### Chris Meyer – Chairman

This year, the National Rodeo Association celebrates its Fiftieth Anniversary. This is a great milestone and one that we should be proud of. We have asked past champions to give out the trophies to our 2017 Champions at Presentation Night as a way of remembering our past.

A big part of our heritage is that we have been a family oriented association and I firmly believe we should continue in this vein. We have had six junior rodeos this year, not to mention junior and women's events at our all-around rodeos. While our prize money may not compare with other associations, our entry fees are affordable for families.

I would sincerely like to thank our committees who continue to support us. It is a huge effort to put on a rodeo and we appreciate the work you put in and we are honoured that you choose to continue with us.

We had another contractor's meeting this year and I want to say how impressed I am with these men and women for their willingness to work together to promote our sport and association. A big thanks to Dean Weller for coordinating all of this.

I'd like to acknowledge and thank Tenterfield for hosting a round of the Finals this year. It is a big call to run a round of the Finals with so many events to find sponsors for with only 12 competitors per event - means there is less revenue from the committee levee. So it is with the deepest gratitude that I acknowledge the huge effort both Tenterfield & Caboolture have put in so we can have three rounds of our Finals.

This year the Association held the second round of the Finals at Toowoomba. Over the past couple of years we have gone into partnership with Hall Rodeo Company, however this year we went alone. This was a big responsibility, with most of the workload falling on Board Members and Office Staff. The effort put in by these few people is outstanding to give the members another round. Fortunately, we were able to make nearly \$2000.

Last year, we took a massive step in getting our own insurance through Affinity. We have managed to keep our heads above water and it is proving to be a good decision.

I can't thank the office staff enough; Patty, Norma and Courtney, for their commitment to go over and above what is expected. The office is the heart of the Association and these ladies do an excellent job.

I'd also like to thank Nicole and Marilyn for their secretarial work at rodeos. We really appreciate their willingness to travel each week and serve our Association in this way. We also grieve with Marilyn over the loss of Terry. His passing has deeply affected us all.

Our first board meeting this year was held at Emu Gully where I work. This is a camp that focusses on team building and leadership skills. We spent the morning doing some activities and building a framework in which to operate as a team. We had a whole lot of fun getting down and getting dirty and I believe it set the tone for the rest of the year.

I have been so impressed with our Event Directors this year. Kim Clarke resigned as Barrel Racing Director halfway through the year and I would like to acknowledge her hard work and dedication over many years of service to the NRA. I would also like to thank Katie Vaughn for stepping into this role and for the great job she is doing. We continue to meet every second month with the Event Directors either by phone or face to face and I want to thank each of them for their commitment and hard work.

As for the Executive Board, what can I say except that I am deeply humbled to be part of such a great team. They are completely dedicated to seeing this Association go forward and work so well together.

This is my last report as Chairman and I am extremely proud of all that we have been able to achieve as a team. I thank God for the people He has surrounded me with and enabled me to lead the NRA through a very difficult time. We are now in a good financial position and growing in rodeos and membership. It has been a privilege to serve the National Rodeo Association as your Chairman.

*Chris Meyer*

We would like to thank the 2016 Board Members for a wonderful year. It has been great having you all on board and a pleasure to work with (Muddy but down to earth humble lot!! ☺). Thank you for your support and the direction you have given to the sport of Rodeo.

We look forward to working with some new Board members and welcome back some previous Board members.

Thank you Bob and Chris for your support over these last four years and wish you both relaxing year and look forward to having you back on board in the future!

Thank you to ALL the members for your support in the Association and we you all well with the new season already well under way.

*Patricia Jones*

### **Marcus Jones – Executive Director - Committees**

To the Chairman, fellow Executives, event Directors and Members.

I would like to thank you all for your support over the 2016 season. When I first took this position on in 2015 I thought ahh piece of cake, I got this. Well that was not the case. You only get out what you put in and without my fellow executives by my side your rodeo future has never looked better.

