DON'T RUN IN

This is a Priority Message

There is an increasing number of members that take it on themselves to run into the Arena when an incident occurs.

This practise must stop as it impedes the Professionals from doing their job and one day may result in a serious or fatal accident occurring. Our Pick up Men and Bull Fighters do not in most cases need help, and People running out with good intentions could well find themselves being prosecuted in a court of law.

The N.R.A. will from here on fine members that run into the arena up to \$150.00 each person.

Steer Wrestling Director's Report

Hi Everyone,

Firstly I would like to thank the Board of National Rodeo Association for the position of Steer Wrestling Director. After a twelve month break from the NRA it is great to be back doing Rodeos after recovering from the 2011 floods.

Since being appointed as an Operations Director it has been very busy with a lot of unfinished business to deal with on the Steer Wrestling side of our sport.

I already have new sponsors for the proposed new awards for our competitors. I intend proposing that there will be a Buckle up for the Hazer of the year, proudly donated by **Calvert Lodge Texas Longhorns and Corriente Cattle Company** and a specially made Chest Plate for the Steer Wrestling Horse of the year, proudly donated by the best saddlery in Australia, **Eddy Powell Saddlery**. I would really like to thank Eddy Powell and Kim Lange for sponsoring these awards, it is greatly appreciated

These new awards are not for the Years Steer Wrestling Champion's horse or Hazer, it is being judged on performance and consistency of the horses and Hazers throughout the year by a number of experienced Cowboys and Cowgirls, which have already been chosen. We really need to reward these people and horses that help competitors week in and week out some with out no reward in our event to become the Champion Steer Wrestler.

I have just finished a proposal with Priefert Australia for sponsorship and offering discounts on all of their products to all committees with the National Rodeo Association. Priefert will be supplying the time event boxes for each round of our finals at the end of the year. They are also offering discounts to all NRA Rodeo committees and members who would like and need to update their time event boxes and arenas. Please contact myself for further information and pricing on 0409 813 116.

I am also working with more companies to come on board to help our association. If you have anyone who is interested in being a sponsor please contact myself so we can approach them.

There are a lot of great changes happening within our association with a lot of new Directors on the Board with great ideas to take our sport to the next level

To all competitors please remember that all the decisions made by the NRA Board is to make it fair for all members and to take the Association to the more professional level.

Please remember the Executive and Operations Directorship is a volunteer role, so treat these people with the respect they deserve and the way you would like to be treated.

Safe Travelling.

ROPING CHUTES

The official chute of the USTRC &

RC98M: MANUAL ROPING CHUTE

Priefert's manual roping chute is the most widely used roping chute in the country. The official chute of the PRCA, USTRC, NTRL, WTRC, the World Series of Roping and other major roping organizations, the RC98M is the chute of choice by professionals. Endorsements by champion team ropers like Trevor Brazile, Speed Williams, Rich Skelton, Allen Bach and countless others have made this chute the most popular piece of equipment in arenas around the country. Available in manual and remote control automatic, the RC98 chute is the quietest, most durable chute on the market.

RC98A: FULLY AUTOMATIC ROPING CHUTE

Having trouble finding chute help? Not anymore. Priefert's remote control automatic roping chute is so easy to operate your kids (and maybe your spouse) will fight over who gets to operate it! The handheld remote control fits in the palm of your hand and has 4 buttons that operate the opening and closing of the front and back gates.

No chute help available? No problem. The remote easily fits in your front pocket and can be operated by the header or heeler. The chute also offers a delay from 1 to 14 seconds to give the roper time to push the release button and get ready to go. This chute is ideal for the practice pen and is great for beginners, professionals and just plain lazy cowboys!

RC98AI: ROPING CHUTE

Priefert's newest fully automatic roping chute takes efficiency to a whole new level! This new chute can work as a traditional automatic like the RC98A or can be switched over to "fully automatic mode". The chute works like this; the roper or chute helper pushes the release button to release the front gate. As soon as the steer leaves the chute, the front gate automatically closes and the back gate opens for the next steer to enter. As the steer enters the chute, an infrared eye facing down into the chute senses the steer in the chute and closes the back gate behind him. When the ropers return to the box the next steer is in place and ready to go! Ironically, your chute help is now the chute itself!

RC98C: CALL ROPING CHUTE

Priefert's Call Roping Chute was designed using the same expert engineering as our other roping chutes. Quality and durability tested by 8 Time World Champion Roy Cooper.

