2015 Director Reports

Barrel Race Director Report of 2015

Firstly, a huge thankyou to Exiss/Sooner trailers and Suzanne Brooks for the generous sponsorship to NRA, towards the Barrel race saddle and trophies, and for also getting the trophy saddles landed to Australia in readiness for the presentation night yet again. I would also like to say a huge thanks to Katie Upton for arranging the stylish jackets from "Can Do Cowgirls" for finalists, and to Lynda Graham who secured two \$300 vouchers from "Ariat" for boots. Lynda had also been in constant contact with "Southern Cross Saddlery" regarding their donations, and also supplied a box full of smaller trophies which were handed out for various awards at the Jnr presentation at Caboolture, so thankyou to both companies for all their efforts. Thanks to "Hygain" for their ongoing sponsorship of produce at various rodeos throughout the year, and of course "Rubber Belt Mart" who had this year sponsored two of the Jnr buckles thankyou Leanne.

To the committees, I hope your rodeos in 2015 proved to be both rewarding and financially beneficial. I would also like to mention it was good to be back at Miriam Vale, who put together a well-run rodeo, with a fair amount of reassurance from Doc well prior to the rodeo.

With finals at Dayboro by CMC, without both parties banding together there's a strong chance of no three rounds of finals. The venue looked amazing, stock and competitors performed well despite wet conditions which sadly and financially had a huge effect on the attendance of spectators. However, under difficult circumstances, plus two juniors being injured the rodeo still ran through in 4hrs and 40mins.

Toowoomba - a hot day but not wet, being in the indoor was nice and was arena conditions that suited all events. Horses and bulls bucked well, beaut to see Jack McArthur win the bull ride. Peter Barber supplied even lines of timed event cattle. The programme caused a little confusion among competitors due to a different format of conditions, used when running a finals rodeo.

Caboolture - we can always rely on Caboolture on producing the goods for the last round of the finals. A huge thankyou and congratulations to Caboolture show society and rodeo committee. To the Cavanagh's, O'Neill's, and to Hank and the boys, an extra special thank you for supplying such suitable and well performing stock throughout the entire day. With only a couple of slight delays, it was a big day to get through with a full Jnr programme, rodeo queen judging, and the final round including victory laps of champions all completed by 9:05PM. This was made possible with Jason's quick thinking and calculations on point's tallies.

As director I can't compliment the barrel racers enough on their professionalism and performances during the finals, and I might add how quickly our event ran through. The competition was fiercely hot. Laura and Lethal deserving some huge congratulations - our 2015 Champion. Runner up by only ten points Cheyanne and Joker - what an amazing achievement on a young horse. You are both winners to me.

The Junior Barrel Race - a tie and a run off for the title - it doesn't get any closer than that. All eyes in attendance at the rodeo were glued to the arena. Top performances were witnessed by both girls, with Brittney emerging this slightly faster time over Oliva. Great effort from both of you - no pressure MUCH!

To the members - from time to time I get to hear negative comments - such as "this isn't right" or "that's wrong", another one being "rules for some and rules for others". NRA is a super association in so many ways; we do not want to loose what we have in our own back yard. So if/when you have an issue, don't just gripe about it at the back - talk to a director, write a letter and send it to the office as well as your director if you see fit. It is also advised to show up to the meetings and be heard. NRA is nothing without its members. To fellow directors I know all too well that at times there are tough decisions to be made but my number one moto is "whatever the decision it has to be fair across the board for everyone - officials, members, contractors".

I look forward to working with the old and new board members, and hope to be of assistance to members where ever possible. To Allan Mchugh, your contribution as junior director has been outstanding, you are in the "know" of things happening - of good and not so good more than most people would be aware of. Your input on the board over the years will be greatly missed. Enjoy family and chill out time. Melissa has now stepped in as my deputy director, thank you.

From Bruce and myself we wish everybody a safe and happy festive season, and all the best for 2016.

Junior Director Report of 2015

Firstly, I would like to congratulate all the champions and competitors in the 2015 rodeo season. The competition throughout the three rounds of rodeo finals was fierce and it was great to see how much passion many of the juniors have for their chosen sport. I would like to congratulate the following people for being the overall title winners for their events: Ethan McConnell winning the junior bull ride, Clay Hall winning the Junior Steer Ride, Nash Jones winning the Poddy Ride, Lane Heaton winning the Junior Breakaway Roping and Britney Stapleton riding Roxy winning the Junior Barrel Race. With this year being my last as the Junior Director for the association, I would like to thank all the officials and helpers for volunteering their time at all the junior rodeos, as well as my family for their undying support. I would also like to thank my fellow directors for their advice and guidance throughout my years of being the junior director. This year has been by far the absolute best year I've had as Junior Director due to every junior member conducting themselves in a safe and professional manner. I thank you all for making my last year as being the Junior Director the best year for me. I would like to congratulate Christine Gall on her new appointment as the Junior Director for the 2016 season. I wish you all the best with the coming rodeos and I'm sure the junior members will continue their great behaviour throughout next year.

Yours in Rodeo,

Allan McHugh

We are very pleased to announce on behalf of myself and Vanessa, the Redland Bay Business Community, The Cage Youth Foundation, that Nash Jones not only took the purse and buckle on the day for his efforts in the Calf Ride but he has now had his nominations paid for by Grass Roots Bull Riding for the 2016 season! Well Done Nash!

