Juniors in Rodeo

It is compulsory for ALL Competitors who compete in Junior Events to wear a Protective Helmet whilst mounted or competing in ANY Rodeo Event.

****** ALL JUNIOR COMPETITORS MUST WEAR A FULL FACE HELMET WHEN COMPETING IN ANY ROUGH STOCK EVENT.**

If you fail to comply with this direction, officials have the right to withdraw you from an event.

Re MEMBERSHIP:

JUNIORS competing in OPEN events MUST HAVE OPEN MEMBERSHIP.

Junior Membership entitles you to compete ONLY in Junior Events. If you wish to compete in an Open Event, you must upgrade your membership to Open Membership. Men's open upgrade of membership is membership upgrade of \$76.50 (from \$50.00 to \$126.50) plus upgrade of bond of \$35.00 (from \$15.00 to \$50.00). Girls open upgrade of membership is membership upgrade of \$76.50 (from \$50.00 to \$126.50) plus upgrade of bond of \$35.00 (from \$15.00 to \$50.00).

The only exception to this is where there is not a Junior event (the same as the event in which you wish to compete) on the day. In this case you may compete in this open event by paying open day membership. With this option, for any placings in this event on the day, prize money is paid to you but no points are awarded to you for this event.

A Message to all Juniors -

As this is my final year as a junior member in the NRA, there are a number of people I would like to thank. Firstly, my mum and dad for all their support and encouragement. My dad, for taking me to all the rodeos, and my mum for helping me train my horses. As a junior competitor, I have had a great deal of support from a lot of people. To all those people, I say a huge thank you. I would also like to thank all of the people over the years who have been on the junior committee and helped get junior Rodeos running throughout the years for us. It has given me an amazing journey that now takes me into the open ranks of rodeo.

To Bill Urquhart, for his many years of dedication, not only to the open competitors but to the junior program. Bill was a member of the junior program when my brother was a junior competitor. He is now married with two children and Bill is still here today supporting and encouraging each and every junior competitor - Thank You Bill.

Last but not least, I would like to thank Doc Cavanagh - A man for whom I have a lot of respect. This man has been the backbone of junior rodeo. He has given so many people the opportunity to begin their rodeo careers at an early age and many of these competitors are now not only competing in Australia, but also making a name for themselves overseas. When I first started competing, I was a little 5 year old on a black Shetland pony. I remember getting bucked off between the first and second drum, and the first person to pick me up, dust me off and put me back on was Doc. All these years later Doc is still there to pick up, dust off and encourage every junior competitor. For all that you have given me, words cannot express my gratitude. Thank you.

Junior competitors are the future of rodeo and that is why it is important to give that little girl riding her black Shetland pony a turn to show her talent.

Yours in rodeo,
Shandelle Armitage

--- >>> AUTOMATIC ENTRY:

With the new Central Entries program it is imperative you quote your correct membership number when entering. Please take advantage of this service.**

--- >>> MEMBERSHIP:

A reminder that membership are due 1st January. Unfinancial members will be unable to compete at 2004 Rodeos. (All owings must be included with memberships to become financial). Membership renewals are included in this newsletter.

IMPORTANT NOTICE TO COMPETITION MEMBERS - YOU MUST READ THIS CAREFULLY

Rodeo is a dangerous sport and people get injured in the course of their participation. The Association has put in place rules for competition which are designed to protect the competitors and address issues of animal welfare. However, accidents do happen and people do get injured. While the Association has put in place a list of benefits which are set out more particularly below, those benefits are not taken as any form of indemnity and the Association requires that you provide a waiver of your rights in consideration of the matters which are set out below. In requiring that waiver the Association does so in the interest of the sport of rodeo and the continued operations of that sport in the future and the welfare and interests of its competing members.

WAIVER ACKNOWLEDGEMENT AND INDEMNITY

I, (insert name) agree to be bound by the Constitution of the Association and in the event that I intend to be an active competitor in rodeos conducted by the authority or auspices of the Association ACKNOWLEDGE that I am aware that the sport of rodeo does by its nature have inherent risks of personal injury to its participants.

IN CONSIDERATION of the benefits which are available to me (or on my behalf) by the Association (through its Accident Fidelity Fund/Personal Accident Insurance ("the fund"), the schedule of benefits I have read, acknowledged and accepted as being reasonable compensation) DO HEREBY ACKNOWLEDGE AND ASSUME any risk of personal injury or death and in the event of such injury or death waive any claim which may be made by myself for or on behalf of myself, for such personal injuries or death arising out of my competing in the sport of rodeo, which I (or someone on my behalf) may have against the Association or any person or corporation operating under the auspices and authority of the Association.

FURTHER, for the considerations set out above I indemnify and agree to keep indemnified in the future, the Association and its associates against all liability arising as a result of my negligence (or the negligence of my servants or agents) in respect of any death, bodily injury, disability, damage (including personal and property damage) occurring as a result of such negligence to the fullest extent permitted by law but only to the extent that the Association and its associates are not already indemnified or insured.

