw has been conducted, the contestant who had that head of stock drawn shall be drawn another head of stock from the entire pen, including the replacement stock. The contestant that has their head of stock drawn away will then get the replacement stock. If there is more than two head of stock replaced then a complete redraw shall be conducted.

TURN OUT FINES

Any contestant who withdraws from an event after the stock draw has been done will incur a turn out fine.

MULTIPLE ROUNDS

Where an event is to be conducted over two or more rounds, draws will not be carried out for the second round until the completion of the first round and so on.

PREFERENCES

Preferences will be accepted and given where possible for all events where a position draw only is done before the rodeo. For any events that have a stock draw done before the rodeo it will be up to the contestant to trade out after the draw has been completed.

GST Information

Competitors:

As from the 1st August all nomination fees will increase by 10% to include GST. Prize money: All prize money is inclusive of GST unless notified by the committee.

Competitors or Arena Staff who have an ABN and are registered for GST will be required to issue the committee with a tax invoice stating their ABN for their prize money / services. It will be up to the individual competitors to remit GST to the tax office if they are running a business.

The procedure for a hobbyist (competitor, arena staff) will be to complete a declaration "Statement by a Supplier" form as provided by the ATO. If the hobbyist fails to provide a signed statement then 48.5% must be withheld by the committee and forwarded to the ATO. These declarations must be dated, contain the name and address of the hobbyist and state they are competing as a hobbyist and signed before payment is received. Copies of these declarations are available from the NRA Office and will be available at Central Entries at every rodeo.

Committees:

Committees will need an ABN and will need to register for GST if their turnover is more than \$50,000 per annum. Affiliation fees for 2001 will increase by 10% to include GST. All Prize money must be inclusive of GST unless otherwise notified by the committee.

Committees must receive either a tax invoice or hobbyist declaration from a competitor or arena staff before that individual is eligible to collect their prize money / services. If a tax invoice or signed declaration is not received the committee must withhold 48.5% and remit it to the ATO.

It is a requirement of the ATO that tax invoices and declarations are kept by the committee for a period of five (5) years. Unregistered committees will not be able to claim input tax credit for services they paid out for their rodeo.
