THANKYOU

We would like to thank all competitors at the Maryborough Show. To enable the rodeo to be a success, competitors needed to ride 2 head and some rode 4 head. Without the help of the willing competitors it would not have been such a success.

ROPING CHUTES

The official chute of the USTRC &

prca
PRORODEO

RC98M MANUAL ROPING CHUTE

Priefert's manual roping chute is the most widely used roping chute in the country. The official chute of the PRCA, USTRC, NTRL, WTRC, the World Series of Roping and other major roping organizations, the RC98M is the chute of choice by professionals. Endorsements by champion team ropers like Trevor Brazile, Speed Williams, Rich Skelton, Allen Bach and countless others have made this chute the most popular piece of equipment in arenas around the country. Available in manual and remote control automatic, the RC98 chute is the quietest, most durable chute on the market.

RC98A FULLY AUTOMATIC ROPING CHUTE

Having trouble finding chute help? Not anymore. Priefert's remote control automatic roping chute is so easy to operate your kids (and maybe your spouse) will fight over who gets to operate it! The handheld remote control fits in the palm of your hand and has 4 buttons that operate the opening and closing of the front and back gates.

No chute help available? No problem. The remote easily fits in your front pocket and can be operated by the header or heeler. The chute also offers a delay from 1 to 14 seconds to give the roper time to push the release button and get ready to go. This chute is ideal for the practice pen and is great for beginners, professionals and just plain lazy cowboys!

RC98M ROPING CHUTE

Priefert's newest fully automatic roping chute takes efficiency to a whole new level! This new chute can work as a traditional automatic like the RC98A or can be switched over to "fully automatic mode". The chute works like this; the roper or chute helper pushes the release button to release the front gate. As soon as the steer leaves the chute, the front gate automatically closes and the back gate opens for the next steer to enter. As the steer enters the chute, an infrared eye facing down into the chute senses the steer in the chute and closes the back gate behind him. When the ropers return to the box the next steer is in place and ready to go! Ironically, your chute help is now the chute itself!

RC98A CALF ROPING CHUTE

Priefert's Calf Roping Chute was designed using the same expert engineering as our other roping chutes. Quality and durability tested by 8 Time World Champion Roy Cooper.

COMPETITION ROPING CHUTE

Endorsed by the PRCA, Priefert's competition roping chute is a full 18" longer than our standard models to meet PRCA requirements. This chute features all the great features of our RC98 series and also features a neck access panel near the front of the chute.

The official chute of the Wrangler NFR.

BURNIN' DOWN THE HOUSE

A full report of the hottest rodeo action in South East Qld.

THE last month has seen the temperature drop across South East Queensland but has not deterred rodeo competitors or fans from turning out in force.

Meringandan saw mixed results for the rough stock cowboys with no scores in the Bull Ride while Joel Hill took out the Saddle Bronc on 76 points and Ashley Clem the Bareback on 75. The Open Barrel Race was a close contest however Kim Clarke came through for the win while Tammy Stapleton was the Junior Barrel Race winner.

Cameron Taylor, Tim McArthur and Frazer Babbington made sure the bulls didn't get the better of the cowboys at Brookfield rodeo, scoring 77, 74 and 73 points respectively to round out the placegetters.

New Australian Professional Rodeo Association champion Matty Makinson showed style in the Bareback to take the win on 77 points.

Meantime Babbington once again thrilled spectators at Gympie Rodeo where he took out the Bull Ride with an 82 point ride.

Other highlights of the Gympie all round rodeo event included an 80 point ride by Clinton Burton in the Bareback while the O'Neill brothers Jordan and Lachlan were quick in the Steer Wrestling to clock 4.328 and 5.341 to take home first and second place.

Another timed event competitor in a hurry was the new Australian Professional Rodeo Association Breakaway Roping champion, Megan Pohlman who took the win at Gympie with a 2.134 second run.

The Fraser Coast Show rough stock rodeo saw competitors ride over two head with Bull Rider Chris Kelly being a stand out performer to take the win on a score of 149 over two head while Cameron Taylor, Ashley Clem and Jack McArthur also got two head covered to win the Saddle Bronc, Bareback and Junior Bull rides respectively.

Over the border at the Casino Beef Week event Shane Want rode up to score 80 points in the Open Bull Ride for the win.

The Caboolture Show All Round and Junior rodeos saw good nominations and all too familiar wet weather at the event.

Event highlights included Allan Flood's 9.829 second run in the Calf Roping to take the win, Sheri Johnson's 1.411 second Steer Undecorating run and an 83 point ride by Martin Carlo in the Open Bull Ride to take home the win.

- A Rookie is eligible for Novice Money until they "Break Open"

Rookie Breaks Open

- (1) Wins a title
- (2) Accrues 1000 Novice points in an event
- (3) Completes second year of membership

In all of the above the member will then be deemed to be an open competitor only.

ALL ROOKIE COMPETITORS MUST ADVISE THE OFFICE IN WRITING OF THEIR ROOKIE STATUS.

Novice Competition:

As a competitor "Breaks Open" they will be notified in writing from the Office and recorded in the "Break Open" Register. The competitors who have "Broken Open" will be published in the monthly Newsletter.