From 2014 having 68 events to 2015 jumping to 77 events and now in 2016 skyrocketing to 90 events. One thing I did per sued this year was working with committees trying to promote junior rodeos and it was a success to the extent that we had the highest number ever. Whilst some open event numbers are down considerably they are thriving at these events and I think this is one solution to lift our numbers for the future.

Welcome to some of the new committees that come on board this year and to some of old that came back. 2017 is shaping up to be bigger and better as well, with a lot older rodeos coming back on board with the NRA. Once they only had to book in early enough to make the news sheet, but now I have some committees booking up to 3-5 years in advance to secure their dates.

From some helpful guidance through our chairman, Chris and Finance, Bob I think we are on track to having the biggest and best association in the Country. The amount of support our event directors have given me this year has been very helpful for the running of smooth and well run events. This does impress committees.

To the office staff Jason, Patty and the girls thanks for ongoing input and help, I would be lost without your prompt services every time every ten minutes in some cases. Lastly to the Membership all I ask of you is to keep up that professional appearance on and off the field, it does reflect on us both to the public, committees and prospective sponsorship offers.

So bring on 2017 and happy rodeo 'n.  
Regards executive Director – Committees

*Marcus Jones.*

### **Josh Green – Operational Director Team Roping Event**

Firstly I'd just like to thank and congratulate my fellow directors and our executive directors on a very successful 2016 rodeo season.

My first year as team roping director and wow what an eye opener it was but only in a good way of course. To see what goes on behind the scenes, the after-hours jobs that our board does to make our association bigger and brighter is unbelievable and I take my hat off to these guys and can't thank you enough for what you do.

Team roping this year has been great. Only a small handful of issues that were dealt with without things getting out of hand. Cattle has been fair, big thank you to the contractors for their efforts all year.

Stand out rodeo for me would definitely have to be Rathdowney where you had to be under 6 seconds for a place. Great work to all the ropers that stepped up that day and put on a show on some great cattle from Frank Biddle.

I look forward to staying on as director and getting our junior team roping event going some more, I'd also like to look into something like a build a cowboy day to help our juniors out sometime soon.

At the end of the day our kids are our future, Thanks guys.

*Josh Green*

### **Steve Augustin – Operational Director Rope & Tie Event**

Firstly I feel 2016 was a standout year and what better way to end the year then with a very close title race between two of the most dedicated, hardworking and professional young cowboys that I've seen in a very long time, Clay Gall and Mitch Eastwell are not just a credit to the NRA but to the sport of rope and tie and rodeo in general and most definitely a credit to themselves, and I firmly believe that with those two cowboys along with Brock Eastwell, Jay Green, Jesse Townsend and Pat Sharpe now rodeoing with the NRA that rope and tie has a bright future because with junior's having those types of cowboys to look up to they can't go wrong in the arena or out.

Secondly I want to thank the contractors for the level of stock being presented at the rodeos this year, I know it was a trying year with insane cattle prices but I really feel that we are all on the same page with what suitable stock are to help promote rope and tie to future competitors and spectators you's all deserve a massive pat on the back thank you.

That is all from me this year but I do want to thank everyone that has helped throughout the year whether it be opening a box lining out or untying calves it's all really appreciated. See you all next year have a great Christmas and stay safe.

### **Bob Armitage – Executive Director – Finance**

2016 you have done the Assn well a \$60,962.21 profit, an increase in membership and number of rodeos. We ran our own finals at Toowoomba for a \$1900.00 profit plus we put in sponsorship to Tenterfield and Caboolture finals including the junior finals.

Finally our 4 year business plan has been accomplished. As I stated last year we would be changing accountants, which we have done we engaged another accountancy firm and they have provided us with a full review on our end of year tax. This is the first time I am confident with the review of our taxable year. We have at last got nearly all the gremlins out of our MYOB accounting system.

Last year we as a board took a very big but calculated gamble with our insurance. We decided to go on our own a big risk but it gave us control of our own destiny. I can say now it was a big step in the right direction.

