MARCH 2008

E.I. UPDATE

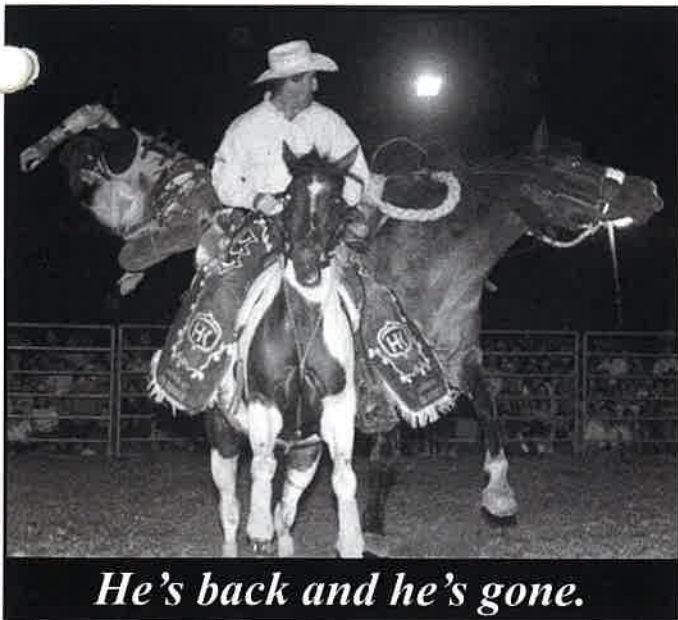

Firstly I would like to thank members and committees for their understanding, co-operation and patience as we have worked through the E.I. crisis.

COMPETITORS:

Because of the E.I. and lack of competition for 2007 the Board has extended to those eligible competitors in that year that their rookie will continue for 2008.

Thank you to those competitors who have already sent in their horse identification details - great work - this will greatly assist committees and help get events back on track.

The latest information available is that the red zone has changed to amber and the amber zone to white.

He's back and he's gone.

Stitched Up Promotions & Red Hot Shotz Sports Photography

WHAT THIS MEANS:

If you wish to float a horse WITHIN in the (new) AMBER zone, you will only need a WAYBILL (No Permit!) (You can download and fill out a waybill for each float move, from the DPI website OR buy a waybill book from your local DPI office) www.dpi.qld.gov.au

If you wish to float a horse across another zone colour, or Interstate, you WILL need a PERMIT. (For instance, moving Old Red to Old Amber - now New Amber to White, WILL need a permit).

IMPORTANT INFORMATION

E.I. Update

DPI web site: www.dpi.qld.gov.au

If you wish to compete at an event or go to a training day, you will apply for a PERMIT through the event organiser. (You will need your waybill to get to event, and write on it the Event Permit number that the organising committee gives you BEFORE you leave. Contact your event organiser for details).

If you are unsure which zone you are in, please check the DPI website for the zone maps. (For further clarification, call the call centre on 132523, and have your Lot on Plan numbers on hand to speed up your query). PLEASE NOTE: Movement within zones will involve quarantine under certain circumstances - please ensure all requirements on your permits are strictly adhered to.

We are now another step closer to our aim: To have all of Queensland WHITE! (EI Eradicated)

PLEASE NOTE: All HORSE movements require a waybill (Equine Influenza specified). If travelling to an event one (1) copy of your way bill will be required by the committee and one kept for yourself.**

PLEASE MAKE SURE YOU HAVE A DUPLICATE COPY OF YOUR WAYBILL AND THAT YOUR WAYBILL HAS BEEN COMPLETED CORRECTLY IF NOT YOU WILL BE TURNED AROUND AT THE GATE. IT IS YOUR RESPONSIBILITY TO HAND YOUR WAYBILL TO THE GATE KEEPERS - OR IF THE COMMITTEE REQUIRE IT, TO CENTRAL ENTRIES WHEN YOUR ENTRIES ARE PAID - THIS MUST BE DONE PRIOR TO THE COMMENCEMENT OF THE RODEO.

A health declaration form ** will also have to be completed for those attending events.

(Your way bill will have to correspond to the information on the horses you have given when entering the event with central entries - any deviations will also mean that you will not be able to compete at that event).

If you require a travel permit to attend an event, please apply for it early. The DPI are doing their best to keep up with permits with more and more movement happening and more events taking place. Please try to apply at least three weeks before the event.

Saddle and Bareback riders please note - bio security will be utmost - disinfecting footwear, gear, equipment and vehicles may be required. Please co-operate with committees on these matters. PLEASE: Co-operate with committees with all requests regarding E.I. requirements and bio-security regulations. We have done well so far so do not undo all this good work.

****THESE FORMS ARE AVAILABLE ON THE DPI WEB SITE OR THROUGH THIS OFFICE.****

COMMITTEES:

All events must be registered and sanctioned by the DPI before your event can take place. Events in the amber zone MUST apply for a permit from the DPI. Events in the white zone must register their event with the DPI. These need to be submitted at least one month prior to the event. (Please note NRA will be able to assist you with your horse details form). To our current information this will be done till the end of the year.

PLEASE NOTE: The property on which an event is held MUST BE REGISTERED. Registration applications are available through the DPI. A Property Identification Code will be issued and must be used on event applications as well as the Real Property description of the grounds. Your PIC must be on your affiliation form before your event can be approved by the Board. Protocols for holding events and Bio-security procedures must be adhered to.
