4. A competitor may only win one Rookie title per event.

Rookie Breaks Open

1. Wins a title.
2. Accrues 1000 Novice points in an event.
3. Completes second year of membership
4. (In all of the above the member will then be deemed to be an open competitor only).

Novice Competition

A Novice competitor is also eligible to compete in open competition until such time as novice and open points reach 1000. All novice and junior rough stock competitors must wear protective equipment such as a helmet and vest. (Novice Points do not appear in the standings on the website or in Newsletter. All enquiries regarding Novice Points should be directed to the NRA office).

Only monies won at NRA affiliated points awarded rodeos count towards breaking novice status.

Novice points awarded is accumulated for the lifetime of the member. Junior competitors may continue to compete in Novice events until either turn 18 years of age or win an open event.

2015 Director Reports

Chairman's Report

It has been a real pleasure again this year to work with a committed group of guys on the Executive Board. Jason's portfolio is the office. His business skills are a huge attribute and he is the 'go to' man for procedures etc. Bob is our finance man and though frugal, is willing to open the purse strings occasionally when required. Luke looked after animal welfare and sadly will be leaving us this year. I especially want to thank him for his dedicated service over many years. He will be sadly missed. Marcus has brought a new energy to the group and took on the difficult task of committee rep from me. With so many events and not enough dates, his job has proved to be a real challenge this year and Marcus has negotiated this in a very professional manner.

As the Chairman, I try and keep my finger on the pulse of everything that's going on, made so much easier with such a dedicated team. We continue to meet each month and are in constant communication with each other and the office.

We meet with the Event Directors every second month as a full board. We alternate between face to face meetings and conference calls. We were fortunate this year to have quality Directors and things ran pretty smoothly. Unfortunately, both Judy Gough as breakaway roping director and Tim Kelly as Bull Riding Director resigned during the year for personal reasons. A big thanks to Marcus and Melissa Howard for taking over the role of Breakaway Roping Director. Melissa will be leaving at the end of the year along with Al McHugh, they have both done a tremendous job over many years. Darren Millburn's turn as Steer Wrestling Director also finished this year.

We have some new Directors starting in 2016. Congratulations to Nicole Cavanagh for being voted on as the Breakaway Roping Director. Other appointed Directors for this year are Josh Green as the Team Roping Director, Dale Jones as Bull Riding Director, and Jordan O'Neill as Steer Wrestling Director. It gives me great pleasure to welcome them aboard and I look forward to working with them. Patty, Norma and Courtney continue to do an outstanding job in the office. Nothing is ever too much trouble and always with a cheerful attitude. Larry Cann was also employed for the first three months of this year to chase up grant applications and sponsorship. While this didn't go as well as hoped, he did bring in a couple of rodeos for us.

There was a tense period among some of our juniors with reports of bullying. This situation can get pretty sensitive however I was extremely impressed that parents didn't turn on each other but spoke to their children and worked it through. Bullying won't be tolerated in this association and I am proud of the juniors involved for overcoming their differences.

The rule book has finally been completed and will be online for 2016. A big thanks to Nicole Hingst, Jason Hall and Patty for all the work they put in to get it finished.

In July, Bob, Jason and myself had a meeting with the APRA and Paul Davenport, a representative of Affinity Insurance to have a look at our insurance, ask some questions and look at some ways forward. We made the decision to go on our own and with both the APRA and NRA going with Affinity, our premiums stayed down. There is definitely a greater risk, but we felt the benefits were in our favor.

I'd like to say a big thank you to the Finals Committees for an excellent three rounds. It is a huge undertaking to run a round of the finals with more stock required for less competitors, more prize money etc. I really appreciated all the work that went into these events to give our members a quality finals series and promote our association.

As an association, we are in exciting times. We are currently in consultation with committees in the North and West and the possibilities for expanding could have huge benefits. With our finance now in a stable position, our insurance covered, a growing membership, a strong and cohesive Board, our future looks promising.

Regards,

Chris Meyer.

Steer Wrestling Director's Report

It gives me great pleasure to be writing the Steer Wrestling Report for the 2015 year. Firstly, I would like to thank the committees who each year continue to make Steer Wrestling a part of their program and to those committees who have added to their programme for the first time, hopefully this will continue throughout the 2016 Rodeo year. To the contractors who supply the stock, I appreciate the time, money and effort that goes into providing cattle that is consistent and fair for all cowboys in the event. A big thank you must go to those who each and every weekend help out both contractors and committees so that the rodeo can run smoothly, as most would know any help around the time box is beneficial and I hope this continues in the future. Thank you to the office staff for continuing to do a great job throughout the year, providing a well organised office that enables committees and rodeos to run effectively. A big thank you to all the Steer Wrestling competitors, there has been great sportsmanship demonstrated throughout the year and very competitive right until the end which is great to see. Lastly, I would like to congratulate the 2015 title winner George Wheeler. I would like to wish everyone a very Merry Christmas and a safe and successful 2016.

Regards

Darren Millburn

Team Roping / Rope & Tie Director's Report

It's hard to believe it has been 12 months since I put my hand up to be a director and the journey has been a real eye-opener to say the least. I have found the role rewarding, but I must add that until you're involved in the Association in an organisational role, it is hard to imagine how demanding the role can be. I take my hat off to the other Directors and the members of the Executive Board for what they do to keep this Association running smoothly.

I'll begin with the Team Roping. We have had a fairly trouble-free year with large entries and minimal issues at most of the rodeos. Credit goes to all involved – from the competitors to the judges and contractors. I would like to try and organise some schools for our team roping competitors as I feel many of us could benefit from some fresh knowledge and skills to raise the quality of our runs -for our own benefit and for the benefit of the spectators.