We have come a long way in four years but there is so much more that can be done. We need to start a marketing campaign for sponsor ship, government grants etc. We need our members to become more involved in there association many hands make light work.

We have achieved these goals by working as a team. We all have our strengths in different areas and this board has excelled in working together.

Chris our chairman has been the good cop and keeping everyone in line especially me. When companies or people started to take a lend of us I would get aggressive and attack Chris would do his best to put the brakes on.

Marcus coordinating committees, he has done a fantastic job. We have only so many Saturdays in a year and more rodeos than days. Your communication and knowledge on this portfolio is amazing

Jason your academic ability amazes me your understanding of the memorandum of articles rules ect is second to none. You put the polish on the rough edges especially mine.

Susan has only been on the board a short time but has had a huge impact with getting us over the line with the financial review for this year you might think you are in the back ground but your business savvy and street smarts are a brilliant asset.

Ashley as Rodeo Queen you have exceled your yearlong dedication has been awesome.

Steve, Ashley and Katie without your support and hard work the Toowoomba finals would have been very ordinary, thank you

Patty our rock in the office, what a year we have dodged wriggled and jumped over some massive hurdles. Our members have no idea of the pressure and obstacles you have to encounter. Your passion and input into the association is amazing it has been a pleasure working with you.

Norma our off sider to Patty your work load is getting bigger every year with more rodeos, more paper work and more phone calls job well done.

Courtney our central entries guru, done a great job this is a very challenging task and can be screwed up very easily but you excelled except for a couple of the gotcha calls.

Together all of these people have helped the association to achieve our best ever financial result.

### **James O'Toole – Operational Director Junior Events**

I was approached about taking on the role of Junior Director in April this year after the resignation of the former Director. I have to admit I was hesitant about taking on the role, as it has the largest coverage of events, and includes the additional duties of the Junior Series. My reservations were probably well justified, I think as parents, we take this role for granted. I also now have a greater appreciation for those on the Executive Board and fellow directors.

As you would know I have two young children that compete in the junior series and at rodeos, however I do admit that I had not taken a considerable amount of notice of the NRA juniors across the various junior events. My time as Director has highlighted the amount of talented junior competitors in the association, along with the positive behaviour and sportsman shown by most of the competitors. I admit I have been impressed by the professionalism shown by our juniors.

I would like to acknowledge the dedication and commitment shown by those members who have helped at each and every junior rodeo. As I have previously mentioned, these days could not happen without the donation of their time and stock, and the Rodeo Committees that have committed to growing the sport of rodeo and our future champions, so thanks to each of you.

I would like to thank the people that helped with the fundraising on behalf of the Juniors, selling tickets and running various fundraising activities. Terry and Marilyn Sharland have been tireless in their support of our Juniors, donating prizes and trophies for many years.

Thank you also to Way Out West for your sponsorship of the All Round Trophies, Robyn Donoghue for your donation of tail bags and the Moretto Family for your donation of a saddle pad for the barrel winner at Caboolture.

This type of commitment enables the Junior Series to continue and provide trophies for our presentation day. Thank you also to Debbie Heaton and Dawn Emes for your help with the points tallying and with the preparation for the Junior Series presentation at Caboolture. I really appreciate your help.

I would like to use this opportunity to remind members, parents and juniors that we cannot take Junior events, rodeos or the junior series for granted. We all need to actively participate and be involved in the running of the events and support the association and committees, this includes helping with the running of junior rodeos and with the fundraising. This cannot be left to one or two people if things are to be sustained.

Juniors and parents, please ensure you are contacting your Director if you have issues regarding junior events. This should be your first port of call regarding concerns, queries or general questions.

Lastly I would like to congratulate Lane Heaton on becoming the 2017 Junior Director. I know you will have a lot of support and will do a good job. I encourage everyone to get behind your Director for the best result for your juniors and the association.

