HATS OFF - TO THE GRANTHAM FLOOD RELIEF RODEO AT GATTON.

It started with a conversation between Mick Maroske, Graham Browne and Will Kelly, they wanted to help the flood victims but with work and road closures everywhere it was hard to know where to start. One says to the other well how else can we help, we only know about rodeos; so let's hold one. They made some calls and it seems there were a lot of people out there who thought the same. Friends and family all got on board and everyone they spoke to said, how can we help?

The generosity of businesses and individuals local and afar was astounding, even those who had suffered losses themselves. Goods and services to the value of \$40,000 plus was donated to sell, raffle and make the night a success including gifts to the Grantham guests. The list is too long to even start to mention names. Lockyer Valley families were ready for a break from shoveling mud and mending fences, and so they came; a 4,500 strong crowd turned out to enjoy the festivities, they raised \$46,000. It was an experience to soak up the atmosphere and feel the good will, you could not be there and not get a little emotional, it was proof of how a community draws together to help each other. The funds will go direct to the families of Grantham and surrounding area, overseen by a committee of people from within the town.

Spectators were treated to a fun night of wild horses and mean bulls with thrills and spills aplenty. When Ian Bostock was asked to round out the entertainment with his side splitting humor, he said he would love to. The rodeo competitors donated all prize money as well as the administration fees normally paid to the National Rodeo Association. Winners in each event received a beautiful souvenir trophy buckle kindly sponsored by local businesses which they will treasure I am sure.

EXECUTIVE DIRECTORS REPORT.

2010 commenced with the introduction of a \$5.00 levy to assist in upgrading our finals and upgrading Juniors and Seniors Rodeos. Whilst this new introduction was met with mixed emotions, it proved successful in giving flexibility to the Board and Finals committee to negotiate with old and new committees. The figure presented at the last AGM did not realise the expected financial gain, however it made a substantial contribution to the National Rodeo Association's finances.

Early in 2010 we had to seek assistance from members and other associations to battle a concerted attack on the sport by Animal Activists. Fortunately sanity prevailed and Rodeo survived. But we cannot rest as I am sure we will have to defend our sport in the future. Therefore it is paramount that as a group we must at all times ensure that we do not give these groups any ground for attack.

Comments on Facebook are of concern and the Board sought Legal advice. From this advice, we are prepared to take action against members that use this medium to discredit the Association or persons ie. Board Members, Committees, Contractors, Sponsors, etc. Members using Facebook to express their dissatisfaction with decisions made should seek clarification before posting inaccurate comments that don't serve any purpose except self gratification and make the decision maker's job more difficult.

I must pay tribute to the support I personally received from the Executive Board, Operations Board and Finals Committee members. Our job is no bed of roses, however working as a team it is surprising what the group can accomplish. Whilst we do not all agree at times, I believe the overall decisions in most part have been the correct ones.

In 2010 a number of committee meetings were conducted and I am pleased to advise of some success, number one being Stanthorpe going back to Championship status. Widgee, Maryborough, Woodenbong and Killarney are others we have met with and in 2011 we will continue to promote the NRA through such meetings.

The Finals format was a success and knowing what we now know and help from members this year will improve even more. Most members we trust will strive to make the Top 12 and a Finals berth. We will be conducting Finals meetings early this year and any assistance is welcome, so don't be shy, offer your help.

Our rule book is out of print. What is needed prior to new ones being printed is we must update rule changes. This is a priority in early 2011 as is, once the rule book is upgraded, a Judges Clinic which will be organised. However again I ask for support from all concerned.

I must confess the job I find most difficult is purchasing Trophy Saddles & Buckles, again you can't please everyone; however we looked at quality and a price which we considered affordable. The buckles from Eddie Fisher and the saddles from Tod Slone. Luck was on our side with the Australian Dollar increasing in value after we placed the order thus saving money on the original price. Suzanne Brooks also helped out by bringing the saddles from America in her container of products, again a major save.

