## IMPORTANT MESSAGE TO ALL FINANCIAL MEMBERS

With all the changes to the board we are entering a new and exciting era. There will be highs and lows but we have new blood and ideas on the board and openings for new directors to be voted on by the membership. Our aim is to try and get you the members as involved as we possibly can remember this is your association but there seems to be an ongoing culture from some of our members that office staff, Directors and Judges are fair game for abuse and threats.

Please remember these people are doing a job and if you think you have a problem there is a procedure to follow and that procedure is not to threaten, Bribe or abuse them. The Executive Board have unanimously agreed to have a zero tolerance on any of these instances. You will be brought before the judiciary with the potential of being fined or suspended from competing if found guilty.

Think before you speak. There will be a zero tolerance approach for these offences.

## ROOKIE AND NOVICE

### Rookie Competition:

- A Rookie is a member in their first or second year of Rodeo.
- A Rookie Title can be won in their first or second year of membership.
- Points are accrued from Open Competition Only. (Rookie points are recorded in the Open Standings in the newsletter with an \*R\* beside the competitor's name).
- A Rookie is eligible for Novice Money until they "Break Open".

### Rookie Breaks Open

1. Wins a title
2. Accrues 1000 Novice points in an event
3. Completes second year of membership (In all of the above the member will then be deemed to be an open competitor only).

### ALL ROOKIE COMPETITORS MUST ADVISE THE OFFICE IN WRITING OF THEIR ROOKIE STATUS

### Novice Competition:

- A Novice competitor is a member competing in an event not competed in by said member and has been a financial member of NRA for at least two years.
- A Novice competitor is allowed 1000 points and Novice Money until they break open and become an open member. (Novice Points do not appear in the standings in the Newsletter. All enquiries regarding Novice Points should be directed to the NRA Office)

### Breaking Open:

As a competitor "Breaks Open" they will be notified in writing from the Office and recorded in the "Break Open" Register. The Competitors who have "Broken Open" will be published in the monthly Newsletter. These competitors are no longer classed as a Novice Competitor and they are also no longer eligible for Novice money or points. However your Rookie (\*R\*) status will remain in the standings until the end of the Rodeo Season.

## BURNIN' DOWN THE HOUSE

A full report of the hottest rodeo action in South East Qld.

THIS month's rodeo action kicked off with the Morayfield Charity Bull Ride event which saw great prize money paid out with first place going to David Kennedy who took home over \$1500 for his efforts.

It was a tie for second between Frazer Babbington and Ryan Dickens with the pair taking home just under \$1000 each.

Bailey Schultz won the Novice Bull Ride on the night while Lane Mellers took out the under 16 Bull Ride event and Dan Ruhland won the Poddy Ride.

Also held on May 25 was the MLR Timed Event Rodeo which saw great support from competitors.

Highlights of the event included Lachlan O'Neill's 4.414 second run to win the Steer Wrestling while the Breakaway Ropers were in form on the day with Megan Pohlman taking out the event on 2.207 followed by Kim Clarke on 2.222, Cameille O'Toole on 2.224 and Rachelle Carlo on 2.520.

In addition to these two events the Casino Beef Week event was also held on the same day.

Here it was Sam Champ who showed winning style to score 82 points and be ahead of second place getter Frazer Babbington on 79 points.

Other event winners included Matthew Young in the Novice Bull Ride, Jack Capewell in the Saddle Bronc, Taylor Schultz in the Junior Bull Ride, Clay Hall in the Junior Steer Ride, Matthew Emes in the Under 16 Junior Bull Ride and Zane Hall in the Poddy Ride.

To wrap up the month of May, Redbank Plains Rodeo was held on May 31 with junior competitor Jack McArthur taking out the Open Bull Ride and Junior Bull

ride while Joel Hill led in the Saddle Bronc Riders and Matty Makinson the Bareback Bronc Riders. Meantime the Under 16 Junior Bull Ride was won by Beau Creighton and the Poddy Ride was won by Zane Hall.

Next on the calendar was the Kyogle Bull Ride Spectacular which once again saw David Kennedy and Frazer Babbington go first and second while John Foster took out the Novice Bull Ride and Bailey Schultz won the junior.

The annual Caboolture Show Rodeo held over two days this year saw Tristan Hartley win the Open Bull Ride while far North Queensland competitor Lee Bowker took out the Saddle Bronc and placed second in the Bareback Bronc Ride behind event winner Matty Makinson.