I AM AWARE that this is a legal document and that I have had the opportunity of seeking independent legal advice in relation thereto. In the light of that advice (or a waiver of the same on my behalf) I CONFIRM that I have signed this membership application of my own free will accepting as I do the risks in providing the waiver that I have in the terms mentioned above particularly (having regard to the consideration passing between me and the Association). I enclose the payment of the requisite membership fee, which payment is made in consideration of my being granted membership of the Association and competing in the sport of rodeo under the authority and/or auspices of the Association.

Special 2003 National Rodeo Association Queen Report

The West Coast Rodeo Circuit recently held two of their largest rodeos of their 2003 season. Fortunately I was able to attend both of these, as a special guest of the West Coast Rodeo Circuit.

The first rodeo was held 220 kms south of Perth in the country music capital of WA, Boyup Brook. The main difference I found between rodeos in the east and west is rodeos there are not just an event for the day or afternoon, they are worth celebrating the entire weekend. Competitors are also encouraged to participate in the whole weekend's activities. People from all over the southwest flock to Boyup Brook for the weekend of festivities including music shows on Friday and Saturday night, the rodeo and the Sunday bush poets' breakfast.

The Boyup Brook rodeo began as a dream for the owner and namesake Harvey Dickson. Harvey is a mega Elvis and country music fan. He begins his rodeo weekend on Friday night with a country music night held in a converted farm shed which now houses a stage made from giant karri logs, a sawdust floor, a waterfall, walls and a roof that is covered with anything you could or couldn't imagine – horse carts, oil drums, brooms, tools, a kayak, the challenge is to find something that isn't there. But overlooking each of the music acts are life size sand sculptures of legends Elvis and Johnny Cash. It's an amazing and unbelievable complex which has to be seen to be believed.

The following day was the rodeo, and the arena is no less extravagant than the rest of the complex. The first log to make this arena was put into the ground 18 years ago and this was only the second rodeo held here. The grounds could be described as extroverted. The arena is huge twice the size of any arena here, making for a huge barrel course. The arena fence is made only from posts and a cap rail each approximately 40cm in diameter, along the bottom are fallen trees each being approximately 1m across. Overlooking the arena are three giant timber musicians each 45m tall, each carrying a steel guitar or banjo 20m across. The bar rivals the Sunshine Coast's Ettamooga Pub complete with FJ Holden on the roof, and if you look up on the hill there is a tree holding up a billy can which I'm told is actually a 44gallon drum. If you got bored with the rodeo there is always something to look at and keep you amused at Harvey Dickson's.

In the west it is hard to find a male or female competitor that only competes in one event. Most cowgirls compete in all four female events and cowboys competing in both rough and timed events. Their current all round cowboy Paul Casey competes in all Saddle Bronc, Bares, Bull Ride, Steer Wrestling, and Rope and Tie. The current all round cowgirl Sharon McCarthy successfully competes in Barrels, Breakaway, Steer Undecorating and Team Roping.

The following weekend the WCRC headed 1.5 hours southwest of Perth to the gold and bauxite mining town of Boddington. This rodeo has been running since 1977 and has grown to be one of the largest in the state. The prize money attracted a lot of competitors to this rodeo, the bull ride had \$1200 up, 6 open events \$1000, except steer undecorating and breakaway was \$800, then the junior and local events. They also had a bikes vs. horses barrel race. Three motorbikes (2 and 4 wheelers) competed against three barrel racing competitors. The final score was horses 2 bikes 1. The spectators and competitors loved it.

Arriving at the grounds the first thing I noticed was the large bar and canteen facility. This two-story structure has an open top level to allow spectators a clean and comfortable viewing platform to see the rodeo. The canteen bar area below has a nice family atmosphere with the local school choir performing throughout the day but when the rodeo finishes it gets transformed to an electric jam-packed venue of socializing, dancing, music and heaps of fun. The following day the excitement of the rodeo didn't end, the town congregated to the river for raft races and a town BBQ.

The running of the rodeo is similar to the way NRA rodeos are run but the atmosphere around the rodeo beginning with Friday night is what set these rodeos apart. I had a great two weeks in Western Australia and I recommend to anyone to see that Western Australia has to offer both in rodeo and the scenery. These two rodeos especially, Harvey Dickson's Boyup Brook Rodeo for the 'seen to be believed' music and rodeo complex, and Boddington Rodeo for its atmosphere. I need to thank WCRC President Stan Baker, Rodeo Producers Kevin and Jenny Treloar for their assistance in our trip and all the members of the West Coast Rodeo Circuit. Your hospitality will not be forgotten.

Good Luck and Safe Travels ...

Friendly Reminders

REFERENCE NUMBERS:

Your reference number is unique to you. Without this number there will be NO investigation of your inquiry, if there are any problems with your entries at a Rodeo. Please have a pen ready and write your reference number in the space provided on the Central Entry Page of your newsletter.