We are all about helping the young guys achieve their dreams and know some of the strain that parents have financially to make this happen.

It's our motto to continue to provide a quality show, treat Cowboys as professional sportsmen and let the world know rodeo is a recognised sport.

Again, congratulations to Nash Jones for his win at our 4th Annual Grass Roots Bull Ride Redland Bay.

Jesse & Vanessa James
GRASS ROOTS BULL RIDING

NRA Drug and Alcohol Policy

Aim:

The National Rodeo Association (NRA) has a zero tolerance towards drugs and alcohol and is committed to doing everything within its power to ensure that all employees, contract personnel and riders of NRA are not exposed to the risks inherently involved with the use of illegal substances or the excessive consumption of alcohol in or around the sport of Rodeo.

Principles:

- a. It is the responsibility of the individual to present themselves fit to compete or work.
- b. As a NRA Member / Day Member / Employee you are sometimes placed in a high risk environment and as such no NRA Member / Day Member / Employee may compete and or work at a NRA Event if under the influence of drugs or alcohol.
- c. At no time are a NRA Member / Day Member / Employee allowed to have illegal drugs in their possession while at a NRA Event or associated event function (including but not limited to After Parties, Pre Event Meet and Greet, and Autograph Signings etc.).
- d. At no time is a NRA Member / Day Member / Employee allowed to have any other type of drug in their possession or on NRA Event premises unless it is for medication purposes, in this situation the person must present themselves with the appropriate medical advice to the designated NRA Event Official and follow all procedures for their place in the event whether it be rider, protection athlete, stock contractor and or event official.
- e. No NRA Member / Day Member / Employee will be allowed to compete or participate in a NRA Event whilst they are affected or under the influence of a performance altering drug or alcohol.
- f. To fulfil legal and contractual obligations all NRA Members / Day Members / Employees will adhere to this policy. This policy will have the final outcome over what disciplinary action will be taken in accordance with this policy.
- g. Testing will be conducted at two differing instances;

Random Testing – At any NRA Sanctioned Event you may be asked to participate in a random drug and alcohol test, refusal to participate will be classed as a non-negative result.

Suspicion of use – A NRA Official (Board Director/Judges/Arena Director) has the right to challenge any NRA Member / Day Member that they feel is acting as if under the influence of drugs or alcohol to a drug and alcohol test. Symptoms may include: Slurring speech, drowsiness, heavy eyes, uncontrolled bodily movement, irrational behaviour, moodiness, violent behaviour, paranoia, etc.

The Board of NRA wish all Members / Day Members / Employees to understand that the safety and wellbeing of their Members / Day Members / Employees is their highest priority, and hope that the implementation of this policy will convey the direction and importance that this issue has for our company. The Association will offer assistance and or arrange counselling and/or rehabilitation for alcohol and drug abuse. NRA will endeavour to carry out random drug and alcohol screening on its Members / Day Members / Employees regularly. This will be carried out by a suitably accredited tester or nominated medical advisor who will be available at the scheduled time of testing. Details of all test results will not be disclosed to anyone that does not have a need to know.

Process for Random testing – Negative result

1. The Member / Day Member / Employee will be told of the drug test immediately before being required to give the sample.
2. The Member / Day Member / Employee will accompany the relevant safety or management personnel to the testing facility of the company's choosing.
3. The test will be conducted and results given.
4. Upon return of a negative result you will be free to continue on with normal duties.
5. The evidence of the test will be logged on.

Process for Random testing – Non negative result

1. The Member / Day Member / Employee will be told of the drug test immediately before being required to give the sample. (If the Member / Day Member / Employee refuses to give a sample the test will automatically be deemed as non-negative).
2. The Member / Day Member / Employee will accompany the relevant safety or management personnel to the testing facility of the company's choosing.
3. The test will be conducted and results given.
4. Upon return of a non-negative result (BAL over 0.05% or the presence of a drug where the reading is at or exceeds AS4308:2001) you will not be allowed to compete and or partake in your duties at the event, you will be interviewed by the manager in charge (you may ask to have a support person present), and given the option to retest, if the test remains non negative then the retest is at the Member / Day Member / Employee cost however if the test is then negative NRA will pay the cost. Each case will be dealt with on its own circumstances but typically.

Alcohol

First offence involving alcohol will result in being immediately stood down from the event without pay or refund of entry fee and a written 6 event suspension (All NRA events) will be given.

Second offence involving alcohol will result in immediate termination of your membership and or employment (All NRA events).

Illegal Drugs

First offence involving drugs will result in being immediately stood down without pay or refund of your entry fee and a written 6 event suspension at all NRA events will be given. The Member / Day Member / Employee will be provided to show the association evidence of a negative drug test that is carried out by a nominated medical advisor at the member/employee's expense. Once NRA has proof of a negative test it will then be up to the Executive Board to decide on what provisions the Member / Day Member / Employee will return.

Second offence involving drugs will result in immediate termination of your membership and or employment (All NRA Events).

5. The evidence of the test will be logged on the NRA server and kept permanently.