The Steer Undecorating was hotly contested with Katie Vaughan taking the win on 1.653 seconds while second placed Tammy Augustin clocked 1.661.

Next it was on to Teebar for their flood recovery event at which almost-local Ryan Dickens showed form in the Open Bull Ride to take first place while Cooyar's Jim Ryan took out the Saddle Bronc and Parrish May won the Bareback Bronc Ride.

At the timed event end of the arena Brad Cavanagh had a good day, winning the Steer Wrestling and taking out second place in both the Rope and Tie and also the Team Roping.

That evening many competitors travelled to Nambour for the Sunshine Coast Show Rodeo where Reece Weller showed great form to score 86 points to win the Open Bull Ride.

Full Name	<b>Lane Mellers</b>
Where are you from?	Beaudesert QLD
Career Highlights you are most proud of?	I won Alpha steer ride on a 87 point ride to win my first buckle
Describe your most exciting ride to date?	A junior bull at the V Arena practice night from MF Bucking Bulls that normally bucks me off but he didn't and he spun into my hand and I rode him.
Hardest thing you had to learn?	Hardest thing was to look on the bright side of a buck off.
Where are some of the rodeos you have participated in?	I've rode everywhere from Kempsey to Mackay.
How long you have been riding?	4 years.
How old were you when you started riding?	I was ten when I started on calves.
Have you competed overseas or been to any international events?	Not yet but I am hoping to ride in New Zealand at the end of the year for the High School Team.
Any other points of interest that would be of interest from a media perspective?  (e.g. number / type of injuries incurred during your rodeo years, etc)	I have popped my wrist which needed an operation to replace it, a couple of stiches, unconscious once from landing wrong but luckily touch- wood nothing bad enough that I have ever wanted to give up. I live and breathe rodeo. I look forward to every weekend so I can compete.

## PRIZE MONEY/OFFICIAL PAYMENTS IN CHEQUES AT RODEOS

Please be advised that it is no longer possible to cash the committee's cheques at the Bar for some of the rodeos.

If possible a few committees will cash their cheques at the Bar however there are more rodeos that won't do so.

Your understanding in this matter is greatly appreciated.

Thank you

### RC98M: MANUAL ROPING CHUTE

Priefert's manual roping chute is the most widely used roping chute in the country. The official chute of the PRCA, USTRC, NTRL, WTRC, the World Series of Roping and other major roping organizations, the RC98M is the chute of choice by professionals. Endorsements by champion team ropers like Trevor Brazile, Speed Williams, Rich Skelton, Allen Bach and countless others have made this chute the most popular piece of equipment in arenas around the country. Available in manual and remote control automatic, the RC98 chute is the quietest, most durable chute on the market.

### RC98A: FULLY AUTOMATIC ROPING CHUTE

Having trouble finding chute help? Not anymore. Priefert's remote control automatic roping chute is so easy to operate your kids (and maybe your spouse) will fight over who gets to operate it! The handheld remote control fits in the palm of your hand and has 4 buttons that operate the opening and closing of the front and back gates.

No chute help available? No problem. The remote easily fits in your front pocket and can be operated by the header or heeler. The chute also offers a delay from 1 to 14 seconds to give the roper time to push the release button and get ready to go. This chute is ideal for the practice pen and is great for beginners, professionals and just plain lazy cowboys!

### RC98AL ROPING CHUTE

Priefert's newest fully automatic roping chute takes efficiency to a whole new level! This new chute can work as a traditional automatic like the RC98A or can be switched over to "fully automatic mode". The chute works like this; the roper or chute helper pushes the release button to release the front gate. As soon as the steer leaves the chute, the front gate automatically closes and the back gate opens for the next steer to enter. As the steer enters the chute, an infrared eye facing down into the chute senses the steer in the chute and closes the back gate behind him. When the ropers return to the box the next steer is in place and ready to go! Ironically, your chute help is now the chute itself!

### RC98ALF: CALF ROPING CHUTE

Priefert's Calf Roping Chute was designed using the same expert engineering as our other roping chutes. Quality and durability tested by 8-Time World Champion Roy Cooper.

### COMPETITION ROPING CHUTE

Endorsed by the PRCA, Priefert's competition roping chute is a full 18" longer than our standard models to meet PRCA requirements. This chute features all the great features of our RC98 series and also features a neck access panel near the front of the chute.

The official chute of the Wrangler NFR.