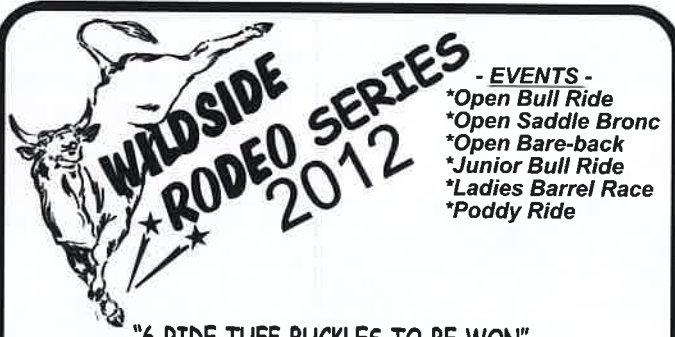

COMPETITION ROPING CHUTE

Endorsed by the PRCA, Priefert's competition roping chute is a full 18" longer than our standard models to meet PRCA requirements. This chute features all the great features of our RC98 series and also features a neck access panel near the front of the chute.

The official chute of the Wrangler NFR.

NSRA Finals Report

On the weekend of Saturday 28th and Sunday 29th April the National Student Rodeo Association held their annual Australian Finals at Coonamble in New South Wales. Members aged 12 and 20 years travelled from throughout New South Wales, Queensland and Western Australia.

The National Rodeo Association Cowboys and Cowgirls finished the Finals with 13 of the 25 Champion buckles. The talent and sportsmanship displayed by these young guns over the weekend was a testament to their love and respect of this wonderful sport of rodeo.

Thank you to everyone associated with the Finals and a special mention to the families and friends that travelled the long road to Coonamble.

Good luck to the Cowboys and Cowgirls representing the National Student Rodeo Association at the American Finals in June and July.

Yours truly in Rodeo

- A Rookie is a member in their first or second year of Rodeo.
- A Rookie Title can be won in their first or second year of membership.
Points are accrued from Open Competition Only.
(Rookie points are recorded in the Open Standings in the newsletter with an *R* beside the competitor's name).
- A Rookie is eligible for Novice Money until they "Break Open"

Rookie Breaks Open

- (1) Wins a title
- (2) Accrues 1000 Novice points in an event

In all of the above the member will then be deemed to be an open competitor only.

ALL ROOKIE COMPETITORS MUST ADVISE THE OFFICE IN WRITING OF THEIR ROOKIE STATUS.

Novice Competition:

- A novice competitor is a member competing in an event not competed in by said member and has been a financial member of N.R.A. for at least two years.

Novice Points do not appear in the standings in the Newsletter. All inquiries regarding Novice Points should be directed to the N.R.A. Office.

Breaking Open:

As a competitor "Breaks Open" they will be notified in writing from the Office and recorded in the "Break Open" Register. The competitors who have "Broken Open" will be published in the monthly Newsletter. These competitors are no longer classed as a Novice Competitor and they are also no longer eligible for Novice money or points. However your Rookie (*R*) status will remain in the standings until the end of the Rodeo Season.

Barrel Racing Director's Report

In my first report, I would like to say a big thank you to Kate Benedict. Kate sponsored stylist vests for the 2011 Barrel Racing finalists. Remember to support our sponsors and Kate has a line of very nice western attire and accessories.

Karen Roberts (Upton), our outgoing Barrel Racing Director. Karen took on the position when no one else put their hand up, and has worked hard for the members. There may have been a few rodeos that she was unable to attend, however she was always in touch with Stacey or myself. Setting a course at a rodeo is about the easiest part of this job. Thanks Karen, all your efforts and input is much appreciated.

As I step into a Directorship role again (I have previously been an event Director for several years, at different times with NRA and WPRA (now APRA)), since the early eighties. Firstly, I'd like to thank and congratulate our Directors through the years – some very difficult times with tough decisions. The average member has no idea of what a board member has to deal with. Yes being a Director entitles one to a free membership for the term in office. Speaking from previous personal experience, it is a VERY expensive 'free membership'.

It entails making/taking phone calls, correspondence, P.R time with committees, checking surfaces prior to rodeos, meetings and the list goes on. I've said for many, many years, every competitor should be either; on the Board or a rodeo Committee or a Judge. Sadly the critics out there can be SO vocal, yet so few put their hand up and offer assistance.

Through my years involved in rodeo (equine sports in general), these days I have zero tolerance to bad horsemanship, sportsmanship and citizenship. A breach in any of these areas can incur fines and/or suspension. The Animal Activists are out and about, looking for the slightest thing to pounce on.

