DECEMBER 2010 / JANUARY 2011

## 2010 N.R.A. Finals

The Finals Committee are to be congratulated for their foresight in introducing changes to the format of our finals rodeos. Not all new plans were achieved this year; however you can look forward to further improvements at next year's Finals. To all 2010 Champions we sincerely congratulate you, and wish our entire membership every success in 2011.

From Myself and the Board of Directors, we express our gratitude and appreciation for the support supplied by committees, contractors, sponsors, supporters and our membership base. The Board looks forward to working with all concerned to build a bond and working relationship to grow the N.R.A. and Rodeo in general.

*A Merry Christmas  
and Happy New Year to all.*

### NATIONAL LIVESTOCK IDENTIFICATION SYSTEM

Campdraft, rodeo and show committees must ensure their ground or arena is registered with DPI&F and has a property Identification Code (PIC). Where a ground or arena does not have a PIC, contact your local stock inspector to obtain the necessary registration forms and a PIC.

### CENTRAL ENTRIES EMAILS:

Email nominations should have Name; Membership Number; Rodeo; Event; Rookie/Novice status only. Please call the NRA office for any queries e.g. cancellations.

### *To NRA Members,*

Please be advised that you are required to pay your nomination prior to your ride at a rodeo. The members who fail to pay their nomination on the day of the rodeo will be monitored by our Central Entries Staff.

Repeat offenders will have their privilege of paying nomination on the day revoked and will be required to pay nomination prior to the day of the rodeo. In extreme circumstances nominations may even be refused.

It is vital that all members competing at a rodeo pay their nomination before the start of the rodeo.

We thank you for your cooperation in this matter.

Hello all

On Sunday 15 August 2010, I attended the Wonder Factory at the Royal Children's Hospital in Brisbane. I was joined by NRA sponsors, Adam and Alesha Brice of Victory Horse Floats, Rodeo Queen Entrants - Alex McKenna and Bobbi-Jo Blake, Princess Entrants - Tamarah Stapleton and Sharni Webb and Junior Princess Entrant - Olivia Webb.

The Wonder Factory is staffed by volunteers and provides interactive entertainment for sick children and their families to break the monotony of their hospital routine.

We spent several hours with the children and the volunteers of the Wonder Factory teaching them about Rodeo and the National Rodeo Association. We also took along some hay bales, calf heads and ropes and taught those that were able, to throw a rope.

After some instruction by those of us that attended, we have quite a few successful catches! All of the children and their families are now looking forward to coming along to a Rodeo in the future to see how the professionals do it.

The visit was a fantastic opportunity for us to promote our sport and the NRA while bringing some joy to less fortunate children.

I would like to thank all of those who took the time to attend the hospital with me and hope that you enjoyed the experience as much as I did.

Yours in rodeo

# JUNIORS IN RODEO

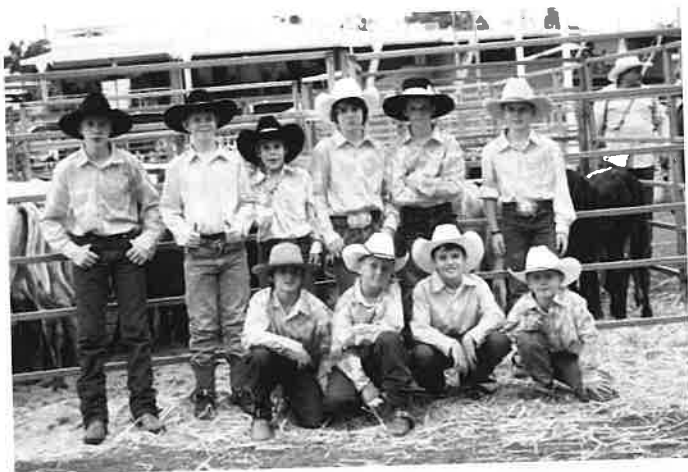

A really big thank you to The Ruhland Family and Double Dee Photos for donating the Reg Snow Fox Incentive Award.

It was a big shock when my name was called for this award and I love it so much. Luke is one of my heroes and I was totally speechless when I saw the award.

I would also like to thank everyone who helped me in my first year of Poddy Riding, especially Snow (who is a great supporter of our event), NRA, the Heaton Family, my mates (Lane, Clay and Matty) and my Dad, Mum and Cheyenne.