Sponsorship is difficult to achieve. We as an Association receive substantial support in this area for which we are grateful and are always striving to gain more and will continue this pursuit. While being mindful of the economy and most companies being hounded for financial support. We must express our sincere gratitude to those that have been a contributor. I have not named any one person or company as I do not wish to offend by leaving someone out. Again I thank you all.

Some people leave the Board as of today and new Directors will be elected. To those departing, we all, as members, thank you for your valued contribution and trust we can count on you for continued support as members. To the newly elected, we congratulate you and welcome you in advance and hope your time on the Board is fruitful and rewarding.

Last but by no means least; I must thank our valued and loyal staff. To Indra and Tabatha and part time Joc, you have all been a joy to work with. The Central Entries Girls are second to none and I congratulate you all on your contribution. I must make special mention of Dale Frahm's wonderful support and undying loyalty to the N.R.A. I look forward to a big bright future for the Association in 2011.

Bill Urquhart
Executive Director

EXECUTIVE DIRECTORS REPORT.

I would like to thank the ladies in the office for their effort throughout the year. Ladies you have done an outstanding job despite the never-ending demands and increased administration.

Thank you Terry O'Neill for managing our interests at this year's Urban Country Music Festival - one of our major fundraising events of the year. Thank you to all those who helped on the day.

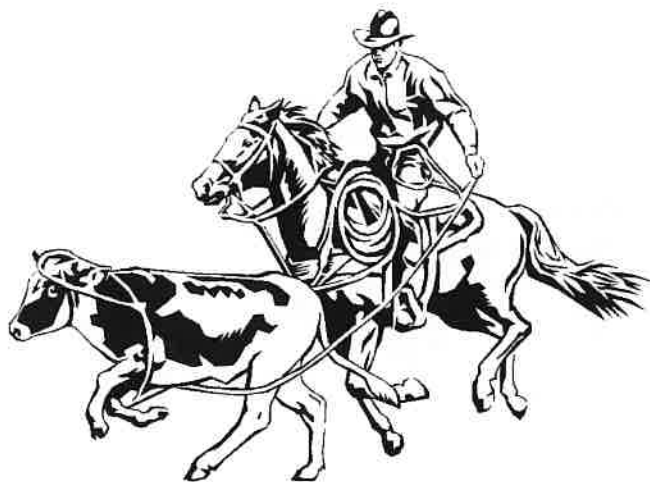

On fund raising, Kate O'Neill was in control of the bar at the Caboolture round of the finals. Well done Kate and thank you very much.

Thank you to the three Finals committees - Ipswich, Caboolture and Nambour for their hosting of a very successful Finals Series.

The introduction of the same two announcers, three judges and two time keepers for all rounds of the finals was a huge step forward. This team of officials was able to offer a continuity of control for all three rounds. By having three judges, contentious decisions were able to be resolved by majority rule. Well done - I hope these improvements and innovations continue.

Finally I would like to thank all members of the Board for their time and effort throughout the year, and I hope the incoming Board members have a successful progressive year.

EXECUTIVE DIRECTOR & 2010 RODEO QUEENS REPORT.

My portfolio as an Executive Director is Insurance and Legals. I was provided this portfolio part way through the year. We were fortunate to have a relatively good year in terms of my portfolio without any major issues or concerns.

I thank the Board for their confidence in appointing me to the role as Executive Director and look forward to assisting the Board and the Association in the future.

My year as Rodeo Queen was very enjoyable and rewarding. It was great to see the number of entrants increase with record numbers of entrants at Widgee Rodeo. Throughout the year I endeavoured to encourage as many girls to enter the quest by demonstrating the impact that the role of Queen can have and the avenues that it can open. I am so proud to see that so many of those girls are following through and are now running for Princess and Queen this season.