*James O'Toole.*

### **Dale Jones – Operational Director Bull Ride Event**

2016 was a bigger year for Bull Riders, they had 90 Rodeos to compete at, Would like to congratulate to those guys that made an effort to try and make it to a big percentage of those rodeos which is a big effort with sometimes having 2 – 3 a weekend. Would like to thank the office girls for helping the boys draw up in the right rounds to make it possible for them to do both rodeos.

Big congratulations to Jack McArthur for winning the Bull Riding Title once again which is a feat that hasn't been done, 3 in a row. Good on ya man.

Novice Bull Riders had 53 events for the year which is a sport that is growing because they are not getting a lot of open Bull Riders in the draw mainly because the calliper of the Bulls are so well bread. So this event gives these cowboys another stepping stone before they reach their Open bull ride just to help develop their skills and level before they step up to the Open Class.

Thanks to the Board for their support throughout my year and for making it possible to present a buckle for the Novice Bull Ride at the end of the year in the next calendar season so they will have something to work hard for. This will encourage more Riders to this event. It is the young cowboys dreams to wear their own buckle a round and thank you board for helping me make this possible for the novice bull riders.

A Big Thanks to the contractors for quality of stock that is use and the condition of the stock, a big effort and thank you greatly for this year.

We have a problem with animal welfare with a few little hiccups this year where every body's got a phone in their pocket these days and on that phone is a camera, we have had incidents where guys are trying to help the fellow mates stand their bulls up by pushing their foot through the rails to help them stand or poking, pushing, pulling ears, we need to be aware that cameras are videoing looking at you all and be discreetly as possible.

Thank you  
*Dale Jones*

### **Nicole Cavanagh – Operational Director Breakaway Roping / Steer Undecorating Events**

I can't believe the year is nearly over! 2016 has been fairly uneventful as far as both these events are concerned.

There's been a few issues raised re stock throughout the year, but generally we have had even lines. I have found our stock contractors easy to talk to and willing to listen.

The string rule was changed - you can now use either 4 pieces of heavy duty string or 1 piece of builders string. If you see people using the wrong string can I suggest we let them know before they run so it can be changed. I will have judges doing random checks throughout the year to ensure everyone is complying.

I believe steer undecorating is growing again with some very competitive girls entering. I'd like to thank the committees who are giving us the opportunity to run. The finals were a little disappointing with minimal prize money up, but we are thankful for it to run. Thank you to Rachel Little and Denae Hart who helped to raise the steer undecorating prize money to \$500 per round. I ran a raffle at Caboolture to help also. Thank you to Caboolture Show Society for allowing me to run the raffle and to those who donated prizes- Barry Family Butchers, Saddleworld Caboolture, Peta McDonnell (Partylite and Fifth Avenue Jewellery), Totally Workwear Morayfield and Meat City Morayfield.

Having a flag judge in steer undecorating has been implemented. At this stage the ribbon must be returned to the timekeeper as per rules, however this can more than likely be removed as the judge makes the decision. It is something I will look at.

Both breakaway and steer undecorating titles came down to the last rounds of the finals. Congratulations to Cameille and Katie! The Western series also came down to the last round at Goombungee- congratulations Simone.

I hear comments often about the board did this or the board did that. Remember the board is standing for you! I am more than happy to voice your concerns or suggestions at meetings as are other board members.  
Good luck in 2017

*Nicole Cavanagh.*

### **Jordan O'Neill – Operational Director Steer Wrestling Event**

It's been a pretty good year overall as my first year being steer wrestling director, work commitments limited me in achieving what I would have liked to but I am confident I will do better next year.

Firstly, I would like to congratulate Mitch Eastwell on a well-deserved title, Marcus Jones on the finals average and Braydon Knack on the encouragement award. It's been fairly straight forward from my end a few minor complaints about stock which I always find annoying as we struggled to get contractors as is and most of the time the person whinging hasn't ever put his hand up to take stock and also probably is too lazy to practice. You get out what you put into it in this sport.

Also I have noticed that a select few people try to manipulate things to their advantage or would rather sit back and bag people out than help. We are only a little community and we need everyone pulling together in the same direction to help the SPORT not themselves.