Thank you  
Corey Lange

## Safety solutions for your event or venue...

Based in Ipswich, West of Brisbane, and covering events from north of Cairns to Newcastle, R.A.C. Services Event First Aid specialises in providing the highest standard of event medical services and risk management. Our First Aid management team - all practicing healthcare professionals - work in partnership with our clients to ensure that our services adapt dynamically to the changing needs of their patrons, participants, cast and crew. Keeping in mind that it is the responsibility of the organising committee for the Event is to supply the necessary life support required after Risk Assessing potential injuries for such event.

### Basic Life Support Medics

R.A.C. Services Event First Aid's team of Basic Life Support Medics provide thousands of hours of first aid every year to a variety of events including sporting fixtures, school events and community functions; all of these medics are trained comprehensively in advanced first aid and resuscitation, defibrillation, spinal injury management and communication skills.

Many of our Basic Life Support Medics are undergraduate paramedic students and engage in regular experience with the ambulance service to keep their skills current. We also require our medics to undertake monthly training and complete annual skills refreshers.

Our Basic Life Support Medic service starts with independent single-officer medics and extends up to major events where more than twenty medics are deployed. Our medics are always supported by our team Duty Manager and Operations Supervisors who provide oversight of all event staff.

### Motor Cycle Teams, Mountain Bike Teams, Medical Support and Rapid Response Vehicles

R.A.C. Services Event First Aid prides itself on the flexible delivery of services to every event.

Particularly useful for events which are spread out over a course (fun runs, triathlons, marathons, cycle races), we can provide a Cycle Medical Team with Basic, Intermediate, Advanced or Critical Care Medics and up to four riders equipped with resuscitation, defibrillation and trauma management packs and medication kits.

We also provide a range of vehicles including Rapid Response Vehicles equipped to provide up to Advanced Life Support level intervention rapidly at the roadside; two stretcher-equipped Medical Support Vehicles, which carry all of the equipment carried on a frontline ambulance, and Support Vehicle designed for off-road events including motocross and downhill mountain biking where accessing patients is difficult.

### Advanced Life Support Medics

R.A.C. Services Event First Aid supplies the 'Advanced Life Support Medic' to deliver care at high risk events which traditionally had been serviced by ambulance paramedics, nurses or St Johns. Our Advanced Life Support team is a close knit group of qualified Paramedics (Advanced Care or Level 3) and Registered Nurses with emergency backgrounds, To ensure safe, responsible and professional practice, our Advanced Life Support team is required to undertake six monthly skills refreshers and complete an ongoing professional development program. We deliver our Advanced Life Support service in a variety of ways including single-officer paramedics and two-officer teams (where two paramedics and a vehicle are provided). We have the capacity to deploy up to ten of these paramedics to major events in a variety of roles including medical oversight, triage and clinical supervision. Advanced Life Support Medics also make up the majority of our operations supervisors and team Duty Managers.

Contact us for more details on these services.

## ROOKIE AND NOVICE

### Rookie Competition:

- A Rookie is a member in their first or second year of Rodeo.
- A Rookie Title can be won in their first or second year of membership.  
Points are accrued from Open Competition Only.  
(Rookie points are recorded in the Open Standings in the newsletter with an \*R\* beside the competitor's name).
- A Rookie is eligible for Novice Money until they "Break Open"

### Rookie Breaks Open

- (1) Wins a title
- (2) Accrues 1000 Novice points in an event
- (3) Completes second year of membership

In all of the above the member will then be deemed to be an open competitor only.

**ALL ROOKIE COMPETITORS MUST ADVISE THE OFFICE IN WRITING OF THEIR ROOKIE STATUS.**

### Novice Competition:

- A novice competitor is a member competing in an event not competed in by said member and has been a financial member of N.R.A. for at least two years.
- A Novice competitor is allowed 1000 points and Novice Money until they break open and become an open member.

Novice Points do not appear in the standings in the Newsletter. All inquiries regarding Novice Points should be directed to the N.R.A. Office.

### Breaking Open:

As a competitor "Breaks Open" they will be notified in writing from the Office and recorded in the "Break Open" Register. The competitors who have "Broken Open" will be published in the monthly Newsletter. These competitors are no longer classed as a Novice Competitor and they are also no longer eligible for Novice money or points. However your Rookie (\*R\*) status will remain in the standings until the end of the Rodeo Season.