The Rope & Tie this year has seen Thomas Whitwell provide a stand-out performance all year – he placed or won at every rodeo in 2015 except for 4. This is an unbelievable effort and Tom is a well-deserved title winner. The year brought only a few issues, which I tried my best to resolve as quick and as conflict-free as possible. I felt we didn't have any battles of our cattle not being pre-worked properly prior to any Rodeo. I do feel that the issue of calf-sizing is still debatable at times, but without portable scales available at our Rodeos it is difficult to police our sizing rules. In the coming year I'd like to work with our Rodeo Queen and some of our stronger committees to fundraise for the purchase of some portable scales. The Rope and tie event still faces the challenge of low entry numbers, and I feel that cattle sizing contributes to this problem. As suggested for Team Ropers, I would like to see schools or some skills practice sessions be held, which would improve entries by encouraging our competitors and helping develop some junior competitors so they might feel confident to step up to the level of Open Rope & Tie.

Finally, I would like to thank everyone for a successful year and I hope I was able to assist in my role as Director by being an approachable representative and a 'voice' for the competitors. I look forward to continuing on as Rope & Tie Director next year.

Regards

Steven Augustin

NRA Drug and Alcohol Policy

Aim:

The National Rodeo Association (NRA) has a zero tolerance towards drugs and alcohol and is committed to doing everything within its power to ensure that all employees, contract personnel and riders of NRA are not exposed to the risks inherently involved with the use of illegal substances or the excessive consumption of alcohol in or around the sport of Rodeo.

Principles:

- a. It is the responsibility of the individual to present themselves fit to compete or work.
- b. As a NRA Member / Day Member / Employee you are sometimes placed in a high risk environment and as such no NRA Member / Day Member / Employee may compete and or work at a NRA Event if under the influence of drugs or alcohol.
- c. At no time are a NRA Member / Day Member / Employee allowed to have illegal drugs in their possession while at a NRA Event or associated event function (including but not limited to After Parties, Pre Event Meet and Greet, and Autograph Signings etc.).
- d. At no time is a NRA Member / Day Member / Employee allowed to have any other type of drug in their possession or on NRA Event premises unless it is for medication purposes, in this situation the person must present themselves with the appropriate medical advice to the designated NRA Event Official and follow all procedures for their place in the event whether it be rider, protection athlete, stock contractor and or event official.
- e. No NRA Member / Day Member / Employee will be allowed to compete or participate in a NRA Event whilst they are affected or under the influence of a performance altering drug or alcohol.
- f. To fulfil legal and contractual obligations all NRA Members / Day Members / Employees will adhere to this policy. This policy will have the final outcome over what disciplinary action will be taken in accordance with this policy.
- g. Testing will be conducted at two differing instances;

Random Testing – At any NRA Sanctioned Event you may be asked to participate in a random drug and alcohol test, refusal to participate will be classed as a non-negative result.

Suspicion of use – A NRA Official (Board Director/Judges/Arena Director) has the right to challenge any NRA Member / Day Member that they feel is acting as if under the influence of drugs or alcohol to a drug and alcohol test. Symptoms may include: Slurring speech, drowsiness, heavy eyes, uncontrolled bodily movement, irrational behaviour, moodiness, violent behaviour, paranoia, etc.

The Board of NRA wish all Members / Day Members / Employees to understand that the safety and wellbeing of their Members / Day Members / Employees is their highest priority, and hope that the implementation of this policy will convey the direction and importance that this issue has for our company. The Association will offer assistance and or arrange counselling and/or rehabilitation for alcohol and drug abuse. NRA will endeavour to carry out random drug and alcohol screening on its Members / Day Members / Employees regularly. This will be carried out by a suitably accredited tester or nominated medical advisor who will be available at the scheduled time of testing. Details of all test results will not be disclosed to anyone that does not have a need to know.

Process for Random testing – Negative result

1. The Member / Day Member / Employee will be told of the drug test immediately before being required to give the sample.
2. The Member / Day Member / Employee will accompany the relevant safety or management personnel to the testing facility of the company's choosing.
3. The test will be conducted and results given.
4. Upon return of a negative result you will be free to continue on with normal duties.
5. The evidence of the test will be logged on.

Process for Random testing – Non negative result

1. The Member / Day Member / Employee will be told of the drug test immediately before being required to give the sample. (If the Member / Day Member / Employee refuses to give a sample the test will automatically be deemed as non-negative).
2. The Member / Day Member / Employee will accompany the relevant safety or management personnel to the testing facility of the company's choosing.
3. The test will be conducted and results given.
4. Upon return of a non-negative result (BAL over 0.05% or the presence of a drug where the reading is at or exceeds AS4308:2001) you will not be allowed to compete and or partake in your duties at the event, you will be interviewed by the manager in charge (you may ask to have a support person present), and given the option to retest, if the test remains non negative then the retest is at the Member / Day Member / Employee cost however if the test is then negative NRA will pay the cost. Each case will be dealt with on its own circumstances but typically.

Alcohol

First offence involving alcohol will result in being immediately stood down from the event without pay or refund of entry fee and a written 6 event suspension (All NRA events) will be given.

Second offence involving alcohol will result in immediate termination of your membership and or employment (All NRA events).

Illegal Drugs

First offence involving drugs will result in being immediately stood down without pay or refund of your entry fee and a written 6 event suspension at all NRA events will be given. The Member / Day Member / Employee will be provided to show the association evidence of a negative drug test that is carried out by a nominated medical advisor at the member/employee's expense. Once NRA has proof of a negative test it will then be up to the Executive Board to decide on what provisions the Member / Day Member / Employee will return.

Second offence involving drugs will result in immediate termination of your membership and or employment (All NRA Events).

5. The evidence of the test will be logged on the NRA server and kept permanently.
