Snapstay
INSULATORS

FOR STEEL POSTS

QUICK, STRONG AND EASY

Multi purpose insulators for electric fencing

- Snap easily onto most size steel posts from old to new.
- Extra strong with the strength in the body and not the pins.
- Multi purpose head can be used for various mediums including wire, cord and up to 40mm wide tape.
- Wire, tape and cord can easily be removed and replaced by hand.
- For strip grazing insulator can be slid down to hammer post into position and then slid back as required.
- Snapstay also fits on the reverse side of steel posts if required. If used under tension then the insulator needs a tie wire to hold firm.

This product is great for horse lovers. Professional fencers save time and money.
