### Overseas News:

RR#2 Lacombe  
Alberta Canada TOC – 150

Hi, just a quick word to let you know on the 1<sup>st</sup> of May Rhonda and I became the proud parents of a baby girl weighing 6lb 7oz and 19 in long. Both Mum and baby were home from hospital the next afternoon and both doing fine. We named her Tennessa Jay and both brothers are very proud. Rhonda also had another baby delivered by trailer about 6 weeks previous – a paint 3 year old filly. Her bloodlines go back to "Go Man Go".

P.S We are shutting down the breeding program now. We'll let the horses carry on with that department.

## Director's Report

### Time Events

With the rodeo season in full swing, it is pleasing to see the large volume of competitors at both the time event end and the rough stock end. At the moment a re-vamp of our rule book governing general rules of competition is underway so that no matter where you go nation wide the rules are the same. Some of these rules have already been adopted.

Eg. Team Roping

1. When the header fails to attach his rope to the beast the healer is not to comtest the competition any further – failure to comply with this rule will result in a fine.
2. Members fifty years of age and over are permitted to tie their ropes (Hard and Fast) on the saddle horn.

At Caboolture Junior Rodeo I was quite alarmed at the near mishaps which occurred at the time event end because of Junior competitors failing to check their equipment prior to competition. Some of the incidents could have ended in a serious accident not only to themselves but also to their horses and or competition livestock. If you have any doubts about your equipment, I feel assured that any senior competitor would assist you in some way to prepare it properly.

Good Luck

**Ken Pennell**

### ***JUNIOR RODEO PRINCESS FUNDRAISER***

*Can you guess the name of the cowboy who is written about in the following poem, and the Association in which he gained this record?*

#### GUESS WHO?

In '56 his career began  
A short but solid, unique young man  
A best all-rounder, most people had seen  
Rodeo was his life. It was never a dream.

He travelled far north, south, east & west  
Roustabouting in sheds, his skills he'd test.  
From shearing, to stock work he'd work all week  
To raise enough money so he could compete.

It took years for him to make the grade  
Champion saddle bronc rider of the \_\_\_\_\_.  
In '62 his goal was set  
All round champion he had met.

He liked it so much, the sport & the fame  
Three more all round titles adhered to his name.  
As well as steer wrestling & calf roping too  
There wasn't an event this man couldn't do.

And still in 2000, he follows the sport  
His experience, knowledge, his endless support  
He holds the key to an exceptional career  
His success in rodeo will always adhere.

This cowboy also has a compassionate side  
Not many people would know the memories he'd hide  
I'm very honored to know this man  
The best all round champion in the land.

At the end of June the Jim Beam Series travelled to Canungra for their first afternoon night rodeo.

The change of time and a very mild day attracted great crowds and excellent competition.

The Jim Beam Series Rodeo at Woodenbong was proud to be part of their 50<sup>th</sup> celebration of holding rodeos at that venue. With a much larger crowd than ever the spectators were treated to a great day of sport and action.

### Jim Beam Conditions

- Day members will not receive points towards Series Title Awards
- Points to be calculated in the same manner as Standing Points
- Team Ropers: 2 runs - 2 loops only per run (1 for header, 1 for heeler)
- Winners must be present at the presentations to be eligible for the Title. Failure to do so will result in a forfeit and the title will be awarded to the next highest points earner.