We had a few hiccups early in the year when conducting the Queen quests under the previous format of running all categories in the break. As the numbers of entrants increased, this saw the need to split the categories with judging of some parts to occur prior to or during the Rodeo with horsemanship only taking place during the break. This new format was widely accepted by the entrants and I am assuming it was acceptable to the chute bosses as I stopped receiving complaints! If the numbers of entrants remain high, I would suggest that the Quests continue to be run in that format.

Congratulations to all entrants that contests the titles last year. A special congratulations to our newly crowned Rodeo Queen - Bobbi-Jo Blake, Rodeo Princess - Sharni Webb and Junior Princess - Jessica McHugh. I am sure you will enjoy the experience as much as I did.

My Princess - Chelsea Bartlett and Junior Princess - Cheyenne Lange deserve a very big congratulations and thank you for all of your efforts.

Thank you to Louise Wilson and Nicole Cavanagh for your assistance and guidance throughout the year.

A very big thank you to the major sponsors of the Quest - Victory Horse Floats who sponsored the Trails End Saddle awarded to Bobbi-Jo, Cody Kettleton Rural Fencing who sponsored the Trails End Breast Plate awarded to Sharni and the Trails End Saddle Pad awarded to Jess, Chelwood Farm for their sponsorship of the Princess Buckle and last but not least to Spike and Judy Johnstone for their continued sponsorship of the Rodeo Queen Buckle.

Finally, I would like to thank my personal sponsors, Victory Horse Floats and Trails End Saddles.

I wish all entrants in this year's Quest the very best of luck and look forward to another exciting year of Rodeo.

*Stacey Kettleton

SADDLE RIDE DIRECTORS REPORT.

I would like to congratulate all of the 2010 Champions and Queen and Princesses for 2010 and 2011. I have noticed in 2010 that some contractors are not numbering their horses at a rodeo. We need to start keeping an eye out for this so that we can make a change.

*Will Kelly
Saddle Ride Director*

BARREL RACING DIRECTORS REPORT.

Firstly I would like to congratulate the 2010 Champions, Finalists and all competitors for a great 2010 season. Entries are still high to our event each and every weekend. 2010 saw the introduction of request for assistance from fellow competitors to assist the Director to set the Barrel course. It has been a requirement at each rodeo that competitors check their draw prior to the rodeo. If the competitor has drawn out last or 2nd last in the draw they must meet the Director/Deputy Director and/or allocated person by the Director, at the arena one hour prior to the commencement of the rodeo to assist in setting up the course. If a day member draws in these last two positions then the responsibility will turn to the third last competitor and so on. These competitors must also (if committee are not available) assist rolling drums out on commencement of event and assist with timer placements.

Unfortunately this instruction had not been successful having been introduced over six months ago. It continues to be the same competitors setting the course each week, and at times I have been out there on my own which is near impossible when I need someone to hold the other end of the tape measure! This same format is working quite well in our fellow associations with a fine consequence if not adhered to. N.R.A. has introduced with no consequence fine but further negotiation needs to be taken and a fine may now need to be introduced due to very minimal commitment from competitors. You are all encouraged to assist at any time, even if you are not the last two drawn out. It is great to get an insight into how to set a course and what needs to be considered while doing this.

Unfortunately a further frustration, that seems to be apparent more and more is related to ground conditions and size of courses. Some barrel courses timed at just 12 seconds, this is too small. We are fortunate to see a barrel race on the program but would like to encourage committees to consider access to resources to enable a good size arena and are able to prepare the ground to be safe for all competitors and their horses. There is nothing worse than riding into an arena hoping your horse will even just stay on their four legs! Our horses are worth too much to all competitors, the years of preparation to get them to that level does not warrant competing on unsafe ground.

Nevertheless, our own safety is paramount. I encourage all competitors to establish links with your local committees to contribute to these areas.

Please I encourage all competitors to approach me and contribute to better our event.

*Karen Roberts
Barrel Racing Director*

BREAKAWAY ROPING AND STEER UNDECORATING DIRECTORS REPORT.