That being said it's nice to see all the boys helping out by pushing cattle, hazing, doing neck ties or pulling barriers and generally just being around to help when the bulldogging is on. I firmly believe that this event has the greatest depth in men's events the proof being that 14-different people won a rodeo out of a possible 22. I also am pretty stoked to see a few new faces including a couple of juniors and I implore all of the boys out there to help them in any way you can, we do not need to lose any numbers it's good to have healthy competition.

Hope to see you all down the road next season

*Jordan O'Neill*

### **Katie Vaughan – Operational Director Barrel Racing Event**

Thanks to the sponsors for their sponsorships this year, and thanks to all competitors support. Congratulations to Laura Bostock winning the Barrel Race Title for the second time. I believe we have had a good year with only a couple of hiccups that were sorted directly. I am very lucky to be working with our Directors and thank them for their support.

Good Luck for the coming year!  
Merry Christmas

*Katie Vaughan*

### **Dave Mawhinney – Operational Director Saddle Ride Event**

Firstly congratulations to all the winners and place getters all year and at the finals.

Not a bad year, with numbers fluctuating a bit with as little as four and up to 20 at best. With being away for some of the year, I didn't get to as many rodeos but I believe most things ran smoothly.

There are the ongoing complaints about the mark out and re-ride options which will probably going to continue. For the competitors, we need to remember that the judge's decision is final, but in some of competitors frustration at the moment is there's no two judges in this association that sees it in the same way or within a certain barrier.

There has been no judge's school since I've been in the role for the past four years and I believe this needs addressing, which we will look into, just to try and bring every judge into the same level and same understanding of what a mark-out or a re-ride should deserve and also for the young judges to come on, so they don't feel so much pressure, if they had a school they would then know what they know and have the confidence to miss someone's mark out and a give a high point score if they deserves it. It would likely stop a lot of confusion and give new judges confidence and competitor's confidence that their judges are up to date.

I would like to see judges be more approachable and that's across the board right down to the time events, if someone has a question they should be able answer it to give an explanation their decision. On the other hand, riders need to approach with respect and don't come down screaming at judges and listen to judges reasoning.

Sometimes we all just need to accept some things don't always go our way and 'that's rodeo'.  
See you all next year.

*Dave Mawhinney*

### **Will Kelly – Operational Director Bareback Ride Event**

I would like to congratulate Dinny Moran on his successful year achieving the honour of taking out the Bareback Ride Title and Bevan Brown for his achievement of runner up.

I would also like to recognise Dinny for his efforts in a way of being a great ambassador for this sport. He had many great rides and great competition against him. Both Dinny and Bevan had some really impressive stock to get past. Both effort and travel have been rewarded with your achievements.

Thanks to the contractors for suppling great stock throughout the year especially towards the end of the season through the dry times, was a real credit to you all.

Dale and Dave have summed up a few things I wanted to bring up with Animal welfare issues and about the Judge's decision is final.

Congratulations to Hank McArthur on all Bucking stock honours.

A few hiccups through the year where there were no numbers on horses, this makes it hard for the Chuteboss to put cowboys on the right stock. We need to try and keep on top of these things.

Congratulations to Tom Durbidge, Pick Up man of the year, it's hard to pick just one of you's when all of you do such a great job out there. Well done.

Has been a great 2016 Season  
See you all next year.

*Will Kelly*

### **Dean Weller – Stock Contractor Representative**

Would like to thank all the stock contractors all season, 90 Rodeos is a lot, with having hard times with no rain causing dry season yet the condition of stock is a credit. Hats off to you guys job well done.

Secondly my job has been pretty easy having good directors around me and all these directors here jumping in and helping and governing their area makes my job a lot easier.

With the hiccups that Will brought up about the numbers missing on horses has been taking care of. We have had a few sharp horns which also had been taken care off recently.

I just hope we all keep pulling together and keep going forwards like we have done the last 3 years and keep stepping up, I know the stock is going to keep stepping up.

Have a good Christmas  
See you all next year.

*Dean Weller*
