TYALGUM back with a VENGEANCE

The Tyalgum Diggers Sports Committee is not letting a mere weather threat that forced the postponement of the July Points Award Rodeo and 100th Birthday Celebration thwart them.

They are coming back with a vengeance. The September 27th 2008 is now an All Round Championship Rodeo to help celebrate their 100th Birthday. A fuller rodeo programme with generous prize money across the board.

ROPE & TIE – “DISQUALIFICATIONS”

On behalf of all Rope and Tie competitors and as director of the event, I would like to respond to the Animal Welfare “Busts” article published to Judges in the July newsletter.

In regards to Judges decisions, we as competitors understand and agree that when a “bust” occurs, the rule book states competitors should be disqualified and fined. The welfare of the animal needs to be a priority at all times. Without taking this into consideration we would not continue to have Rope and Tie.

We are a professional association which has rules to eliminate the doubt factor and peoples personal opinions of crowd reaction. Each individual’s run should be based on these rules. Judges have rules to abide by, not only to protect the well being of animals and our sport but also to be fair to each competitor.

We understand that crowd reaction can be detrimental to our sport especially when it comes to the wellbeing of the animal. However, we ask that the event be judged fairly as per the rule book, not as a result of the judges interpretation of crowd reaction.

Gene Hingst
NRA Director of Rope & Tie / Team Roping.

CHANGES TO EVENT MANAGEMENT AND MOVEMENT REQUIREMENTS FROM 30 JUNE 2008.

The Requirements on Event Organisers are:

1. To register their event with the Department of Primary Industries and Fisheries (DPI&F) by completing an Event Notification Form online via www.dpi.qld.gov.au or by calling the DPI&F Business Information Centre on 13 25 23.
2. Must retain a record of the information provided to them by competitors attending the event for a period of six months from the date of the event.
3. Encourage basic Biosecurity. All this information is available on-line at www.dpi.qld.gov.au: and
4. If any horse has a nasal discharge, is coughing and has a temperature over 38.5 degrees Celsius it must be reported to DPI&F where a veterinarian will make an assessment for exclusion testing (ruling out equine influenza). We are very confident that no horses will have equine influenza. However, there are some diseases that have some clinical signs similar to equine influenza.

The Requirements on Competitors are:

1. Travel Documents

All horses in Queensland can now move freely throughout the State without the need for a Waybill. However, when moving horses across the Queensland Cattle Tick Line, you will require a MoveEasy Waybill in addition to a Travel Permit issued by an Inspector. The permit requirements will vary depending on the place of origin, the intended destination, and the time spent away from the place of origin. These permit conditions must be adhered to or your Travel Permit may be cancelled. An inspection and treatment for Cattle Ticks may also be required. If required, multiple movement permits are available.

Information on moving across the Tick Line can be obtained from your local DPI&F Biosecurity Inspector. Call 13.25.23 for the location of your nearest DPI&F Office.

For Horses travelling Interstate, you are required to contact the Department of Primary Industries Office in the State or Territory to which or through which you plan to travel.

2. Documentation Required For Event Organisers

Persons in charge of a Horse/s attending an Event must provide the following information to Event Organisers

- i. The number of horses they are in charge of at the Event
- ii. The Property Identification Code (PIC) for the property from which the horse/s had travelled to attend the event
- iii. The name and address of the ‘Person In Charge’ of the horse or horses at the event. (Ref: Qld Govt DPI&F).

E.I. REPORT

COMMITTEES:

Please advise the DPI of your event – this can be done by email on line on the DPI Web Site or by contacting the DPI Business Information Centre on 13 25 23.

Please ensure that your PIC number is on your affiliation form.

NOVICE STATUS:

To be entitled to novice money, novice competitors must inform the Central Entries of their status when nominating for their event and only when there is no novice event in the same category on the day. (*As advertised in the Central Entry Information section in the magazine.*)

Notes from the Office. Please read carefully!
