BARREL RACING DIRECTOR'S REPORT

The past few months being my first as Director, I have learnt much about the behind the scenes organisation and the extra responsibilities required from the Board of Directors. Hence have much more understanding and appreciation of current and past officials for volunteering their time to contribute to our association.

Resulting from the last Board meeting we have introduced a new responsibility that all open barrel race competitors need to be aware of. As an open competitor it is now your responsibility to check the draws of your event and if you have drawn up as one of the last two competitors then it is your responsibility to assist setting the course one hour before the rodeo. Exemptions to this will be if a day member is drawn in the last two, if this occurs then the last two full members drawn are responsible. You will be assisting the Director/Deputy Director or appointed person (if director is not available). The last two competitors will also be required to help roll the barrels out just before your event.

Currently there are very few people that offer assistance in these areas, and there are quite a few that wouldn't be familiar with the procedure and detail required in setting a course. However, please remember all are welcome to assist setting the course.

If you see us out there we welcome your suggestions, and assistance.

If you have positive or negative comments during or following your event relating to the course, ground conditions etc please remember that you had opportunity to contribute prior. We always set the course the best we can, given the conditions available.

If you are one of the last two competitors drawn, and are unable to assist setting the course for that particular rodeo then it is your responsibility to inform myself as Director by phoning 0419 648 772 prior to the rodeo, giving as much notice as possible.

This new initiative we believe will allow our event to run much smoother with no shortage of helpers. Once this newsletter is distributed I am hoping to start this at Canungra on July 10th.

If you have any questions about this or anything else please do not hesitate to contact me. Wishing you all the very best for the remainder of the season.

Kind Regards,
Karen Upton
Barrel Racing Director

JUNIORS IN RODEO

NRA JUNIOR RODEO

On behalf of Kristy & myself I would like to thank all the Committee & Volunteers who make this show possible. It can be a very thankless job at times but the joy you bring to our children, my hat is off to you all.

Thankyou.

I would also like to make a special thanks to Snow Fox. It is no doubt we are in tough times no matter who we are but Snow keeps dipping into his own pocket time & time again and I hope all Junior competitors that understand this take 5 minutes to make themselves known to you and thank you for your kind support. There is always a feed & a coffee at our camp for you.

Thanks again,

Glen Perkins