The National Barrel Horse Association is the largest barrel racing organisation in the world with over 24,000 members of all ages across the United States and affiliates in six countries; Canada, Italy, France, Panama, the Netherlands and now Australia.

In 2008, NBHA Australia affiliated with the NBHA USA to introduce 4D Barrel Racing to Australia. The 4D concept revolutionised the barrel racing industry by pioneering the divisional format, which allows riders of all skill levels a chance to win money and prizes in barrel racing competition.

NBHA events typically incorporate Open, Novice Horse, Beginner Rider, Junior and Men's Barrel Races. The Divisional format encourages riders to improve their skills and work toward the higher Divisions, while still having a chance to be competitive. Riders are also able to compete on more than one horse providing the perfect training opportunity for young or novice horses.

NBHA Australia has offered 31 barrel races this year which included 3 series – Victory Horse Floats Silver Buckle Series, Grahams Smash Repairs Junior Series and the RideTuff Jackpot Buckle Series.

NBHA Australia's annual finals are one of the richest barrel races in Australia offering a minimum of \$5,000 prize money plus add back. Members who have met basic criteria throughout the year also ride for the chance to compete at the NBHA World Championships in America. This year, NBHA Australia also offered competitors the chance to compete at the Baretto's Rodeo Festival in Brazil and the NBHA World Cup in Italy. .

Whether you're an experienced rodeo rider, a weekend jackpot competitor, a pony club rider or a beginner barrel racer, NBHA is right for you.

How it all works - All riders compete in the same 4D barrel race. The 4 Divisions are then determined by time brackets. If there is more than 1 run for the relevant barrel race, the time brackets will be determined by the average time for each rider. With the 4D format, the OVERALL fastest average time is used to set the time brackets for the 4 Divisions as follows:

- |              |  |
|--------------|--|
| 1st Division | Fastest average time.                                      |
| 2nd Division | ½ second or slower than the OVERALL fastest average time.  |
| 3rd Division | 1 second or slower than the OVERALL fastest average time.  |
| 4th Division | 2 seconds or slower than the OVERALL fastest average time. |

# Iron Man of Rodeo'

## Jimmy McGuire's

### Grandson Rides at Killarney Practice Day

**J**ames McGuire-Spalding, grandson of James Randal McGuire 1937 – 1980. James's Grandfather was known as the 'Iron Man of Rodeo'.

A quick summary of Jimmy McGuire's history. Jimmy competed in 5 major events winning the Title of All Round Cowboy 5 times, 1967, 1969, 1970, 1975, and 1976, also winning 23 Trophy Saddles and Twenty State Titles, just to name a few of his Rodeo History achievements.

On Sunday 28th November 2010 James and his mother Sharon came to the Killarney Rodeo Practice day, to meet up with four of the "Legend Bull Riders". Lance Anderson who once again flew up from Melbourne, John Brearley (Warwick), Graham Heffernan (Gold Coast) and Mitch Deans (Gold Coast).

The four 'Legends' said "it was great being back in Killarney at the Rodeo Practice Day and sharing the day with all the young riders. Especially catching up with Sharon and her son James, who rode well."

Mitch Deans told us back in 1980 a Memorial Rodeo was held in memory of Sharon's father and James's grandfather at Lang Lang Victoria. Mitch said he competed in the Open Bull ride, riding a bull called 'Big M' and shared equal first with John Clancy-Paull, who rode 'Omega' both receiving 74 points.

Lance, John, Graham and Mitch were impressed to hear that the day before, Saturday 27 November 2010, competing at Caboolture Junior NRA Rodeo. The Grandson of one of their Heroes of Rodeo, James McGuire-Spalding, walked away winning the Saddle Bronc with 70 points, 3rd in the Bull Ride with 66 points, 2nd in the Shoot Dogging with a 3.6, a win in the Calf Roping 9.8, 2nd Breakaway Roping 2.5 and 2nd in the Team Roping with a 8 + 5.

Everybody who attended Sundays Rodeo Practice Day would like to thank the Killarney Show & Rodeo Society for the use of the grounds. For further information on the next Rodeo Practice day please phone 07 4666 4111.

"Left to Right: John Brearley (Warwick), Mitch Deans (Gold Coast), James McGuire-Spalding, Graham Heffernan (Gold Coast) and Lance Anderson (Melbourne)."
