HATS OFF TO THE CONDAMINE RODEO COMMITTEE

It needs to be said, Condamine Bell Rodeo committee has set the bench mark with an outstanding maximum point Rodeo, the enthusiasm of this committee spilled over to the competitors who in turn put together some very professional performances which had the spectators total attention. They could tell all the Cowboys and Cowgirls had worn their riding pants. It was a case of lift your game or settle for fifth place. The stock that was chosen was outstanding. The Bulls were Athletic and rank, well done to George Ayers. The Broncs were very bucky .With 18 competitors it did not matter what the Bronc Riders drew, if you didn't lift your rein you were in the dirt. A polished ride was made by Greg Hamilton for a very deserving win. Hank McArthur presented a fine and even pen of bucking horses well done.

Peter Barber chose a perfect line of junior stock for the poddies and steers which all the junior competitors relished; he also supplied the time event stock that just kept coming. 55 Teams in the team roping. 29 Breakaway Ropers, 21 Steer wrestling, 12 Calf Ropers and they all ran, well done Peter. The Time event competitors were really on their game which made for some good fast spectacular runs .The Barrel Racers were given a perfectly presented Arena and a surface that produced some very slick times .Two of the very best, posted times in the 15 seconds on a big course. Cheyenne Whitwell and Laura Bostock you go girls. This year was the second year for Condamine Bell. The effort they as a committee had put in during the year was very obvious and commendable, with the improvements to the Arena area, both in the front and out back it wasn't just a lick of paint, it was a professional face lift with races added, walk ways introduced. The committee members worked as a team to pull this together. There was a worker at every gate and even the Burgers were sold with pride. The Condamine community should be very proud of their local Rodeo committee for a job well done. It was a pleasure to be involved; we take our Hats off to you all.

Thankyou

This rodeo is dual affiliated with the ABCRA and will be run under their rules. Junior competitors are not permitted to compete in the Open Barrel Race in the ABCRA. To ensure that NRA All Round points apply any relevant NRA juniors will be allowed to run in the Open Barrel Race as a non-competitive entrant. This means that they will not be able to win prize money but they will be able to win points. They will not be charged an entry fee to compete provided that they are also competing in the Junior Barrel Race.

Due to the ABCRA's different age restrictions to the NRA in other optional events, no points will be awarded for the Steer Undecorating, Junior Barrel Races and Junior Steer Rides. Full points will be awarded towards NRA titles in all other events including the Junior Bull Ride and Junior Breakaway Roping.

LAWRENCE TWILIGHT RODEO NOTICE

This rodeo is dual affiliated with the ABCRA and will be run under their rules. Junior competitors are not permitted to compete in the Open Barrel Race in the ABCRA. To ensure that NRA All Round points apply any relevant NRA juniors will be allowed to run in the Open Barrel Race as a non-competitive entrant. This means that they will not be able to win prize money but they will be able to win points. They will not be charged an entry fee to compete provided that they are also competing in the Junior Barrel Race.

Due to the ABCRA's different age restrictions to the NRA in other optional events, no points will be awarded for the Steer Undecorating, Junior Barrel Races and Junior Steer Rides.