Sportsmanship – we've all at some stage felt that we've been unfairly judged. Well sorry to say – sadly it's not a perfect world; deal with it or stay at home.

Citizenship - we all want for our chosen sport to expand; therefore everyone needs to do their bit. Sell ourselves as good citizens, correct dress attire, politeness to spectators, let the kids pat your horse (whenever possible). It's the general public who come through the gate that decides for a rodeo Committee whether or not there will be a 'next year's rodeo'. No funds = no rodeo.

In the past the NRA has lost what could/should have been good sponsorships. This failure was due to sloppy attire and distasteful behaviour. Just be aware – 'Big Brother' could be looking at YOU and that 'Big Brother' might just be a billionaire looking for something/someone to sponsor.

On a pleasant note, recently I was talking with two of our newer members who have moved from further north to SE Qld. They expressed how much they were enjoying competing at NRA rodeos. Sure, in NRA we don't collect big payout cheques, but we don't have to do 10/12 hour drives and the big entry fees when we get there. We live in a part of Australia, in an Association where we (members) can participate in our chosen sport and still have a great display of end of year awards. So let's look forward to positive input and less criticism.

On closing, thanks to the Barrel Racers who make themselves available to peg courses and roll drums. Much appreciated.

Good luck to all for 2012.

Kim Clarke
Barrel Racing Director

ATTENTION BARREL RACERS

For every Barrel Race, two (2) Ladies are assigned to assist the Director, or Deputy Director, in the setup of the course on the day. The names of these helpers are listed on the website when the draws are posted.

Please make yourself available for setting out the course, rolling out the drums and placing them on their marks. It would also be appreciated if you could make yourself available to help roll the drums away at the end of your event.

BURNIN' DOWN THE HOUSE

A full report of the hottest rodeo action in South East Qld.

By Kate Benedict

WELCOME to the first edition of Burnin' Down the House – An overview of the very best rodeo performances from the last month of competition.

The middle of April saw big crowds attend Toogoolawah Rodeo to witness top class rodeo action.

Stock contractor Danny McLaughlin said his northern bred bucking bull, Rangus and Timmy McArthur put on a good show for the crowd.

"I think from memory Rangus came out and turned back to the left and drifted a little but he challenged Tim right up to the end but to Tim's credit he went the eight seconds," Danny said.

With great arena conditions the event saw the timed event cowboys and cowgirls record some slick times. Lachlan O'Neill and John Gordon put on a good display of steer wrestling to take out first and second place on a 5.094 and 5.249 respectively.

Another close contest for the event was the open barrel race which saw Cheyenne Whitwell challenged for the top spot by Suzanne Brooks who ran a 17.492 while Whitwell was just ahead of her on a 17.482.

The Kingsthorpe bull ride saw a close contest in both the open and novice bull ride with open bull rider Cameron Taylor edging out the competition by just one point to win on 80 points while Scott Pfinger won the novice bull ride by the same margin on 71 points.

The next all around rodeo on the calendar was Caboolture which saw Casey Morris score a big 85 points to win the open bull ride on board Golden Boy with Chris Kelly close on his tail with 84 points and the places rounded out by no less than 80 point rides.

The rope and tie on the same night saw seasoned competitor Mick Duffy get the crowd going with a 10.644 run which gave his younger competitors something to chase but held on for the top spot.

Lachlan O'Neill once again featured in the mix of some hot steer wrestling taking out second place on a 4.903 behind eventual winner Wayne McPhee on a 4.802.

Breakaway roping was also hot with nothing over a 2.893 in the money with places filled by Kim Clarke, Tammy Augustin, Judy Gough and Katie Vaughan.

Bull ride competitors then headed to Goondiwindi for their show bull ride which saw well known local cowboy Jim Rowsell take home the majority of the prize pool with an 84 point ride.

Later in the long weekend competition at was consistent with a convincing win for the day coming from all around competitor David Mawhinney in the open bull ride with a score of 80 points.

Spectators at Widgee on Labour Day saw a relatively new competitor in steer wrestling, Jesse Townsend, turn some heads when he recorded the winning time of 4.730.

The breakaway ropers turned up the heat to finish the weekend of rodeos well, with Kim Clark taking out top position with a 2.253 closely followed by Jamie Cottam, Cheyenne Whitwell and Judy Gough who rounded out the places on a 2.658.