NOMINATIONS:

It is up to each individual competitor to check the draw sheets prior to the commencement of the Rodeo to make sure that their nomination is correct. Please see your event administrator if you have a problem. After the Rodeo has commenced, no discrepancies will be looked into.

CENTRAL ENTRIES:

On the day of the Rodeo, nominations must be paid as promptly as possible – preferably before half time as the Central Entry person is busy doing payouts after this time. Please remember should you have any queries other than those related to central entries on the day please refer these to your event administrator.

CANCELLATIONS:

When cancelling, either by phone or answering machine, you must state the name of the Rodeo, your name, reference number and membership number. Without this information, cancellations cannot be processed and will not be accepted.

PLEASE check cancel out penalties in Central Entry Guidelines.

SLACK:

All members please note. Programs are set by individual committees and it is up to their discretion, which events are to be in the slack or performance. Therefore it is up to you, the competitor to call the Central Entry line before a rodeo where a slack is advertised. Wherever possible this is available from 12 noon Thursday prior to the Rodeo.

GATELIST:

The gate list is a list of competitors competing on the day at a particular rodeo.

This is issued to committees to allow competitors admission to the rodeo. Competitors only are admitted. You must have your membership card on hand for identification if the committee requires it. In the case where you are competing and your name does not appear on the gate list, you must pay your admission fee and take your ticket to the Central Entries person on the day for verification and refund.

PAYMENT OF FINES:

Any money owed – (fines, turnouts etc) must be paid in full by Monday prior to the rodeo at which you next wish to compete. If an infringement occurs on the day of the Rodeo, the Central Entries officer at that Rodeo has the facility available to accept any owings for turnouts or fines etc. on that particular day. This will ensure your entries are valid for the next rodeo you have entered.

MEDICAL OUTS / INSURANCE CLAIMS:

If a Medical Out is found necessary from an event at a Rodeo, if injured on the day, and unable to compete again, a medical certificate must be obtained from the First Aid Officer on the grounds and submitted to the Central Entries Officer on the day, before the event concludes. This is essential, otherwise a turn out fine is mandatory.

Insurance Claim forms, if applicable, are available from the Central Entries Officer at the Rodeo and must be completed and faxed to the N.R.A. office (0754 957384) by Monday following the Rodeo.

OFFICIALS PLEASE NOTE – Re INSURANCE:

For persons officiating in the arena at a Rodeo, e.g. bullfighters, judges etc, insurance is available at \$15.00 per day. It is their responsibility to contact the Central Entries person on the day prior to the commencement of the rodeo, if they require this cover.

OVERSEAS NEWS

Great to see Rodney Cameron home from Canada where he had a very successful campaign in the "Oldies" circuit in Canada.

News from "Mouse" Meredith:

Rhonda is now working at a bank in Ponoka. She is doing her training there till the end of November then she goes into the relief pool. Hopefully she will get on full time in Ponoka. I haven't been on a bucking horse since August 2002 but if I can get a new saddle I will be doing some FCA and Old Timer rodeos but work makes that hard as I work 4 days on 4 days off so I miss a lot of weekends, which makes it very hard to rodeo. I still work repairing rail cars at Joffre 35 minutes south of Ponoka. I have now been working there for nearly 3 years.

We bought a mobile home on 4.46 acres and are busy paying that off, so that slows us down a bit too. Tyler is now 13 years old, Chase is 7 and Tennesa is 2. Ty is out hunting with his grandpa. They are after Pheasants, Grouse and if they get the chance a Whitetail Deer - he's quite the shot. He and Chase have just started fun hockey. They aren't the strongest skaters but they sure have a lot of fun. Tennesa wants to be just like them and carries a little hockey stick around slap shooting anything in her way, and I mean anything. Rhonda has a paint mare that goes back to Go Man Go but we haven't done much with her yet. We are thinking of getting her bred soon. I'd like to start her bulldoggin or teamroping first. Rhonda is thinking of doing some Lighthouse [kind of like pony club] or just waggon train trail rides [usually about 25 miles long]. All is well over here apart from the fact that it's snowing everyday now. We got down to minus 22 the other day but it got up to minus 8 - a heat wave.

The CFR starts Wednesday night. Glen O'Neill is leading the broncs in Canada and the world. Good luck to all the finalists. Rodeo hard. Well that's about all from us in Canada, till next time keep well and hello to all.

The Meredith's

Jordan and Marty Update

Hey everyone at NRA! It's Jordan and Marty here and we thought we'd drop you guys a line. Well, so far so good we are doing pretty well in our favourite events. Marty is equal 3rd in our region for the bull ride and I'm sitting 10th in the steer wrestling. Our men's team is 2nd in the region and 17 in the nation so for a small school we're doing well. The classes are pretty easy at the moment but they'll probably get harder next semester. We caught up with Luke Richards just today so we'll probably go down and see him at Thanksgiving. If anyone wants to contact us Marty's email is martycarlo_5@hotmail.com and mine is steerwrestler22@hotmail.com so catch you later.