Hello All,

Firstly I would like to congratulate all the 2010 Champions. Secondly I would like to thank all the people who helped me in 2010 with sponsorship, especially Debbi and Mel Heaton, Ipswich City Council, John Neilsen, J & K Saddlery and Melissa Howard. It was very great to see all the Steer Undecorating Girls wearing our sponsors shirt, a lot of people at the Finals and other Associations have said how professional they looked and how they supported their sponsors well.

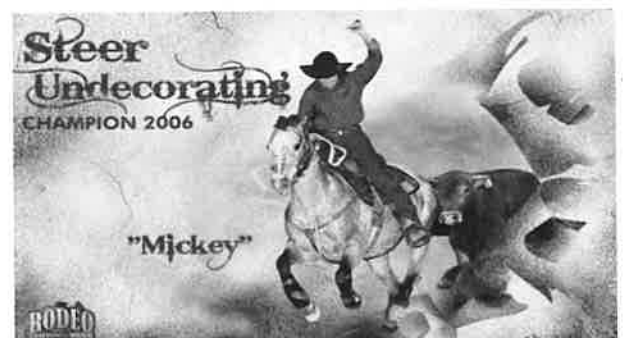

Secondly it was a very difficult and stressful year with people not working together and always butting heads. Hopefully this year we will be able to work as a team and not enemies without threats and attempts of blackmail from members of the Association. If we work together as a Team, Rodeos will be more enjoyable for everyone and we will have a better outcome for the sport.

I hope to make it to as many Rodeos as I possibly can this year and I am open to discuss any issues, ideas or improvements you might have with regards to Breakaway Roping and Steer Undecorating. If you can help or have any suggestions with sponsorship for our events, please contact me on my mobile. Please remember, if we work together as a team and not against each other it will make lighter work for us all.

I would like to thank all committees for running Full Point Rodeos, especially with Steer Undecorating. I am looking forward to see more Steer Undecorating being held at more Rodeos in the future.

Until next time Good Luck for the year ahead and Safe Travelling.

*Kim Lange
Breakaway Roping and Steer Undecorating Director.*

JUNIOR DIRECTORS REPORT.

First I would like to say thank you to the officials and all of the people who have helped at the junior rodeos, Snow Fox for his continued support and all of the staff who worked at the Urban Country and Finals bars.

For all who are competing at the Caboolture Urban Country Rodeo in April, there will be strict rules in place & strict security measures. All vehicles must have a vehicle pass and enter by Gate 2 only. If you do not have a vehicle pass you will be refused entry by the security guards.

Due to strict entry requirements, you will need to contact the N.R.A. office to order your Vehicle Pass. If you will not be going to Conondale, please contact me and we will organise for the passes to be mailed out to you.

Junior Director

RIDE FOR RELIEF RODEO

How do you thank so many people for their support, it was so overwhelming.

A small committee took on a challenge to give some effected families a night out and see if we could raise some money for the community.

Wow no one expected that sort of turn out! The heartfelt thank you's we received from the Grantham community were so very emotional. Talking to them on the night we got comments like, see that family over there they haven't smiled in a month but look at them now their beaming with enjoyment, you guys rock! Let me tell you everybody that supported this event in any way, it was you that rocked!

On behalf of Grantham Disaster Relief Rodeo Committee.

Thank You

RODEO QUEEN REPORT

Alstonville was the first Queen and Princess Quest for 2011. I would like to congratulate all the cowgirls on their appearance and the horsemanship that was displayed. Alstonville Queen went to Haylee Martell, Princess was won by Tamara Stapleton, and Junior Princess was Olivia Webb.

Queen and Princess Quests are being held at the following All-Round Rodeos, Rathdowney Rodeo – sponsored by the Heaton family, Kingaroy Rodeo, Dayboro Rodeo and Gympie Rodeo. For details and times please contact me.

There is also a Rodeo Queen and Princess Quest on the 9th of April for the Conondale Rodeo on the 23rd of April. This Quest is slightly different, for more information on the Conondale Quest please call Christine Peters on 07 5494 4574.

