## INTRODUCING... “THE AUSTRALIAN RODEO FEDERATION”

March 18<sup>th</sup> will forever be a memorable day in Australian Rodeo History. It was on this day the four major Rodeo Associations met, and for the first time agreed in principle to the formation of a governing body for Rodeo.

The ABCRA, APRA, CRCA and NRA were in complete unison in forming a company that would move Rodeo forward. A name was chosen, “The Australian Rodeo Federation”, with the following Office Bearers: Bill Urquhart (NRA) Chairman, Greg Frewin (ABCRA) Vice Chairman, Glen Mansfield (APRA) Secretary and Darryl Baulch (CRCA) Treasurer.

Tuesday 19<sup>th</sup> March the new Australian Rodeo Federation met with invited representatives: Mark Townsend (RSPCA Qld), Daniel Young (RSPCA Qld), Steve Coleman (RSPCA NSW), Jade Norris (RSPCA Canberra) and Greg McDougall (DAFF Qld).

This meeting had other Rodeo Associations in attendance namely:

The National Rodeo Council (Pat Staines), QRA (Yvonne Finger & Peter Barber), RSA (Colin MacTaggart), PBR Australia (Jody & Rick Ruhland). All persons that attended expressed their best wishes to the new body, all agreeing in principle to support the new Rodeo Federation.

A huge task confronts this new body, however with total support the belief is Rodeo will be the big winner.

*Bill Urquhart*

# JUNIORS IN RODEO

## JUNIOR DIRECTOR'S REPORT

*I would like to welcome everyone to the 2013 NRA rodeo season.*

*Once again the wet weather has not been kind to us with several rodeos being postponed, but thankfully most of these rodeos have already rescheduled to run later in the year.*

*As usual all of our Junior rough stock competitors have started the year with a bang with several top rides at the recently held rodeos, keep up the good efforts.*

*As we all know, the NRA has been a great supporter of Juniors in rodeo, running a number of Junior rodeos throughout the year. All of these rodeos are not cheap to conduct and as a result the NRA board have decided to increase the Junior entry fee from **\$9.00 to \$10.00** across all junior events.*

*This change will take effect as of the **1st of May 2013** and I hope you will all support the NRA in their decision.*

*I would like to wish everyone the best of luck in 2013, and remember we all compete in rodeo for one reason and that is because we enjoy our wonderful sport.*

*Safe travels in 2013*

*Alan McHugh*

## PRIEFERT IS THE PREFERRED TIME EVENT BOX OF THE NATIONAL RODEO ASSOCIATION

### ROPING CHUTES

The official chute of the USTRC &

#### RC98M: MANUAL ROPING CHUTE

Priefert's manual roping chute is the most widely used roping chute in the country. The official chute of the PRCA, USTRC, NTRL, WTRC, the World Series of Roping and other major roping organizations, the RC98M is the chute of choice by professionals. Endorsements by champion team ropers like Trevor Brazile, Speed Williams, Rich Skelton, Allen Bach and countless others have made this chute the most popular piece of equipment in arenas around the country. Available in manual and remote control automatic, the RC98 chute is the quietest, most durable chute on the market.

#### RC98A: FULLY AUTOMATIC ROPING CHUTE

Having trouble finding chute help? Not anymore. Priefert's remote control automatic roping chute is so easy to operate your kids (and maybe your spouse) will fight over who gets to operate it! The handheld remote control fits in the palm of your hand and has 4 buttons that operate the opening and closing of the front and back gates.

No chute help available? No problem. The remote easily fits in your front pocket and can be operated by the header or heeler. The chute also offers a delay from 1 to 14 seconds to give the roper time to push the release button and get ready to go. This chute is ideal for the practice pen and is great for beginners, professionals and just plain lazy cowboys!

#### RC98AI: ROPING CHUTE

Priefert's newest fully automatic roping chute takes efficiency to a whole new level! This new chute can work as a traditional automatic like the RC98A or can be switched over to "fully automatic mode". The chute works like this; the roper or chute helper pushes the release button to release the front gate. As soon as the steer leaves the chute, the front gate automatically closes and the back gate opens for the next steer to enter. As the steer enters the chute, an infrared eye facing down into the chute senses the steer in the chute and closes the back gate behind him. When the ropers return to the box the next steer is in place and ready to go! Ironically, your chute help is now the chute itself!

#### RCCALF: CALF ROPING CHUTE

Priefert's Calf Roping Chute was designed using the same expert engineering as our other roping chutes. Quality and durability tested by 8 Time World Champion Roy Cooper.

#### COMPETITION ROPING CHUTE

Endorsed by the PRCA, Priefert's competition roping chute is a full 18" longer than our standard models to meet PRCA requirements. This chute features all the great features of our RC98 series and also features a neck access panel near the front of the chute.

## BURNIN' DOWN THE HOUSE

A full report of the hottest rodeo action in South East Old.

THIS month's rodeo competition kicked off with the Cooyar event which saw Reece Weller the only scorer from 18 open bull riders to take home over \$2700.

Then after a week off it was the Bulls on the Beach event which saw competitors keen to enter the arena following ongoing wet weather.

Matt Carlo took the win in the open bull ride while Jack Capewell leads in the saddle bronc riders, Matty Makinson the bareback bronc ride, PJ Bradford the junior bull ride and Lane Heaton the under 16 junior bull ride.

The Murgon Show Bull and Bronc event was held in the middle of March with the open bull ride won by Ben Palmer with a score of 80 points while PJ Bradford rounded up the places with a 72 point ride.

The saddle bronc saw seasoned competitors Mark Collins, Joel Hill and Jim Ryan take out the placings.

In the bareback travelling partners Matty Makinson and Dinny Moran took out first and second place followed by Parrish May and Ian Niemann.

The tussle for first place in the barrel race was between Maddison Swan with a 13.110 run followed by Suzanne Brooks on 13.184 with Katie Vaughan and Shanae Payne following them.

PJ Bradford was the only score in the novice bull ride to take home a nice prize cheque while in the under 16 junior bull ride Clay Hall, Lane Heaton and Brenton Kuhrt filled the placings.

Big crowds packed the Eatons Hill Tavern for their event at which Scott Glasby did a tidy 80 point ride to win the open bull ride followed by Matthew Carlo on 79 points.

The saddle bronc saw John McNamee win the event followed by Jack Capewell, Mark Collins and Joel Hill while in the bareback it was Matty Makinson who was once again the winner followed by Dinny Moran and Parrish May in second place with Dan Weeden next in line.

The junior bull ride was won by Bailey Schultz while the under 16 junior bull ride was won by Ethan McConnell with Ty Thomson and Jarvis Sawtell placing.

Meantime Cooper Jones was the only score in the poddy ride to take home a tidy \$120 for his 68 point effort.