The first of the N.R.A. Queen and Princess Schools is on the 16th and 17th of April at Murray Whitwell's arena. This weekend we are focusing on Horsemanship, Public specking and Interviewing. All cowgirls that are thinking of entering Quests are welcome, as well as parents. I would like to say a huge thank you to the Whitwell's for the use of their arena. Also thank you to our instructors for the weekend, Kim Clarke, Murray Whitwell, Dallas Rumbelow, Nicole Cavanagh, Shandelle Voll and Peta Browne. Bookings are essential for catering and planning of the weekend, closing date is the 7th of April and we require a \$20 deposit at this time. The cost is \$50 for the weekend and Camping is available. A great weekend of fun and confidence building.

Just a reminder to Cowgirls wishing to enter the N.R.A. Queen and Princess Quest at our finals, you must be a financial member of the N.R.A. and have competed in at least four N.R.A. Quests throughout the 2011 season, with your two highest scores going towards you finals score.

Good luck and God Bless.

HATS OFF - TO THE GRANTHAM FLOOD RELIEF RODEO AT GATTON.

continued from Front Page...

Arena officials and stock contractors were pleased to donate their stock and time for such a worthy cause. They were Kerry Hall, Mik Foxlee, Rick Ruhland, Clint Harris, Steve Armitage, Cody Kettleton, Troy Palmer, Dale Roberts and Peter Carswell. The behind the chutes cook, Murray Whitwell made a mean steak sandwich.

Mic Oberle played to a large crowd at the after party, everyone was there to help raise as much money as possible and have a great night out. This really was a special event; to the organizers and anyone who helped or took part; congratulations, you should feel very proud of yourselves.

As a very, very small part of the proceedings, it was a humbling experience.

to Terry Murray and Rebecca Lock, for this kindness and generosity. To all those at the Alstonville Rodeo for their donation for our family we also thank you.

VALE - REBEL

On Monday 28th February 2011 we had to have Rebel euthanized as his arthritis had gotten the better of him, although his heart felt differently. Rebel was 30 ½ years old and Dean and I have had him for 22 years. Dean had been competing on rebel in the Steer Wrestling for some time when Doc Cavanagh gave him to us; both Brad & Troy used to Barrel Race him in the Junior Barrels back in those days.

Many cowboys used to mount out of him and many more learnt to Steer Wrestle on Rebel. I began to Barrel Race him and every year that we competed we made it to the finals, he continued to Barrel Race and place up until he was 19. I also used him as a Rodeo Queen Horse and Grand Entry horse. At the age of 24 we started to use him as a heeling horse and I would Breakaway Rope on him at home. Rebel taught both of my children to ride and he has only been retired for 18 months. I was still winning Team Penning Competitions on him at the age of 28. Dean even ran him in a Draft at Tecbar and got a round out of him. I remember when we first got him we were running scrubbers and my father-in-law was shouldering a beast around, Dean was horrified and said 'don't tell Doc!' Doc said 'whatever you've been doing with this horse, keep doing it'. Rebel was my mustering horse 5 days a week, give him a wash Friday and he was a Rodeo horse on the weekend, most weekends for years he more than paid our way in run money.

For the last 6 years he has lived in our house yard, so we could pamper him and look after him – pay him back for all the wonderful years he has given us. As you can tell (and plenty of people will tell you) I thought the sun shone out of Rebel, on Monday I rang Doc and thanked him again for giving me the best gift (other than my children) anyone has given me – my once in a lifetime horse! He will be sadly missed.

Sandra Gilchrist.

I would like to thank all those who voted for me as your new Director of Junior Events.

I have had a lot of enquiries about having a workshop for the Juniors and am happy to say that my father Terry McHugh and I are in the process of organising workshops in the upcoming months.

I am also looking for sponsors and am glad to talk to anyone who is interested or knows of any potential sponsors.

Please feel free to approach me if you have any questions or suggestions as I am happy to hear them all.

Thank you

Alan McHugh
